KENTUCKY HIGH SCHOOL TRACK MEET

LEXINGTON, KENTUCKY, MAY 21-22, 1965

Owensboro High School Track Team—K.H.S.A.A. Champion 1965

(Left to Right) Front Row: Coach Voyles, B. Shelton, L. Coleman, K. Woosnam, D. Remole, G. Chumbley, D. Speer, Coach B. Puckett. Second Row: D. Sparks, D. Revelett, M. Stout, R. Simmons, M. Pippin, D. Crask, M. Williams, C. Jennings.

100 Yard Dash—

1. Green-Eminence
2. Brown-Male
3. Chumbley-Owensboro
4. Sales-Central
5. Best-Elizabethtown

Time—9.9

Green tied the old state record of 9.9.

220 Yard Dash—

1. Chumbley-Owensboro
2. Brown-Male
3. Sales-Central
4. Walters-Valley
5. Best-Elizabethtown

Time—22.3

440 Yard Dash—

1. Green-Eminence
2. Prather-Lafayette
3. Smith-Shawnee
4. Crask-Owensboro
5. Potter-Elkhorn City

Time—49.0

Green set a new state record with his time of 49.0.

880 Yard Run—

1. Roberts- St. Xavier
2. Stout-Owensboro
3. Keller-Lexington Catholic
4. Coclough-Danville
5. Remole-Owensboro

Time—1:55.3

Mile Run—

1. Remole-Owensboro

2. Stout-Owensboro

3. Mays-Lafayette
4. Banks-M.M.I.
5. Green-Newport Catholic

Time—4:19.0

Remole set a new state record with his time of 4:19.0.

120 Yard High Hurdles—

1. Ball-Valley
2. Johnson-Trinity
3. Milligan-Somerset
4. Tolle-Male
5. Ballowe-Paducah Tilghman

Time—14.5

183 Yard Low Hurdles—

1. Ball-Valley
2. Lyons-St. Xavier
3. Johnson-Trinity
4. Kloentrup-Simon Kenton
5. O'Brien-Elizabethtown

Time—20.2

380 Yard Relay

1. Owensboro
2. Valley
3. Central
4. Paris
5. Lafayette

Time—1:29.5

The Valley team in the preliminaries set a new state record with the time of 1:28.8

Mile Relay—

1. Owensboro

2. Lafayette

3. Male
4. Paducah Tilghman
5. St. Xavier

Time—3:22.6

Owensboro set a new state record with the time of 3:22.6.

Shot Put—

1. Marshall-Frankfort
2. Dickerson-Eastern
3. Unseld-Seneca
4. Brim-Male
5. Cross-Central

Distance—57' 7 1/4"

Pole Vault—

1. Swope-Daviess County
2. Fryman-Harrison County
3. Hagan-Atherton
4. Lyons-St. Xavier
5. Pennick-Pleasure Ridge Park

Height—13' 0"

High Jump—

1. Lance-Eastern
2. Wright-Central
3. Kirwin-Atherton

The Kentucky High School Athlete

Official Organ of the

Kentucky High School Athletic Association

VOL. XXVIII—NO. 1

AUGUST, 1965

\$1.00 Per Year

Report of Audit

1191 East Broadway
Louisville 4, Kentucky
July 15, 1965

Mr. Theodore A. Sanford, Secretary & Treasurer
Kentucky High School Athletic Association
Lexington, Kentucky

Sir: We have examined the Statements of Receipts and Disbursements of the Kentucky High School Athletic Association for the year ended June 30, 1965. Cash in Banks, Savings Accounts and Bond Investments were verified by direct communication with depositories. Buildings and equipment are reflected at estimated values without appraisal by us.

In our opinion the accompanying statements present fairly the financial position of the Kentucky High School Athletic Association at June 30, 1965, and the results of its operation for the year then ended, subject to the estimated value of buildings and equipment, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Johnson and Lusk
Certified Public Accountants

KENTUCKY HIGH SCHOOL ATHLETIC ASSOCIATION PERIOD FROM JULY 1, 1964, TO JUNE 30, 1965

From the Commissioner's Office

Football Clinics

The 1965 clinics for football officials and coaches will be conducted by Athletic Director Edgar McNabb, Assistant Principal of the Beechwood High School, South Fort Mitchell. Mr. McNabb has been the K.H.S.A.A. representative on the National Federation Football Committee for several years. The dates and sites of the clinics are as follows: August 9, Henry Clay Hotel, Ashland, 7:30 P.M.; August 10, Prestonsburg High School, 7:30 P.M.; August 11, Hazard High School, 1:30 P.M.; August 11, Bell High School, Pineville, 7:30 P.M.; August 16, Reservoir Hill, Rec. Center, Bowling Green, 7:30 P.M.; August 17, Mayfield High School, 7:30 P.M.; August 18, Henderson High School, 7:30 P.M.; August 22, Newport High School, 2:30 P.M.; August 24, University High School, Lexington, 7:30 P.M.; August 25, Kentucky Hotel, Louisville, 7:30 P.M.

Registration of Officials

Football and basketball officials previously registered have received their renewal application cards for the 1965-67 school year. One hundred forty-two officials failed to file their 1964-65 reports on or before the deadline set by the Board of Control for the submitting of reports, and it was necessary to impose fines on these officials who failed to comply with Association rules. It is an Association requirement that each registered official attend the clinic in the sport in which he is registered. Eleven football officials and forty basketball officials were suspended in 1964-65 for failure to attend clinics.

Attention, Principals!

Each principal of a K.H.S.A.A. member school will be supplied during the forthcoming school year with a card which will say: "Kentucky High School Athletic Association — This will introduce (name of principal), (name of school)." The card will be signed by the Commissioner. The issuing of the card has been requested by the Board of Control. Most administrators of Association member schools admit to their home contests fellow administrators as a matter of school policy. However, many times these visitors hesitate to identify themselves to the ticket takers. The card mentioned will assist in this identification.

The identification card may be used for admission to all events at the state level except the State Basketball Tournament. A different plan for issuing these passes, along with passes to the district and regional basketball tournaments, is provided in basketball tournament regulations.

The identification cards are not to be considered as regular season passes to all home games of each member school holding membership in the Association. School policy should be the determining factor in presenting the cards for admission to the games.

STATE WINNERS IN GIRLS' TENNIS

(Left to Right) Nancy Evans and Bernadette Gephart, state doubles championship team of Presentation Academy. (Inset) Debbie Simmons of Sacred Heart, state singles champion.

Football Districts and Regions

The football districts and regions for 1965, determined by the K.H.S.A.A. Board of Control, are as follows:

Class AAA

REGION I

Atherton, Bishop David, Central, DeSales, duPont Manual, Flaget, Male, Shawnee, St. Xavier, Trinity

REGION II

District 1—

Butler, Fairdale, Pleasure Ridge Park, Southern, Valley, Western

District 2—

Durrett, Eastern, Fern Creek, Seneca, Thomas Jefferson, Waggener, Westport

Class AA

REGION I

District 1—

Bowling Green, Caldwell, County, Christian County, Franklin-Simpson, Hopkinsville, Mayfield, Paducah

District 2—

Daviess County, Henderson, Henderson County, Madisonville, Owensboro, Owensboro Catholic, Union County

REGION II

District 1—

Elizabethtown, Fort Knox, Franklin County, Henry County, Kentucky Military Institute, LaRue County, North Hardin, Oldham County, St. Joseph, Shelby County

District 2—

Bourbon County, Bryan Station, Clark County, Danville, Dunbar (Lexington), Harrison County, Henry Clay, Jessamine County, Lafayette, Madison, Madison Central, Shelbyville, Somerset, Woodford County

REGION III

District 1—

Boone County, Campbell County, Dixie Heights, Highlands, Holmes, Newport, Newport Catholic

District 2—

Ashland, Boyd County, Fleming County, Louisa, McKell, Raceland, Rowan County, Russell

REGION IV

District 1—

Bell County, Corbin, Cumberland, Evans, Knox Central, Middlesboro

District 2—

Belfry, Hazard, Jenkins, Leslie County, M. C. Napier, Prestonsburg, Whitesburg

**Class A
REGION I**

District 1—

Crittenden County, Fort Campbell, Fulton, Fulton County, Murray, Russellville, Trigg County, Warren County

District 2—

Campbellsville, Cumberland County, Glasgow, Greensburg, Metcalfe County, Tompkinsville

REGION II**District 1—**

Bardstown, Eminence, Lebanon, Lincoln Institute, Louisville Country Day, Old Kentucky Home, Shepherdsville, Springfield

OWENSBORO GIRLS' GOLF TEAM IS BEST

(Left to Right) S. Ford, M. Germain, D. Germain, L. Reynolds. (Inset) K. Beard, Campbellsville, individual champion.

The first K.H.S.A.A. State Golf Tournament for Girls was held at the Shawnee Golf Course, Louisville, on June 1-2. The Tournament was won by the Owensboro High School team with a score of 766. Kaye Beard of the Campbellsville High School was individual winner, with a score of 161. The tournament was managed by DGWS Golf Chairman Matilda Walker of the Westport High School faculty.

Seven full teams competed in the tournament, having qualified in regional competition. These teams and their scores were: Owensboro, 766; Frankfort, 775; Lafayette, 840; Bowling Green, 870; Eastern, 927;

STATE CHAMPIONSHIP TENNIS TEAM

(Left to Right) J. Davis, H. Johnston, state doubles championship team of the Louisville Country Day High School. (Inset) T. Wade, Lafayette, state singles champion.

Westport, 978; Paintsville, 1109.

Individual scores of some of the tournament leaders were:

- 161—Kaye Beard (Campbellsville)
- 168—Dot Germain (Owensboro)
- 172—Barbara Ann Brown (St. Catherine)
- 179—Patty Baxter (Campbellsville)
- 180—Diane Dailey (Frankfort)
- 185—Linda Wilson (Valley)
- 186—Carolyn Rose (Eastern)
- 188—Janie Long (Frankfort)
- 194—Shirley Ford (Owensboro)
- 195—Patti Tackett (Frankfort)
- 196—Linda Reynolds (Owensboro)
- 197—Janice Sue Carter (Tompkinsville)
- 202—Martha Marsh (Clark County)
- 203—Pam Dickerson (Bowling Green), Mary Lynn Martin (Clark County)
- 204—Nancy Orr (Bowling Green)
- 205—Marsha Bird (Lafayette)
- 206—Jill Essig (Westport), Martha Phillips (Lafayette)
- 207—Barbara Cardinali (Lafayette)
- 208—Marge Germain (Owensboro)
- 209—Ann Titsworth (Murray)
- 212—Connie Wood (Frankfort)
- 222—Cathy Lear (Lafayette)
- 224—Rita Yerkes (Westport)
- 225—Gage Heyburn (Waggener)
- 226—Cathy Stone (Hopkinsville), Judy Van Metre (Hopkinsville)

The Flying Dutchman

Until a note arrived from the Commissioner's office saying, "Dutchman, your column is due," the realization had not dawned that it's almost pigskin time in Kentucky again.

The summer went fast for your Dutch reporter as he had three major parks and two new golf courses to get ready for public usage. Remember Emmett Goranflo who used to coach at Eastern High and Joe Goodman, Fairdale High Coach? Both of these chaps worked in Jefferson County's recreation program as did Coach Dallas Arnold, Red Garrison and Harold Craig of Valley; Larry Castle, Thomas Jefferson and Coach Andrews of Westport. The Dutchman couldn't get the big summer park and recreation job done without coaches.

Mel Eppinger of Freedom Hall called last week to invite the Dutchman to be the speaker at an honor dinner for Joe Reibel who coached Kentucky's All Stars to two victories over Indiana this summer. The Sportsman's Club sponsored the Coach Joe Reibel night and did a fine job. Carl Schmidt, widely known Kentuckian, is the president and is assisted by such outstanding leaders as "Slick" Royalty, Father Hornung, Ed Kallay and Johnnie Tong.

One of these days somebody should have an honor steak dinner for this chap, John Tong. John gets the first Corn Cob Pipe of Honor of the new sports year for his financial and service contribution to the Kentucky Society For Crippled Children.

This fellow, Tong, is one of the best men on a sports public address system this Dutchman has ever heard and he has handled some "big deals." He will be remembered as the man at the "mike" at the Louisville Invitational Tournament as well as the seventh regional basketball tournament last year. Some fellows know how to handle the "mike" as it should be and John

JOHN TONG

Tong is one of them. Coach Ed Diddle's status symbol is a towel, John's is a lemon.

With the opening of the football season all sports-minded Kentuckians are reminded that they are the people who make the programs of The Flying Dutchman succeed or fail. Coaches, players and spectators are advised of the recognitions they may bring to deserving people by their recommendations.

(1) Corn Cob Pipe of Honor goes to those rendering unselfish service to others.

(2) Abou Ben Adhem award is for schools or communities who promote good neighbor relations at athletic events.

(3) The Lionheart award goes to a boy or girl who is overcoming a physical handicap to play normally like their more fortunate friends. From the winners of the Lionheart citations emanates the Game Guy of the Year.

To get a citation in any of the three categories simply address a letter to The Flying Dutchman, Jeffersontown, telling him why your recommendation is made. If an award is conferred, it is mentioned in this column. Everybody likes a "place in the sun," and your interest may bring some happiness to others.

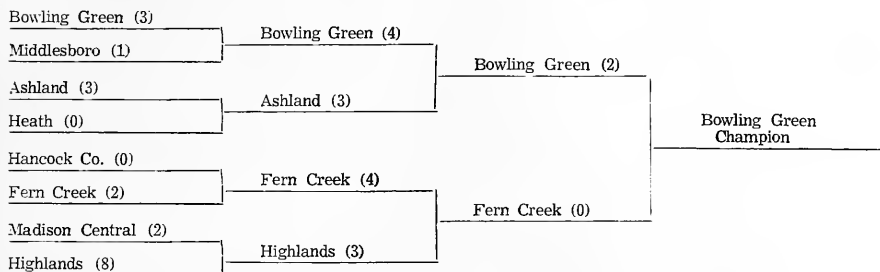

Right now Lexington is getting ready to play host to the late summer all-star games and the training schools for football and basketball officials. These schools for mechanics, sponsored by the K.H.S.A.A., are open to the public and have caused greater uniformity to come to officiating in Kentucky.

Here's a closing thought: The surest way to get a job done is to give it to a busy man. He'll have his secretary do it.

ST. XAVIER GOLF TEAM WINS

(Left to Right) P. Schultz, D. Albers, T. Kalbfleisch, M. Zimmerer. (Inset) Smith, Owensboro, individual champion.

The St. Xavier High School won the 1965 State High School Golf Tournament, held at the Seneca Golf Course, Louisville, on June 1-2. The St. Xavier team was pushed into a sudden-death playoff by defending

titlist Frankfort before winning the team trophy. The Tigers got three pars on the extra hole to Frankfort's two. Scores of the leading teams were: St. Xavier, 630; Frankfort, 630; Flaget, 636; Owensboro, 646; Lafayette, 653; Waggener, 657; Franklin Simpson, 666; Clark County, 666; Fairview, 669; Mayfield, 670. The tournament was managed by Ath. Dir. John W. Hackett of the Fort Knox High School.

Bernie Smith of the Owensboro High School captured individual honors with a score of 148. Individual scores of some of the other tournament leaders were as follows:

- 150—Moore (Berea)
- 151—Cadle (Middlesboro), Schultz (St. Xavier)
- 152—Pulliam (Frankfort), Douglass (Waggener), Dellay (Henry Clay)
- 154—Kalbfleisch (St. Xavier), Steers (Franklin-Simpson), Davis (Henry Clay)
- 156—Kordes (Flaget), Just (Flaget), Cambron (Flaget), Downey (Franklin-Simpson), Magee (Maysville), Dutschke (Elizabethtown)
- 157—Bale (Frankfort), Tinnett (North Hardin)
- 158—James (Lafayette)
- 159—McParland (Frankfort), Hollenburg (Atherton)

Male High Wins Rifle Championship

Male High School of Louisville won the 1965 State Tournament sponsored by the Kentucky High School Athletic Association. This was the fourth year for the state championship event. Male had won previously in 1962 and 1963. Ten teams participated in the tournament.

The Owensboro High School team was in second place, being edged by Male High 1357-1356. Thomas J. Bartlett of Owensboro was top individual scorer with 287, followed by Richard Allgood of Male with 282.

The tournament, which was held at Eastern Kentucky State College, was managed by Captain Thomas W. Arnold, US Army ROTC Detachment, University of Kentucky.

Team and individual scores were as follows:

Louisville Male (1357) — Allgood, 282; Farmer, 274; Flener, 273; Shobe, 262; Thompson, 266;

Owensboro (1355) — Neale, 278; Youngman, 274; Wood, 269; Wells, 248; Bartlett, 287;

Kentucky Military Institute (1330) — Macaulay, 279; Stark, 269; Stallard, 254; Burke, 261; Conlee, 267;

Ashland (1326) — H. Gardner, 277; B. Gardner, 273; Price, 260; Cooley, 254; Griffith, 262;

Millersburg Military Institute (1281)—Breene, 269; Jerla, 262; Oaks, 238; Sellers, 261; Wolosin, 251;

Bryan Station (1256) — Peyton, 261; Salyer, 219; Fee, 266; Walton, 255; Eden, 255;

Henry Clay (1221) — McKee, 244; Eades, 236; Porter, 235; Van Meter, 244; White, 262;

Frankfort (1070) — Hedges, 240; Lea, 249; Turner, 183; Garrison, 173; Harp, 245;

Western (801) — Grace, 223; Bryant, 172; Flynn, 38; Walbridge, 158; Case, 150;

Oldham County (750) — Jackson, 218; Davis, 211; Carpenter, 190; Bowlin, 131.

Hot Weather Hints

Early fall football practice is frequently conducted in very warm and highly humid weather in many parts of the United States. Under such conditions, special precautions should be observed. Otherwise, the athlete is subject to: (a) heat exhaustion — depletion of salt and water due to excessive sweating, (b) heat stroke — overheating due to breakdown of the sweating mechanism. Either condition can result in serious physical harm and even death; both are preventable.

Heat exhaustion and heat stroke are preventable only by careful control of various factors in the conditioning program of the athlete. Basic, of course, is an adequate medical history and medical examination prior to participation in practices. With the start of practice, it is essential to provide for gradual acclimation to hot-weather activity. Equally important is the need to adjust salt and water intake to weather conditions.

As the athlete becomes accustomed to hot weather activity, he perspires more freely (and thus dissipates body heat) and excretes less salt (and thus conserves sodium). With a graduated training regime, such acclimation can be expected to take place over a period of about one week.

The old idea that water should be withheld from athletes during workouts has absolutely no scientific foundation. In fact, such restriction, by depleting water in the body, can lead to heat exhaustion. During exercise in the heat, it is essential to replace the water, hour by hour, lost by perspiration. Intake at any one time, however, should be held to one-half water glass or less (2 to 4 ounces).

Salt also needs to be replaced daily, particularly (Continued on Page Fifteen)

What Does Athletics Mean to You?

Editor's Note: The following article is a copy of a talk given by Dick Jeffries, Student Body President of Millard M. Halter High School at Wellston, Missouri. Jeffries, who was also quarterback of the football team, was injured in the second game of the season and was not able to play again until the last two games. One night during his recuperation period, he could not sleep so got up and wrote this talk which he gave at a subsequent assembly.

What does athletics mean to you? Does it mean going to games to eat hot dogs, to drink soda, or to just talk with your friends? Does it not mean enough to some of you to even come to the games? Is it too much trouble to walk or ride five or ten blocks to our football field on Saturday, or to walk five or ten feet out of your way to register, in the office for the spectator bus? Maybe some of you just don't think it at all necessary to go to this "trouble" just to see your team play, and think it even more ridiculous to be expected to cheer or yell at the game. How silly can those cheerleaders get?

I'm afraid these are some of the things that too many of the students at Wellston High think. In trying to comprehend the reason for this feeling, which is usually not connected with Wellston, I concluded that too many of our students don't understand, don't visualize, the true meaning and importance of athletics.

Athletics to me, as an individual, means trying to better myself, my character, and the impression I present to other people.

I'm only seventeen years old, and there are an infinite number of things to do in life which I haven't done. But I seriously doubt that there will be anything more gratifying, more rewarding, than the feeling I have when I know, deep down inside, that I put out one hundred per cent in a game, that I did my best. My goal in athletics is to be able to say after each game, "You did the best you were capable of doing."

There is something about athletics that is almost sacred; this is the emotional element.

What makes grown men, mature men, play on and on in a game when they have broken bones, pulled and torn muscles, bruises and cuts galore, complaining only when they are taken out of the game to receive medical attention? What makes these same mature men cry and weep after losing a hard fought, a well-played game?

What makes a boy weighing only one hundred seven pounds beat his brains out against teammates twice his size and strength just so he can play football?

What is it about this game of football that after once playing, a person can never forget it, never equal the impact it had on his life?

Athletics doesn't stop at the side lines. This zeal penetrates and affects all that it comes in contact with.

What makes the crowd in the stands scream and yell at the top of their voices, cheering a runner across the goal line? What makes this same crowd ache all over after their team has been handed a defeat?

There is an unexpressable feeling, a code existing to all who have ever participated in sports which can only be felt, not expressed by words but by actions

and feelings. This feeling or code is not only for one race, or for one color, or for one religion. It is universal, common to all. Athletics has brought men together, and by doing so, has given these men an opportunity to understand other men, and most importantly, to understand themselves.

So you see, fellow students, athletics is not going to the game and drinking soda and eating hot dogs or talking to your friends. It is making yourself vulnerable to the "cohesive binding" which it provides for all, young and old, large and small.

Those of you who have the ability to participate on the various "fields" of athletics, do so. These experiences will be unparalleled throughout your life. Those of you who don't have this ability have an equally important role to follow. It is up to you to support, to encourage, never to discourage, non-detrimental athletic activities.

Let us all set a goal higher than just winning, high enough to demand our full efforts, and at the same time, in the range of our capabilities, strive for this goal.

We owe this to the **eminent** and **illustrious** institution of athletics.

—Missouri H.S. Activities Journal

HOT WEATHER HINTS

(Continued from Page Ten)

during the acclimation period. Extra salting of the athlete's food within the bounds of taste will accomplish this purpose. Salt tablets, particularly on an empty stomach, can be irritating and may be poorly absorbed. Adding one teaspoon of salt to six quarts of water used for drink during hot-weather workouts offers another approach.

Even after acclimation it is advisable to alternate periods of strenuous exercise with periods of rest during hot weather. Also, it is important for the coach to observe his athletes carefully for signs of lethargy, inattention, stupor, awkwardness, or unusual fatigue. Symptoms of water and salt depletion may include headache, nausea, hallucinations, and weak and rapid pulse.

The following suggestions are offered to help coaches prevent heat exhaustion and heat stroke during hot-weather athletic activity:

1. Require a careful medical history and checkup prior to the beginning of practice.
2. Schedule workouts during cooler morning and early evening hours in hot weather.
3. Acclimate athletes to hot-weather activity by carefully graduated practice schedules.
4. Provide rest periods of 15 to 30 minutes during workouts of an hour or more in hot weather.
5. Supply white clothing (to reflect heat) which is loose and comfortable (to permit heat escape) and permeable to moisture (to allow heat loss via sweat).
6. Furnish extra salt and water in recommended amounts during hot weather.
7. Watch athletes carefully for signs of trouble, particularly the determined athlete who may not report discomfort.
8. Remember that the temperature and humidity, not the sun, are the important factors. Heat exhaustion and heat stroke can occur in the shade.

National Federation and A.M.A.

Some Suggestions For Reducing Football Injuries:

1. Good pre-season conditioning
 2. Proper warm-up before contact work in practice or game
 3. Require wearing of proper equipment at all times
 4. Set a limit to the length of practice sessions.
- Most of the serious injuries occur during the last half-hour of practice.

N.C.A.A. Amateur Rule

Recently the National Collegiate Athletic Association Council reaffirmed the following interpretation relative to amateurism:

"Any student who signs or has ever signed a contract to play professional athletics (whether for a money consideration or not); plays or has ever played on any professional team in any sport; receives or has ever received, directly or indirectly, a salary or any other form of financial assistance (including scholarships or educational grants-in-aid) from a professional sports organization or any of his expenses for reporting to or visiting a professional team no longer is eligible for intercollegiate athletics."

We bring this interpretation to your attention so that it may come to the notice of high school administrators and coaches. It is, we believe, generally unknown that a high school graduate who prior to college enrollment, accepts expense paid trips for the purpose of visiting a professional sports organization, is no longer eligible for intercollegiate athletics.

—National Federation Bulletin

Gymnastics Guide

The **DGWS Gymnastics Guide 1965-67** is just off the press. Edited by Norma B. Zabka (Hunter College of the City University of New York), it contains fifteen valuable articles on teaching, coaching, and officiating, as well as official rules and regulations for intramural and extramural gymnastics meets and standards for girls and women's sports.

A sampling of topics shows a wide range of coverage in the articles: "The Development of Competent Gymnastic Judges," "Class Organization for the

Teaching of Gymnastics," "Gymnastics' Basic Seven for Girls and Women," "Side Horse Exercises for Senior High Neophytes," "Basic Elements of Gymnastic Composition," and "Checklist for Gymnastic Competitions."

The new Guide has short, carefully selected bibliographies of books and films. Illustrations include both line drawings and photographs which demonstrate exercises and techniques.

144 pp., \$1.00 2-9 copies, 10% discount; 10 or more, 20%.

1965-66 Wrestling Rules Changes

1. All high school modifications have been placed in the appropriate rules section of the Guide rather than having a separate section for interscholastic competition.

2. The maximum number of points that can be earned for time advantage has been increased to two.

3. Two points shall be scored for all takedowns.

4. Chicken wing is legal but potentially dangerous when defensive wrestler's hand is in front of or to his side. The hold becomes illegal when the hand goes behind the back constituting twisting hammerlock.

5. When there is no action in the mat position, the responsibility for initiating action rests with both wrestlers.

6. Holding legs (two hands on one leg or two hands on two legs) is no longer considered under the stalling category and is considered as a technical violation on the first infraction.

7. Full length tights and shirts are mandatory.

8. A period of 15 seconds shall be sufficient time for the referee to decide whether or not a contestant in the advantage position, who is retaining a stalling hold, has made an attempt to improve his position.

SUTCLIFFE'S IS READY

*with complete football, basketball
and athletic equipment for the fall season*

No delay — no waiting — immediate delivery! Stock merchandise is shipped on the very day an order is received.

We maintain and operate our own sewing, engraving, and service departments, which enables us to render faster service.

QUALITY BRANDS

Our stocks this year are the same top quality for which Sutcliffe is now well known—nationally-distributed, nationally-advertised preferred quality brands.

SUTCLIFFE'S SERVICE

For on-the-spot service, the Sutcliffe School representative will contact you, as usual, during the year.

Write us about your needs. Remember we give one-day service.

FAIR - PLAY OUT IN FRONT FOR OVER 25 YEARS

FAIR - PLAY FF-1S FIGURGRAM BOARD

Here's the world's most popular basketball scoreboard—the FF-1S—with famous TICK-AWAY flashing numeral clock originated by Fair-Play. Shows exact number of minutes and seconds remaining in game. Accurate, dependable, and easily serviced.

Sturdy, all-aluminum alloy cabinet, fully enclosed with no exposed wiring. Non-glare, baked enamel finish. Choice of colors: gray, red, green, blue and black with white lettering.

IN STOCK

We carry the Figurgram basketball boards in stock for immediate delivery. Boards for other sports also available. Any board can be made special to order.

Model	Description	Lbs.	Price
FF-1S—Single Face Tickaway with 9 inch numerals	125	\$ 525.00
FF-1S-12—Single Face Tickaway with 12 inch numerals	150	570.00
FF-1S-PF—Deluxe Tickaway with Player Name and Foul Panels	500	1,305.00
(Add \$72.00 if FF-1S is to have 12 inch numerals.)			
FF-2S—Double Face Tickaway with 9 inch numerals	250	945.00
FF-2S-12—Double Face Tickaway with 12 inch numerals	300	1,045.00
MULTIPLE INSTALLATIONS: When 2 or more boards are installed to be operated together, the price is the same as 2 or more single boards, less \$30.00 if scoreboards are bought at the same time.			
No. 12PRL LINEUP PANELS lowerable and reversible with player names and numbers for 4 teams and next game panel. Numbers, letters, lowering system furnished		\$185.00
No. 12PF PLAYER FOUL PANELS—Shows 5 fouls for 12 players each team, per pair		\$595.00
EPW FOUL INDICATOR or MATCH SCORE WRESTLING ATTACHMENT with control panel		\$195.00

FB-50-A2 FOOTBALL SCOREBOARD

This is THE scoreboard for high school or college football—the most popular football scoreboard made and the standard for fields and stadiums from Maine to California.

This big FB-50-A2 is 18 feet long, 8 feet high, weight 750 pounds. It's durable, too; an all-aluminum cabinet, fully enclosed for protection against weather, dust, vandalism. Beautifully finished in white, forest green or signal black (special colors on request at extra cost).

Big 24-inch flashing numerals show TIME, SCORE, PERIOD, DOWN and YARDS TO GO. Tickaway Clock shows the exact number of minutes and seconds left to play.

Model	Description	Lbs.	Night Only	Both Day & Night
FB-50-A2—18'x8' with 24" numbers	750	\$1615.00	\$1695.00
FB-33-C—18'x7'2" with 24" numbers	675	1535.00	1615.00
FB-50-S—24'x8'6" with 30" CLOCK numbers	1250	2195.00	2275.00

INSTALLATION EQUIPMENT

CONTROL CABLE: From board to sideline and/or press box, 19 conductor (for either underground or overhead installation) per foot55
Sideline DOWN & YARDS TO GO portable cable, per foot20
Sideline TIMERS portable cable, includes hand switch, per foot20
CONTROL RECEPTACLES AND BOX: (Minimum of one required)		
1. Press Box Type	\$20.00
2. Sideline type (raintight with hasp)	\$25.00

A special panel for Coca-Cola, Pepsi-Cola, Dr. Pepper, Ford, Chevrolet, Oldsmobile or any special design can be duplicated at an extra cost to fit on the bottom of either type board.

All Fair Play boards carry a one-year guarantee. We have all necessary repair parts in stock and also maintain an experienced service man.

Take advantage of the present day prices and place your order now for at once or future delivery. All prices subject to change without notice.

K.H.S.A.A. FOOTBALL CHAMPIONSHIPS

RULES AND REGULATIONS

(Adopted by the Board of Control)

I. Classification

Sec. A. The Board of Control has divided the schools into three groups as follows:

1. Class AAA includes the schools in Jefferson County except Louisville Country Day and Kentucky Military Institute.

2. Class AA includes the schools with enrollments of 421 or more in grades 10-12.

3. Class A includes the schools with enrollments of less than 421 in grades 10-12.

Sec. B. The basis for determining the schools of Classes AA and A will be the total enrollment in grades 10-12 of a co-educational school. The Board may make an upward enrollment adjustment for a school with less than a full high school course, and for schools enrolling boys only.

Sec. C. Classification is for a period of two years. Classification for 1965 and 1966 is based on the 1963-64 enrollment. A school on application of the principal to the Commissioner, may be permitted to move from a lower into a higher classification. Any school placed in a higher classification must remain in this classification until all schools are re-classified.

II. District and Regional Championships

Sec. A. The state is divided into two regions for Class AAA and four regions each for Classes AA and A. Each region may be divided into two districts.

Sec. B. The championship of a district, or a region, if there are no districts, will be determined by the Dickinson Rating System, as adopted by the Board of Control. In event of a tie under the Dickinson System the following plan will be applied for breaking the tie: for winning a game, ten points; for tying a game, five points; for each game won by a defeated opponent, one point; for each game won by a tied opponent, one-half point; for each game tied by a defeated opponent, one-half point; for each game tied by a tied opponent, one-fourth point. Only games played within the region will be counted. If a tie results after a team's highest points for four games have been counted, an additional game will be counted until the tie is broken.

Sec. C. To qualify for a district or regional championship, a team shall play a minimum of four games in its class within the region (Beginning in 1966, only games played within the district will count in determining the winner). In Region II of Class AAA, only games played between teams in the district shall count toward the district championship.

Sec. D. In any case where two teams have played each other more than once, the first game only shall count in the standings.

III. Playoffs

Sec. A. In Class AAA the district winners will play on Friday or Saturday two weeks prior to Thanksgiving. The regional winners will play the following weekend for the championship.

Sec. B. In Classes AA and A the district winners will play on Friday and Saturday two weeks prior to Thanksgiving. The following weekend the winners of Region 1 and Region 2 will play, and the winners of Region 3 and 4 will play. Winners of these games (semi-finals) will play for the championship of each class the following week.

Sec. C. If a championship game results in a tied score, the teams will be declared co-champions.

Sec. D. If a game between district winners or regional winners results in a tied score, the following

point system will determine the winner: 1) one point for most penetrations of the opponent's twenty-yard line, 2) one point for the greater number of first downs, 3) one point for the greater net yardage. If the teams are still tied after the point system mentioned is applied, then the winner will be the team with the greater net yardage. The Commissioner will appoint statisticians for each game.

Sec. E. In Classes AAA and AA the site, date and starting time of the game will be determined by the winners of the even numbered districts and regions in the even numbered years. Odd numbered district and regional winners will determine the site, date and starting time of the game in odd numbered years.

In Class A the site, date and starting time of the game will be determined by the winner of the odd numbered districts and regions in the even numbered years. The even numbered district and regional winners will determine the site, date and starting time of the game in odd numbered years.

The site, date, and starting time of the final game in each class will be determined by the Board of Control.

Sec. F. Only K.H.S.A.A. approved or certified officials shall be used in games between district winners. Only certified officials shall be used in all other playoff games. All officials shall be assigned and their fees set by the Commissioner.

IV. Finances

Sec. A. The proceeds of the games, except the finals, will be used to defray the expenses of the visiting team, officials, trophies for the district and regional winners, and other necessary expenses.

The team transportation allowance shall be 50¢ per mile round trip. If no agreement can be reached on lodging and meals expenses, actual expenses for these items, not to exceed the following maximum, shall be allowed: seven meals for 38 persons at \$1.50 per meal, and two nights lodging for 38 persons at \$3.00 each. Net profit or loss shall be shared by the competing schools.

Sec. B. A representative of the host school, designated by the principal, will manage the game. The principals or their representatives shall agree on all matters pertaining to the game; such as admission charges, expenses, and allocation of reserved seat tickets. Disagreement on any of these items shall be referred to the Commissioner, and his decision shall be final.

Sec. C. The proceeds of the final games in each class shall accrue to the K.H.S.A.A. after the necessary expenses have been paid. Actual expenses, not to exceed those given above, shall be paid. A team not requiring transportation, meals or lodging shall receive a minimum of \$100.00 for miscellaneous expenses.

THE DICKINSON FOOTBALL RATING SYSTEM

(As modified and adopted by the Board of Control)

Section I

1. First division includes all teams that have won more games than they have lost during the season. Others are second division teams.

2. For each victory of a first division team over a first division team the winner gets 30 points and the loser 15 points.

3. For a tie between first division teams each team gets 22½ points.

4. For each victory of a first division team over a second division team the first division team gets 20 points and the second division team gets 10 points.

5. For each victory of a second division team over a first division team the winner gets 30 points and the loser gets 10 points.

Kentucky High School Athletic Association*

VOL. XXVIII—NO. 2

SEPTEMBER, 1965

\$1.00 Per Year

Foster J. Sanders
President

Preston Holland
Vice-President

Foster J. Sanders, Principal of the Louisville Male High School and K.H.S.A.A. Board member for the past three years, was elected President of the Board at the summer meeting of the directors, held on July 31, 1965. Assistant Superintendent Preston Holland of the Murray City Schools was elected Board Vice-President. The two men represent respectively Sections 4 and 1.

Foster J. Sanders, son of a Methodist minister, was born in Summersville, Kentucky, in Green County, on December 12, 1914. A graduate of the Beaver Dam High School, he received his A. B. degree from Kentucky Wesleyan College and his M. A. from the George Peabody College.

From 1936 to 1941 Mr. Sanders coached and taught at the Shepherdsville High School. From 1941 to 1943 he was a Safety Director for the Gopher Ordnance Works at Minneapolis, Minnesota. During 1945-46 Mr. Sanders was the Principal of the Shepherdsville High School, and during the period of 1946-55 he was a teacher of Social Studies at the Western Junior High School in Louisville. During the next six years he was Principal of the Western Junior High School, and in 1961 he was named Principal of the Louisville Male High School.

In 1936 Foster J. Sanders was listed in "Who's Who in Colleges and Universities." In 1955 he was awarded a Travel Fellowship by the Ford Foundation, but he declined this to accept the principalship of the Western Junior High School. He is a member of the Kentucky Committee of the Southern Association of Colleges and Secondary Schools, Phi Delta Kappa National Educational Fraternity, the Masonic Lodge, and the Board of Trustees of the Cooper Memorial Methodist Church.

Mr. Sanders is married to the former Jane McConnell of Marion, Kentucky, an elementary supervisor in the Jefferson County school system. They have two children, a daughter, Barbara Longacre, 23, Chemistry teacher at Thomas Jefferson High School; and a son, Jerry, 20, a senior at the University of Virginia.

Vice-President Preston Holland was born in Murray, Kentucky. He attended the Murray Grade School and High School, graduating in 1924. He received his A. B. Degree from Murray State College four years later,

after having lettered in football, basketball and baseball. He has done graduate work at the University of Kentucky, and he received his M. A. Degree from Murray State.

Mr. Holland was principal and coach at Almo High School for two years following his graduation from college, after which he joined the Murray staff as coach of football, basketball, baseball, and track. He has been at Murray since that time, currently being Athletic Director and Head Football Coach. He is past-president of the Murray State Alumni Association. He organized the first Little League in Kentucky, serving as State Director for several years. For many years he has been an Elder in the First Christian Church of Murray.

Football Examination

Part II of the National Federation Football Examination for officials will be given in Kentucky on Monday, September 20. An official who has been registered for at least one year prior to the current season is eligible to take the examination and work for a higher rating. Officials who hold the "approved" rating in football are required to make a minimum percentage grade of 80 in order to maintain this rating from year to year. After an official has received the "certified" rating, he continues to receive this rating each year provided that he attends the clinic for that year and has worked in at least six first team high school football games during the previous year. Eligible officials who wish to take the test should write to the State Office.

1965-66 Insurance Subsidy

As reported in the Board of Control meeting minutes which appeared in the May issue of the *ATHLETE*, the Board voted in its April meeting that the insurance subsidy of each Kentucky member school in 1965-66 shall be the basic amount of \$40.00, with an additional subsidy of \$60.00 for schools maintaining football. Principals of all K.H.S.A.A. member schools have been mailed reimbursement forms. Some of the companies with which Kentucky schools place their insurance business give the schools credit for the amounts due and bill the Association for these amounts. The reimbursement plan and the credit plan are both satisfactory.

Use of Registered Officials

A list of the registered football officials appears in this issue of the *ATHLETE*. Principals and coaches should study the current list to determine whether or not all officials with whom contracts have been signed have registered this fall. Supplementary lists of officials will appear in subsequent issues of the magazine. By-Law 22 provides that member schools shall use registered officials in all football and basketball games, and that failure to comply with this regulation makes the home school liable for suspension. If there is any question about registration, the official should be asked to present his card.

Basketball Clinics

The 1965-66 rules meetings for registered basketball officials and coaches will be conducted by veteran clinic director Charlie Vettner. The dates and sites of the meetings are as follows:

- September 26, Phoenix Hotel, Lexington, 1:30 P.M.
- September 26, Newport High School, 7:00 P.M.
- September 27, Morehead State College, 1:30 P.M.
- September 27, Paul Blazer High School, Ashland, 7:00 P.M.
- September 28, Pikeville High School, 1:30 P.M.
- September 28, Hazard High School, 7:00 P.M.
- September 29, Bell County High School, Pineville, 1:30 P.M.
- September 29, Somerset High School, 7:00 P.M.
- October 3, Beaver Dam High School, 1:30 P.M.
- October 3, Daviess County High School, Owensboro, 7:00 P.M.
- October 4, Paducah Tilghman High School, 1:30 P.M.
- October 4, Christian County High School, Hopkinsville, 7:00 P.M.
- October 5, W.K.S.C., Bowling Green, 1:30 P.M.
- October 5, Elizabethtown High School, 7:00 P.M.
- October 10, Kentucky Hotel Louisville, 7:00 P.M.

Attention, Officials!

The attention of all registered K.H.S.A.A. football and basketball officials is called to By-Law 29, Section 9, which provides that the official shall be supplied with an emblem which he shall wear on his shirt or sweater. This rule will be enforced strictly in 1965-66 as it has been in recent years. The emblem is to be worn on the left shoulder shirt sleeve, approximately one and one-half inches below the shoulder seam. The "approved" or "certified" bar should be worn below the emblem. Failure to wear the emblem will make an official liable for suspension from the Officials' Division of the Association.

Recommended uniforms are as follows:

Football—black and white striped shirt (long or short sleeves), black baseball cap with white piping, white knee pants, black belt, black stockings, black shoes and laces;

Basketball—black and white striped shirt (short sleeves, long sleeves by special permission), black trousers, black belt, black shoes and laces.

School for Basketball Officials

The Seventeenth Annual School for Basketball Officials was held at the Phoenix Hotel, Lexington, on August 8-9, 1965. Basketball Clinic Director Charlie Vettner directed the school.

The services of the area representatives who attended the school will be available to Association member schools throughout the basketball season. The

men will conduct additional clinics for officials, coaches, and players; and will assist beginning officials in registration.

K.H.S.A.A. area representatives who attended the school were: Jerry Kimmel, Beechmont; E. B. May, Jr., Prestonsburg; Roy Winchester, Bethlehem; Goebel Ritter, Whitesburg; Ernie Chatin, Ashland; Claude Ricketts, Valley Station; Jack Wise, Georgetown; Rex Alexander, Murray; Howard Gardner, Elizabethtown; Bob Miller, Fort Thomas; Harry Stephenson, Lexington; Bob Foster, Science Hill; Charlie Irwin, Hopkinsville; Turner Elrod, Bowling Green; Bill Nau, Barbourville; Roy Settle, Owensboro.

Minutes of Board Meeting

The Board of Control of the Kentucky High School Athletic Association met at Kenlake Hotel, Kentucky Lake State Park, on Saturday morning, July 31, 1965. The meeting was called to order by retiring President Oran C. Teater at 9:30, with Board members Morton Combs, Don Davis, Ralph C. Dorsey, Sherman Gish, Preston Holland, Don R. Rawlings, and Foster J. Sanders; Commissioner Theo. A. Sanford, and Assistant Commissioner J. B. Mansfield present. The invocation was given by Preston Holland.

President Teater stated that he appreciated the honor which members of the Board had conferred on him in naming him Board president for the 1964-65 school year, and that he also appreciated all of the cooperation which he had received during the year from members of the Board. The Commissioner, the Assistant Commissioner, and members of the Board all expressed their sentiments concerning the leadership which had been given the K.H.S.A.A. by Mr. Teater during the year just ended.

Don Davis moved, seconded by Morton Combs, that the reading of the minutes of the April 9th meeting be waived, since the members of the Board had received copies of these minutes. The motion was carried unanimously.

President Teater stated that the next order of business was the election of the president and vice-president of the Board of Control. Don R. Rawlings moved, seconded by Ralph C. Dorsey, that Foster J. Sanders and Preston Holland be elected president and vice-president of the Board of Control respectively by acclamation. The motion was carried, with Mr. Sanders and Mr. Holland not voting. Mr. Sanders accepted the Board presidency for 1965-66 with appropriate remarks.

The Commissioner made a report to the Board on the receipts and disbursements during the year 1964-65. Copies of the audit, recently prepared by Johnson and Lusk of Louisville, Certified Public Accountants, had been mailed to the members of the Board. Ralph C. Dorsey moved, seconded by Oran C. Teater, that the financial report of the Commissioner be accepted. The motion was carried unanimously.

The Commissioner presented rules and regulations governing meets and tournaments, which had been prepared by him and the Assistant Commissioner. Sports involved were Track (boys and girls), Baseball, Cross Country, Golf (boys and girls), Swimming (boys and girls), Tennis (boys and girls), Wrestling, Rifle, and Football. There was a lengthy discussion of the regulations, with certain changes and additions being made. The Commissioner recommended that the regulations as amended be adopted, along with the present regulations governing basketball tournaments of the Association. Oran C. Teater moved, seconded by Preston Holland, that the recommendations of the Commissioner concerning the adoption of tournament and meet regulations be accepted and adopted. The motion was carried unanimously.

(Continued on Page Nine)

RULES AND REGULATIONS

Governing Cross Country Meets

(Adopted by the Board of Control)

Regional Regulations

I. Dates and Sites

The dates and sites of the meets shall be determined by the Commissioner with the approval of the Board of Control. All meets will be held on or as near the dates indicated on the activities calendar as local conditions permit.

II. Assignment of Schools to Regions

The state shall be divided into regions by the Commissioner who will assign the schools to the regional sites.

III. Regional Manager

The Commissioner shall appoint a manager for each region. It is the duty of the manager to notify the regional schools of the time and place of the meet, to supply them with entry blanks, to invite their participation, and to make all arrangements for the meet.

IV. Contestants

A school may enter five, six or seven boys as a team.

V. Substitutes

Any contestant whose name is on the entry blank may be substituted for the original entry prior to the time of the event.

VI. Length of Course

The course will be approximately two miles in length.

VII. Champion

The team score shall be determined by totaling the places of the first five finishing contestants on each team.

VIII. Trophies and Awards

Trophies will be awarded the teams finishing first and second. The first five individuals to finish will receive awards.

IX. State Qualifying

Representation at the state meet shall be determined by the number of teams competing in each region. Also qualifying will be the first five individuals not on qualifying teams.

X. State Information and Entry Blanks

The coaches shall secure entry blanks from the regional manager before leaving the site of the meet.

State Regulations

I. Date and Site

The date and site of the meet shall be determined by the Commissioner with the approval of the Board of Control.

II. State Manager

The Commissioner shall appoint a manager for the state meet.

III. Contestants

Eligible to enter are individuals and teams of five, six or seven runners, who qualified in a regional meet.

IV. Substitutes

Any contestant whose name is on the state entry blank may be a member of the team. A contestant who qualifies as an individual may not have a substitute.

V. Length of Course

The course will be approximately two miles in length.

VI. Expense Allowance

The individual winner and members of the championship team in the regional meet will receive expense allowances. The coach will also receive an expense allowance.

VII. Trophies and Awards

Trophies will be awarded the teams finishing first and second. The first fifteen individuals to finish will receive awards.

RULES AND REGULATIONS

Governing the State Wrestling Tournament

(Adopted by the Board of Control)

I. Date and Site

The date and site of the tournament shall be determined by the Commissioner with the approval of the Board of Control.

II. State Manager

The Commissioner shall appoint a manager for the tournament.

III. Contestants

A school may enter a team composed of one contestant in each weight class.

IV. Pairings

The manager will make the pairings by seeding and/or drawing.

V. Weight Classification

Competition shall be divided into weight classes as follows: 95, 103, 112, 120, 127, 133, 138, 145, 154, 165, 180, Heavyweight.

VI. Rules

The Interscholastic Wrestling Rules as given in the "Official Collegiate-Scholastic Wrestling Guide" will be used.

VII. Expense Allowance

Each team and its coach will receive an expense allowance.

VIII. Trophies and Awards

Trophies will be given to the winning team and to the runner-up. Awards will be given to the outstanding wrestler and for first, second, and third places in each weight classification.

RULES AND REGULATIONS

Governing Swimming Meets (Boys & Girls)

(Adopted by the Board of Control)

State Regulations

I. Dates and Sites

The dates and sites of the meets shall be determined by the Commissioner with the approval of the Board of Control.

II. Assignment of Schools to Classes

The schools that have swimming teams shall be assigned to Class AAA or Class AA on the basis of enrollment in Grades 10-12.

III. State Manager

The Commissioner shall appoint a manager for each meet. It is the duty of the manager to notify all schools of the time and place of the meet, to supply them with entry blanks, to invite their participation, and to make all the arrangements for the meet.

IV. Contestants

A school may enter four contestants in each event except the relays. A school may enter only one relay team. A contestant may enter three events, no more than two of which may be individual events.

V. Substitutes

Any contestant whose name is on the eligibility list may be substituted on the team prior to the meet.

VI. Pairings

The manager will arrange the contestants into heats for the preliminaries.

VII. Events

All meets will have the following events: 200 Yard Medley Relay, 200 Yard Freestyle, 50 Yard Freestyle, 200 Yard Individual Medley, Fancy Diving, 100 Yard Butterfly, 100 Yard Freestyle, 100 Yard Backstroke,

(Continued on Page Nine)

The Flying Dutchman

Down Hodgenville way people will tell you that one of the greatest sportsmen to "come down the pike" in this century is the Dutchman's long-time friend, Irby Hummer. This chap is a promoter of every wholesome sport in the book. When Irby was coaching he was one of the best; when he was officiating he had few peers, and on the golf course Irby will shoot birds and eagles with the best of them. This chap is a legend in his own time with a homespun humor reminding one of the immortal Will Rogers.

Whenever Irby makes up his mind to go into action, he acts now. It might be winter but "Promoter" Hummer is thinking way ahead to summer. The snow was more than a foot deep outside the Dutchman's office when a long distance call came in from Irby a couple of years ago. Said Irby, "Dutchman, I've found some ground down here; come on down and help me plan a golf course. We haven't any money but let's get something going anyway. While you're down here we'll fatten you up on fried chicken"—That's my boy, Irby Hummer!

Because of the good Irby Hummer has done for youngsters, always striving to improve athletics and sports facilities for them, and because he ranks with such outstanding Kentuckians as Herb Ockerman of Florence and Mosco Blackburn of Hazard, Irby Hummer becomes the third Kentuckian to qualify during the past fifteen years for the plaque proclaiming him one of "Nature's Noblemen." Herb was first, Mosco was second and now it's Irby carrying off the third honor. Attention, Howard Gardner down in Elizabethtown! How about arranging a public occasion when the Dutchman can personally be on hand to present the "Nature's Nobleman" award to his old buddy?

Here's a story with a moral! Fifteen years ago a lean, eager kid started to caddy at a golf course, learned to love the game, worked to get his first set of clubs, and started to Louisville's St. Xavier to get his high school education. He captained his high school team and went on to Bellarmine College to captain the golf team there. In 1961 the lad won the Junior Falls Cities Championship. He won the Kentucky Intercollegiate Championship in 1962-63-64.

In describing the young lad's early habits his Dad said that he might not have been too careful where he dropped his clothes or how hard he scrubbed behind his ears, but he was always so very meticulous about caring for his golf clubs. The boy took care of his athletic equipment . . . That made an impression when he applied for a top golf professional job this spring.

While being interviewed, his quiet, friendly personality worked in his favor but what really "wrapped up the Pro's job" for him was his reputation for self-control and the fine personal example he sets for kids. Let your young athletes read this story of a young man who knew where he wanted to go and then lived the kind of life which laid the road wide open for him . . . Then let them drop by the brand new Bobby Nichols Golf Course in beautiful Waverly Park in Jefferson County to meet David Baron, the youthful golf pro, an exponent of clean sports who got the job because he prepared himself and was ready when opportunity knocked.

At the School for Basketball Officials which the K. H. S. A. sponsors in Lexington each August there were a lot of golfers by their own admission. Next year the fellows plan a tournament between Rex Alexander, Roy Settle, Turner Elrod, Jack Wise, Harry Stephenson, Bill Nau and Goebel Ritter to decide a

Irby Hummer

David Baron

School Champion. Here's a tip to these duffers and other golfers —If your golfing score is over 100, worry about your golf; if it's under 70, worry about your job.

Here are some short news items! Send Oakley Brown a get-well card addressed Yosemite, Kentucky. The former Hopkinsville, E'town and St. Xavier coach is on an indefinite sick leave. Charlie Irwin, Jerry Kimmel and Bob Foster will officiate basketball in college conferences this season, and Harry Stephenson will work pro football games this fall. Harold Craig is Valley's new backfield coach assisting Coach Dallas Arnold, and Ernie Chattin is about to become a grandfather again.

If you are in Indianapolis on September 25, drop in on the Dutchman's basketball clinic he is conducting at the Sheraton-Lincoln Hotel for Colonel Phil Eskew and Colonel Herman Keller, Commissioner and Assistant Commissioner of the Indiana High School Athletic Association. The Kentucky clinics begin the following day at Lexington in the Phoenix Hotel. A telephone call just came in from Colonel Paul Landis and Colonel Harold Meyer who occupy the same positions in Ohio as Phil and Herman in Indiana. Paul and Harold want the Dutchman to conduct the Ohio Clinic at Green Meadows Inn outside Columbus on November 14 for the third consecutive year. Football is just getting a good start but already basketball is peeping around the corner.

Edgar McNabb has earned an enviable reputation in the field of football rules interpretation. If tall, easy-going and likeable "Mac" could hear all of the compliments which have come to this columnist regarding his football clinic work, he would realize just how great his contribution is to Kentucky's young athletes, coaches and officials. When you put fellows like Edgar McNabb, Bob Miller and Stan Arntzen on a job, they get it done. These are three of the reasons why things are never dull in northern Kentucky.

Elroy Cartwright of Shively gets the Corn Cob Pipe of Honor for the month of September. Elroy, who formerly coached in Ohio County, is now at Butler High School. It was due to Elroy Cartwright's devotion to unselfish service to young and old alike which caused a model 50 acre park to be developed on River Road in Jefferson County. Elroy developed a lawn bowling rink here which will be opened next summer. In these parts Elroy is known as the "Lovable Red-head."

Drop around Carrie Gaulbert Cox Park sometime and offer to help the "carrot topped Park Expert," and you'll hear him say, "I can get this job done today but if you insist on helping me it's gonna take a week."

Registered Football Officials of the K.H.S.A.A. — 1965

If the telephone number is given for an official listed, it is the home phone number unless otherwise designated. If two numbers are given, the first number is that of the home phone.

FOOTBALL CHAMPIONS

(Continued from Inside Front Cover)

6. For each victory of a second division team over a second division team the winner gets 20 points and the loser gets 10 points.

7. For each tie between second division teams each team gets 15 points.

8. For each tie between a first division team and a second division team the first division team gets 15 points and the second division team gets 20 points.

Section II

1. No team shall be penalized for a victory in an extra game. To avoid this, the extra game shall be omitted from calculation.

2. If two second division teams have won the same number of victories over first or second division teams, but have lost a different number of games to first division teams, the extra defeats shall be omitted from the calculations.

Section III

1. An undefeated team shall always be ranked above every team it has defeated, even though the average number of "points" in the season's ratings may indicate otherwise.

2. A team with a percentage of .500 is in the second division. It will be considered to be in the first division if one third of its games have been with first division teams and have resulted in at least one tie and one victory.

3. If, in a game having a bearing on the championship, a first division team should profit by tying another team in the first division, when defeating it would lower the defeated team into the second division, the place of the teams in their division shall be determined without considering the games.

4. A team undefeated in its district, which has played at least three games with teams in its district, shall rank above all teams in its district which it has defeated.

Section IV

1. If the foregoing directions have been accurately followed, the final standing may be determined by getting the average number of points.

2. If two teams have the same average points for the entire season, the victor in the game played between them during the regular season shall be ranked above the loser.

3. If three teams have the same number of "points" for the entire season, and two of them have played each other, the loser in this game shall be ranked third and the other two tied for the highest rank.

(Do not attempt to apply this system until all of the games of the season have been played.)

MINUTES OF BOARD MEETING

(Continued from Page Two)

The Commissioner reported the results of a referendum which had been sent on May 17, 1965, to members of the Board of Control concerning certain additional changes in 1965-66 basketball redistricting, suggested by Messrs. Teater, Sanders, Rawlings, and Combs. The recommendations had been as follows:

D. 59—Dorton, Hellier, Mullins, Pikeville, Virgie;
D. 60—Belfry, Elkhorn City, Feds Creek, Johns Creek, Phelps;

Move Oldham County from D. 30 to D. 31;

Move Owen County from D. 31 to D. 32;

Move Rockcastle County from D. 48 to D. 49.

The Commissioner reported that the vote of Board

members was a unanimous one in favor of the changes recommended.

The Commissioner presented a suggested K.H.S.A.A. budget for the 1965-66 school year, with estimated receipts of \$168,600.00 and estimated disbursements of \$166,900.00. After a study of various items of the proposed new budget, Preston Holland moved, seconded by Sherman Gish, that the 1965-66 K.H.S.A.A. budget presented by the Commissioner be adopted. The motion was carried unanimously.

Sherman Gish and other members of the Board gave a report on the recent National Federation Meeting, held at Williamsburg, Virginia.

Don Davis moved, seconded by Ralph C. Dorsey, that the fall meeting of the Board of Control be held in Lexington on October 9. The motion was carried unanimously.

The Commissioner reported that several K.H.S.A.A. member schools not maintaining boys' basketball teams should have basketball district assignments, for the purpose of being listed in the January issue of the ATHLETE. He recommended the following district assignments: D. 21—Loretto; D. 23—Holy Rosary Academy; D. 25—Academy of Our Lady of Mercy, Kentucky School for the Blind, Presentation Academy, Ursuline Academy; D. 26—Angela Merici, K. M. I., Sacred Heart Academy, The Kentucky Home School for Girls; D. 27—Louisville Collegiate School; D. 34—Villa Madonna Academy. Mr. Combs moved, seconded by Don Davis, that the schools involved be assigned to the districts recommended by the Commissioner. The motion was carried unanimously.

The Commissioner stated that, in his opinion, the time had come for the K.H.S.A.A. to begin registering baseball umpires. A requirement that only registered umpires be used by Association member schools in 1966 should not be made, but it was the Commissioner's opinion that the Board should present a proposal to the next Delegate Assembly, calling for such a requirement in the school year 1966-67. Morton Combs moved, seconded by Ralph C. Dorsey, that the Commissioner be directed to set up clinics and begin registering baseball umpires during the second semester of the current school year. The motion was carried unanimously.

Sherman Gish moved, seconded by Ralph C. Dorsey, that all bills of the Association for the period beginning April 9, 1965, and ending June 30, 1965, be allowed. The motion was carried unanimously.

There being no further business, the meeting adjourned.

SWIMMING REGULATIONS

(Continued from Page Three)

400 Yard Freestyle, 100 Yard Breaststroke, 200 Yard Freestyle Relay.

VIII. Scoring

Contestants finishing in the first six places shall be awarded points as follows: 7, 5, 4, 3, 2, 1. The points for relays are: 14, 10, 8, 6, 4, 2.

IX. Champion

The champion will be the team with the greatest number of points.

X. Expense Allowances

A contestant who qualifies for the finals will be given an expense allowance. The coach will also receive an expense allowance.

XI. Trophies and Awards

Trophies will be given to the winning team and to the runner-up. Awards will be given to the first three finishing in each event.

RULES AND REGULATIONS

Governing Track Meets (Boys & Girls)

(Adopted by the Board of Control)

Regional Regulations

I. Dates and Sites

The dates and sites of the meets shall be determined by the Commissioner with the approval of the Board of Control. All meets will be held on or as near the dates indicated on the activities calendar as local conditions permit.

II. Assignment of Schools to Regions

The state shall be divided into track classes and regions by the Commissioner who will assign the schools to the regional sites.

III. Regional Manager

The Commissioner shall appoint a manager for each region. It is the duty of the manager to notify the regional schools of the time and place of the meet, to supply them with entry blanks, to invite their participation, and to make all arrangements for the meet.

IV. Contestants

A school may enter one or two contestants in each event and one team in each relay race. Five participants may be named to a relay team, any four of whom may be used in a heat or in the finals.

V. Substitutes

Any contestant whose name is on the eligibility list may be substituted for the original entry prior to the time of the event involved.

VI. Events

Only the following events shall constitute regional meets: (Boys) 120 yd. Hurdles, 100 yd. Dash, One-Mile Run, Half-Mile Relay, 440 yd. Dash, 180 yd. Hurdles, Two-Mile Run, 880 yd. Run, 220 yd. Dash, Mile Relay, Shot, Pole Vault, Discus (rubber or rubber-covered, junior size), High Jump, Broad Jump, (Girls) 50 yd. Hurdles 660 yd. Run, 50 yd. Dash, 440 yd. Run, 75 yd. Dash, 100 yd. Dash, 220 yd. Dash, 440 yd. Relay, 880 Medley Relay, Softball Throw, Standing Broad Jump, High Jump, Shot, Long Jump, Discus.

VII. Rules

National Alliance Track and Field rules shall govern in boys' competition and DGWS rules shall govern in girls' competition unless there are exceptions stated in these regulations.

VIII. Number of Events Contestant May Enter

In any meet (boys) a contestant may compete in not more than four events. A contestant who participates in the 880, one mile run or two mile run shall not be allowed to participate in any other track event in which he runs 880 or more yards. In any meet (girls) a contestant may compete in not more than three events.

IX. Scoring

Four places shall count in the scoring in each event with values of 5-3-2-1.

X. State Qualifying

The winner in each event qualifies for the State Track Meet.

XI. State Information and Entry Blanks

State information and entry blanks shall be secured from the regional manager. The completed form shall be given to the regional manager at the close of the meet.

XII. Faculty Sponsor

Each school having participants in the meet shall send a faculty sponsor.

XIII. Medals and Trophies

Medals shall be awarded for the first four places in each event. Trophies shall be awarded the winning and runner-up teams.

State Regulations

I. Dates and Sites

The dates and sites of the meets shall be determined by the Commissioner with the approval of the Board of Control.

II. State Manager

The Commissioner shall appoint a manager for each of the meets.

III. Contestants

In each event the contestants are relay teams and individuals who have finished first in a regional meet. A contestant must finish in the event or events in which he or she qualified or be disqualified from the relays.

IV. Substitutes

The relay team need not be composed of the same contestants as those in the regional meet. Five participants may be named to a relay team, any four of whom may be used in a heat or in the finals.

V. Events

The events in the state meet shall be the same as those listed in the regional regulations.

VI. Rules

National Alliance Track and Field rules shall govern in boys' competition and DGWS rules shall govern in girls' competition unless there are exceptions stated in these regulations.

VII. Number of Events Contestant May Enter

The number of events which a contestant may enter shall be the same as that given in the regional regulations.

VIII. Scoring

Five places shall count in the scoring in each event with values of 5-4-3-2-1.

IX. Expense Allowance

A contestant who finishes first in a regional event will receive an allowance for expenses. The coach will also receive an expense allowance.

X. Faculty Sponsor

Each school having participants in the meet shall send a faculty sponsor.

XI. Trophies and Awards

Trophies will be awarded to the winning team and the runner-up. Individual awards shall be given for the first five places in each event.

RULES AND REGULATIONS

Governing the State Rifle Tournament

(Adopted by the Board of Control)

I. Date and Site

The date and site of the tournament shall be determined by the Commissioner with the approval of the Board of Control.

II. State Manager

The Commissioner shall appoint a manager for the tournament.

III. Contestants

A school may enter a team of five firing members.

IV. Substitutes

Any player whose name is on the eligibility list may substitute on the team prior to the match.

V. Course of Fire

Ten shots for record will be fired from each position: prone, kneeling and standing.

VI. Firing Time and Squadding

Firing time and squadding will be determined by the manager.

VII. Scoring

Scoring will be done by the statistical section.

VIII. Expense Allowance

Each team and its coach will receive an expense allowance.

IX. Trophies and Awards

School trophies will be given to the winning team and the runner-up. An award will be given to the individual with the highest score.

RULES AND REGULATIONS

Governing Golf Tournaments (Boys & Girls)

(Adopted by the Board of Control)

Regional Regulations

I. Dates and Sites

The dates and sites of the tournaments shall be determined by the Commissioner with the approval of the Board of Control. All events will be held on or as near the dates indicated on the activities calendar as local conditions permit.

II. Assignment of Schools to Regions

The state shall be divided into golf regions by the Commissioner who will assign the schools to the tournament sites.

III. Regional Manager

The Commissioner shall appoint a manager for each of the regions. It is the duty of the manager to notify the regional schools of the time and place of the tournament, to supply them with entry blanks, to invite their participation, and to make all arrangements for the tournament.

IV. Contestants

A school may enter four players as a team, or more than three players as individuals. A school may not enter any players in addition to a team.

V. Substitutes

Any player whose name is on the eligibility list may be substituted on the team prior to time of play.

VI. Pairings

The tournament manager will arrange the players in threesomes, based on their average scores, with no two contestants from one school in the same group.

VII. Rules

The club pro and tournament manager shall determine whether summer or winter rules will be followed. During play no contestant shall receive instructions from a coach or any other person. In a boys tournament, each player shall carry his clubs or use a cart.

VIII. Style of Play

Medal play for 18 holes is the style of play.

IX. Champions

Tournament champions are the four-man team with the lowest aggregate score for 18 holes, and the individual with the lowest score.

X. State Qualifying

The winning and runner-up teams qualify for the first round of the State Tournament. Also qualifying will be the 5 players, not on the winning and runner-up teams, with the lowest scores.

XI. State Information Entry Blanks

The coaches shall secure entry blanks from the regional manager before leaving the site of the tournament.

XII. Faculty Sponsor

Each school having participants in the tournament shall send a faculty sponsor.

XIII. Trophies and Awards

School trophies will be given to the individual and team winners and runners-up. Awards will be given to the individual winner and runner-up, and to the members of the winning and runner-up teams.

State Regulations

I. Dates and Sites

The dates and sites of the tournaments shall be determined by the Commissioner with the approval of the Board of Control.

II. State Manager

The Commissioner shall appoint a manager for each of the tournaments.

III. Contestants

Eligible to enter the first round are teams and individuals, who qualified in regional tournaments. Eligible to enter the second round (boys) are the ten teams, and ten individuals regardless of their teams' scores, with the lowest scores after the first round. Eligible to enter the second round (girls) are all contestants who complete the first round.

IV. Substitutes

Any player whose name is on the eligibility list may be substituted on the team prior to time of play.

V. Pairings

The tournament manager, for the first round, will arrange the players in groups, based on their regional scores, with no two contestants from one school in the same group. Second round pairings will be made at the close of the first 18 holes.

VI. Rules

The club pro and tournament manager will determine whether summer or winter rules will be followed. During play no contestant shall receive instructions from a coach or any other person. In a boys' tournament, each player shall carry his clubs or use a cart.

VII. Style of Play

Medal play, 36 holes, 18 of which are to be played each day, is the style of play.

VIII. Champion

Tournament champions are the four-player team with the lowest aggregate score for 36 holes, and the individual with the lowest score.

IX. Expense Allowance

The individual winner and members of the championship team in the regional tournament will receive expense allowances. The coach will also receive an expense allowance.

X. Faculty Sponsor

Each school having participants in the tournament shall send a faculty sponsor.

XI. Trophies and Awards

School trophies will be given to the individual and team winners and runners-up. Awards will be given to the individual winner and runner-up, and to the members of the winning and runner-up teams.

1965 FOOTBALL CASE BOOK CORRECTIONS

Play 21—The last line of the ruling should read as follows: "In (b), it is A's ball on B's 30, 1st and 10."

Play 24—The last line of the ruling should read as follows: "B is then penalized half the distance to its goal, B's ball, 1st and 10 on its 17½."

Play 25—The last line of the first paragraph of the comment should read: "If A then fouls after the ball is dead....."

FOOTBALL DISTRICT CHANGES

To be added to the list of football schools printed in the August issue of the *ATHLETE* are the following: Berea—A, Region II, District 2; Meade County—AA, Region II, District 1; Simon Kenton—AA, Region III, District 1; Whitley County—AA, Region IV, District 1.

FILMS

The films listed below are in the Film Library of the University of Kentucky College of Education. The Code letters "e,j,s,c,a," refer to elementary, junior high, senior high, college and adult audiences who may enjoy the particular film listed. The rental prices shown do not apply to schools which use one of the special subscription service plans, offered by the Bureau of Audio-Visual Material.

Football

BALL HANDLING IN FOOTBALL, j-s-c-a, 1 reel, \$1.50.

Fundamentals of ball handling are stressed; stance grip, "feel" of the ball, finger-tip control adjustment before throwing or kicking, receiving passes from center or from a back, catching passes and punts, ways of carrying ball, and changing from one hand to another. Game shots are presented, using slow motion and stop action techniques, and superimposed animation to illustrate principles.

BLOCKING IN FOOTBALL, j-s-c-a, 1 reel, \$1.50.

Fundamentals of good blocking are taught in this film: position, speed, drive, follow-through, timing, and body control. Describes shoulder and body blocks, demonstrating several varieties of these. Importance of good physical condition, practice, and experience are emphasized. Special photography used to illustrate different points.

FOOTBALL FOR MILLIONS, j-s-c-a, 3 reels, color, \$1.00

In the film an extrovert "Old Grad" chooses Football Rules as quiz show category. His experience with official interpretations proves interesting, humorous and embarrassing. At the end, he realizes his knowledge is very meager on such things as — officials and their duties — what constitutes pass interference — rights on muffed punt — etc., and his wife had to take over for him.

OFFICIAL FOOTBALL, j-s-c-a, 3 reels, \$1.00

This film portrays the play situations covering the basic rules of football as played under the National Alliance Code. The theme is centered around the official interpretations of the rules as they apply to the three teams always present on the field, the home team, the visiting team and that all important third team, the officials.

TACKLING IN FOOTBALL, j-s-c-a, 1 reel, \$1.50

Tackling properly is shown as the result of application of certain fundamentals: good physical condition, speed, body placement, drive, sure grip, timing, and body control. Shoulder and cross body tackles are demonstrated in various ways, with special instructions for safety and means of a reducing shock.

THIS IS FOOTBALL, c-j-s-c-a, 4 reels color, \$1.00

Centered around the four S's — Science, speed, skill, and safety. Demonstrations cover basic rules that will aid the official, coach, players, and fan. Play situations are used to establish standards.

AS WE BEGIN OUR THIRTEENTH YEAR OF
PROVIDING STUDENT AND ATHLETIC IN-
SURANCE COVERAGE AND SERVICE TO
KENTUCKY SCHOOLS, WE WANT TO EX-
PRESS OUR THANKS TO YOU, OUR VALUED
CUSTOMERS, AND WISH YOU A SUCCESS-
FUL SCHOOL YEAR. WE APPRECIATE
YOUR CONFIDENCE AND THE FINE JOB
YOU ARE DOING FOR THE CHILDREN OF
OUR STATE.

THE KENTUCKY

High School Athlete

The Sportsman's Creed

The Player...

1. He lives clean and plays hard. He plays for the love of the game.
2. He wins without boasting, he loses without excuses and he never quits.
3. He respects officials and accepts their decisions without question.
4. He never forgets that he represents his school.

The Coach...

1. He inspires in his boys a love for the game and the desire to win.
2. He teaches them that it is better to lose fairly than to win unfairly.
3. He leads players and spectators to respect officials by setting them a good example.
4. He is the type man he wants his boys to be.

The Official...

1. He knows the rules.
 2. He is fair and firm in all decisions. He calls them as he sees them.
 3. He treats players and coaches courteously and demands the same treatment for himself.
 4. He knows the game is for the boys, and lets them have the spotlight.
- 

The Spectator...

1. He never boos a player or official.
 2. He appreciates a good play, no matter who makes it.
 3. He knows the school gets the blame or the praise for his conduct.
 4. He recognizes the need for more sportsmen and fewer "sports."

Early Season Football Questions

EDITOR'S NOTE: These interpretations of the 1965 National Alliance Football rules do not set aside nor modify any rule. They are made and published by the National Federation of State High School Athletic Associations in response to situations presented.

1. Play: 3rd and 10 on the 50. A1 advances to B's 18 where the ball becomes dead. B3 piles on.

Ruling: A's ball, 1st and 10 on the 9 yardline. As soon as the ball became dead, free of a live ball foul on B's 18, a new series has been indicated. Hence it was A's ball, 1st and 10. The piling on was a dead ball foul carrying a 15-yard penalty, which in this case, is one-half the distance to the goal, or 9 yards. Therefore, after the penalty was measured, it is A's ball, 1st down and 1 on the 9 yardline. (10-4-1; 10-5-1)

2. Play: 4th and 4 on K's 35. K's punt is caught by R1 on R's 25. R1 advances to K's 40 where he is tackled. During the advance of R1, a substitute (RS12) leaves the team bench of R and goes onto the field of play where he holds K2, a potential tackler, on: (a) the 50 yardline; or (b) K's 30.

Ruling: Unsportsmanlike conduct. 15 yard penalty. R's ball, 1st and 10 on its 45 yardline. (2-27-6; 10-3-3)

Comment: The foul by RS12 (member of R's squad) is a non-player foul which occurred during a running play. As provided by 2-27-6, "the spot of the foul is considered to be the previous spot", i.e., K's 35. Because R was in possession of the ball at the time of the foul, it is a foul by the offense. The basic enforcement spot is K's 40 yardline (where the running play ended) and the penalty will be measured from there, placing the ball on R's 45 yardline for the beginning of the new series. In some situations, plays with factors similar to the above case, may properly be interpreted to be an unfair act. If the referee would so judge the situation, he would "enforce any penalty he considers equitable . . ." as provided by the penalty for 9-7-1.

3. Play: A legal forward pass by A1 from the 50 is intercepted by B1 on B's 20 yardline. B1 advances to A's 40 yardline. During the advance, B2 clips on B's 40 yardline. After the ball is dead, A2 commits a personal foul.

Ruling: Penalty for clip by B2 is automatically accepted, making the succeeding spot B's 25 yardline. The penalty for the dead ball foul by A2 is enforced from the succeeding spot, thereby placing the ball on B's 40 yardline where it will be 1st and 10 for B. (10-1-2-c)

Comment: In this situation, penalties result in offsetting 15 yard distances, with the ball being put in play at the ball being put in play at the spot of the enforcement for the live ball foul. When the distance is offset, the referee, after giving the signal to stop the clock and following it with the dead ball signal, will spot the ball and face the goal of the team which committed the first (live ball) foul. He will then give the appropriate foul signal and point to the goal of the offending team. He should then face the goal of the team which committed the dead ball foul, give the appropriate foul signal and point to the offending

team's goal. After properly giving the signal for each foul, the referee should indicate the dead ball signal and declare the ball ready-for-play. In those situations in which the dead ball foul is by the team which is in possession, the stakes should be "re" before the penalty for the dead ball foul is administered.

4. Play: B1 is offside. B2 intercepts a pass and B3 clips during the runback. A1 piles on after the ball has become dead.

Ruling: Double foul. The offside by B, which is prior to the change of possession, does not permit the situation to qualify for automatic acceptance or declination. When there is a double foul involved, the replay is mandatory as provided in 10-2-1. Captains are not consulted in the case of a double foul. (10-2-1-a)

5. Play: R1 catches a scrimmage-kick on his 20 and advances to the 50. During the run by R1, K2 holds on R's 40. R2 piles on after the ball is dead.

Ruling: Penalty for foul by K2 is automatically accepted and places the ball on K's 35 yardline. Line-to-gain is thereby determined. Penalty for the dead ball foul by R2 is then administered, placing the ball back on the 50. Therefore, it will be R's ball, 1st and 25. (10-2-c)

6. Play: B1 intercepts a legal forward pass in his end zone. He runs parallel to the goal line, after which he is tackled with the ball becoming dead in B's end zone. During the run B2 clips: (a) in the end zone; or (b) on B's 6 yardline. After the ball is dead A2 commits a personal foul.

Ruling: In both (a) and (b) the penalty for clipping is automatically accepted and results in a safety in either case. The penalty for the dead ball foul by A is administered on the succeeding kick-off. B will free-kick from his 35 yardline. (10-1-2-c; 10-5-2)

7. Play: B1 intercepts a legal forward pass in his end zone and advances the ball to B's 25. During the run, B2 clips: (a) in his end zone; or (b) on his 6 yardline. After the ball is dead, A2 commits a personal foul.

Ruling: In (a), the penalty for the clipping by B2 is automatically accepted and results in a safety. The penalty for the foul by A is enforced on the free-kick with B kicking from his 35. In (b), the penalty for the clipping is automatically accepted and, because of the one-half the distance to the goal provision, it placed the ball on B's 3 yardline. A's foul is then measured, placing the ball on B's 18. It will be B's ball, 1st and 10. (10-1-2-c)

Comment: When the penalty enforcement results in other than offsetting distances because of the half the distance to the goal provision for one penalty and a 15-yard measurement for the other, both distances should be measured to avoid confusion. For the live ball foul, the referee will proceed by signaling the clock to stop and then giving the signal for the dead ball. From the spot of enforcement of the live ball foul, the referee will measure the distance of the penalty, give the appropriate foul signal and point to the goal of the offending team. From there (the suc-

Employment Bureaus

Sixteen employment bureaus for officials have been established. Each registered official should file at once with his nearest bureau head his schedule of games and list of dates on which the official will be available to call games. The names of the bureau heads, with the residence and business phone numbers (residence numbers given first), are as follows:

Rex Alexander, 1320 Wells Blvd., Murray, 763-3579, 762-3585
Charlie Irwin, Route 1, Hopkinsville, TU 6-4820, TU 6-4820
Roy Settle, 1618 Sioux Place, Owensboro, MU 3-2136, MU 3-3551
Jerry Kimmel, Beechmont, GR 6-2656
Turner Elrod, 332 Sunpter, Bowling Green, VI 2-5110, VI 2-0431
Howard Gardner, 829 McCollum, Elizabethtown, 765-6273
Claude O. Ricketts, 10005 Third Street Road, Valley Station, 937-8610, 634-1551
Roy Winchester, Bethlehem, 878-4102, New Castle 346-8421
Bob Miller, 197 Holiday Lane, Ft. Thomas, 441-5885, 694-6535
Jack Wise, 208 Pocahontas, Georgetown, 2052, 120 Harry Stephenson, 1612 Hawthorne, Lexington, 299-1757, 255-2960
Bob Foster, Science Hill, 423-8683, 678-8161
William E. Nau, Box 209, Barbourville, 6-4112, 6-3057
Goebel Ritter, 137 Main Street, Whitesburg, 632-7164, 633-2339
E. B. May, Jr., Box 185, Prestonsburg, 886-3414, 886-8661
Ernie Chattin, Y.M.C.A., Ashland, 324-2665, 324-6191

Attention, Officials!

The 1965 Delegate Assembly of the K.H.S.A.A. amended By-Law 29-4-c by providing that a certified official, to continue to receive this rating each year, shall have worked in at least six first team high school football games and/or twelve first team high school basketball games during the previous year. Since this amendment was adopted after the 1964-65 seasons in the two sports involved had ended, officials working fewer than the number of first team high school games required did not have the opportunity to comply with the new rule. This being true, the new rule is an "ex post facto" rule. The requirement concerning the minimum number of first team high school games worked are therefore not to be put into effect until the 1966-67 school year. Officials currently receiving the certified rating should keep the amended rule in mind if they wish to qualify for the rating next year without having to take an additional examination.

 Nevil, Vernon E., 7748-C 70th Tank Bn. Rd., Ft. Knox, 4-5604

The announcement has just been made that the Fern Creek High School was the winner of the M. J. Cavana Swimming Award for the school year 1964-65. Fern Creek's point score was 48. Covington Catholic was in second place with 45, and Villa Madonna was third with 43.4.

The Cavana Award is given annually to the school the student body members of which show the greatest proficiency in swimming. The point scoring is based on the number of pupils who can swim 45 feet in deep water, the number who can swim correctly any three of five listed strokes, and the number of pupils who hold life saving certificates. Percentages of the student bodies which can perform in these categories are involved in the point system.

The presentation of the award was made earlier this month by K.H.S.A.A. President Foster J. Sanders during a Fern Creek assembly program.

Orem, Dale Linton, 38 Arctic Springs, Jeffersonville, Ind., BU 3-3225, 582-1161

The Flying Dutchman

It is September of 1965 and a crew of painters from one of the largest decoration companies in the South is being directed by a handsome fellow who uses crutches to help him move around. This physically-handicapped supervisor of Kirchdorfer and Howell, Inc., had to compete to win this paint contract, and he continually competes with leg paralysis, caused by polio at the age of three—but Bobby Kirchdorfer keeps right on fighting and winning.

The month is September, the year is 1949, and a group of youngsters have gathered at Mill Creek School for a track meet which, strangely enough, is to be the start of the Game Guy Program of the K. H. S. A. A. A kid on crutches, paralyzed from the waist down, insists on running in a wheelbarrow race. The other boys called him Bobby. He ran, he won and he showed other physically handicapped youngsters that sports are for them also. 1949 is a flashback to Bob Kirchdorfer, the youngster; 1965 shows you successful Bob Kirchdorfer, the man.

For Christian service in the K. H. S. A. A. sports program work with that kid who wants to fight a handicap and put him in the "Parade of Game Guys" where young men and women learn to compete without asking favors in sports and go on to compete successfully in the "Game of Life." Write the Dutchman, Box 36, Jeffersonton, telling him about your Game Guy—Here's the way it is done:

As soon as you send the story of the physically handicapped boy or girl you are working with to the Dutchman, that youngster is immediately a winner and he is sent a Lionheart Trophy to indicate his courage to all who see it. Lionhearted kids become nominees for the Game Guy Award of the year. In April when the coaches, principals and sports officials gather for the annual K. H. S. A. A. banquet in Louisville the Game Guy of the Year is always the guest of honor.

The "Parade of Game Guys" is unending and the inspiration they provide all of us is amazing. One educator made this comment, "I used to complain about the handicaps life put in my way until these physically handicapped Game Guys taught me to keep my mouth shut."

Let's take a look at the Game Guy's test — THE TEST OF A MAN IS THE FIGHT HE MAKES; THE GRIT THAT HE DAILY SHOWS; THE WAY HE STANDS ON HIS FEET AND TAKES FATE'S NUMEROUS BUMPS AND BLOWS. A COWARD CAN SMILE WHEN THERE IS NAUGHT TO FEAR, WHEN NOTHING HIS PROGRESS BARS; BUT IT TAKES A MAN TO STAND UP AND CHEER WHEN SOME OTHER FELLOW STARS.

IT'S THE KNOCKS THAT YOU TAKE AND THE JOLTS YOU GET, THE SHOCK THAT YOUR COURAGE STANDS, THE HOUR OF SORROW AND REGRET, THE PRIZE THAT ESCAPED YOUR HANDS —THESE TEST YOUR METTLE AND PROVE YOUR WORTH. IT ISN'T THE BLOW THAT YOU DEAL, BUT THE BLOWS YOU TAKE ON THIS GOOD OLD EARTH, THAT SHOW IF YOUR STUFF IS REAL.

From Bowling Green comes word from Paul Walker that the park city is contemplating building a two-hundred acre park with an eighteen hole golf course. Here's a tip for Bowling Green and other Kentucky cities and counties. If you want to buy ground for a park, the Federal Government will pay 50 per cent of the cost; if you want to build a golf course,

BOB KIRCHDORFER

swimming pool or other sports facility in a park you are going to build or already have, you can get 50 per cent of that cost from Washington. If you are interested, write to Arthur A. Davis, Deputy Assistant Commissioner for Open Space Land, Housing and Home Finance Agency, Washington, D. C., and get money from this \$310,000,000 grant for your Kentucky community. Tell Arthur that The Flying Dutchman told you to contact him. Arthur has one of those Corn Cob Pipe of Honor Awards which go to people doing things unselfishly for others.

It's Lexington's John Gettler who is the Corn Cob Pipe winner for the month of September. Popular Johnnie has given so much of his time and effort to the boys and girls on the playgrounds of the bluegrass city that a swarm of Kentuckians wrote the Dutchman saying, "Make a pipe smoker out of Johnnie." One of the nation's outstanding young men in the field of parks and recreation, John is also a fine sports official.

Incidentally, Conrad Ott, who used to direct the Youth Ambassador of Friendship flights to foreign countries for the Dutchman, is now Superintendent of Schools in Lexington. There's no educator better than Conrad and so Lexington scores again.

The Dutchman completes his twenty-fourth consecutive series of basketball clinics for the K. H. S. A. A. in October. Each year is more convincing that these Kentucky coaches and sports officials are "men among men."

At Ashland, Ernie Chattin charcoaled a two-inch steak in his back yard and Helen had one of her widely acclaimed apple pies ready; Bill Clark did what he does annually, namely catering a stag steak banquet for his coaching staff featuring your columnist as the main eater; at Hazard there was another dinner waiting on top of the mountain at La Citadelle, with the famous Willie Dawahare as host; and Jerry Kimmel had country ham waiting at Beaver Dam. A guy could take on poundage doing K. H. S. A. A. clinic work.

All of us connected with the K. H. S. A. A. program are interested in boys — so here are some closing thoughts famous men have had about boys:

Arnold H. Glasgow: Impatience and not inexperience is the greatest handicap of youth.

Cicero: "If the younger generation doesn't know where it is going, it must be following in its father's footsteps."

Registered Basketball Officials of the K.H.S.A.A.—1965-66

(List Compiled October 1)

KAPOS NEWS

IMPORTANT NOTICE!

PRINCIPALS and COACHES please notify your cheerleader sponsor and cheerleading squad of the one day cheerleader clinic to be held at Bowling Green High School on Saturday, October 16, 1965. You will receive or may have already received a detailed brochure telling of this clinic.

This is the FIRST "Teaching-Learning" Clinic to be held by K.A.P.O.S. in the western part of the state. For many years the clinics have been held in the central part of the state, and since this has worked a transportation hardship on those squads living beyond the 100 mile radius of Lexington, the K.A.P.O.S. board members voted to move the 1965 clinic to Bowling Green Kentucky.

NEED GOOD ATTENDANCE!

The founders of K.A.P.O.S. have every reason to be proud of their accomplishments these past eleven years. Some of which are:

Providing professional guidance to interested administrators and sponsors in setting up acceptable standards and well planned cheerleader programs,

Lending dignity and importance to cheerleaders through the awarding of trophies to outstanding groups at the state basketball tournament,

Sharing ideas and information through the media of a Newsletter,

Encouraging good sportsmanship by having the Governor of Kentucky proclaim Sportsmanship Week,

Awarding a \$500 Educational Scholarship to a deserving and needy cheerleader.

The above projects have to be financed. By sending your cheerleader squad to this important Teacher-Learning Clinic you will be contributing to the continuance of the above worthwhile projects.

COST of the CLINIC . . . \$2.00; Sponsors accompanying cheerleaders will be admitted free.

DATE of the CLINIC . . . Saturday, October 16, 1965; Gymnasium—Bowling Green High School.

LEADER: Mr. Tommy Taylor . . . Former University of Texas cheerleader. He has trained over 2500 cheerleaders.

PRINCIPALS!

We urge you to back your sponsor. They serve your school in such needed capacities as chaperones, guides, disciplinarians, counselors, program sellers, etc. The \$2.00 dues which your school pays to belong to KAPOs come back to you many fold. URGE your sponsor to attend the clinic and finance and support her/him.

Make check payable to K.A.P.O.S. and send your 1965-66 \$2.00 dues to: Mrs. Stella S. Kilby, College of Education, U. of Ky., Lexington, Kentucky.

FOOTBALL QUESTIONS

(Continued from Page One)

ceeding spot), he will promptly measure the penalty for the dead ball foul in the opposite direction after which he will spot the ball, give the appropriate signal and point to the goal of the offending team. Then, after indicating the dead ball signal, he will declare the ball ready-for-play.

8. Play: 3rd and 10 on A's 45. During the advance, A1 fumbles. B1 recovers and returns the ball to A's 20 yardline. During the run by B1, B2 clips on A's 30. While the ball is still alive, A2 commits a foul by grasping the face protector of B1.

Ruling: Double foul. A's ball, 3rd and 10 on A's 45. This situation does not qualify for automatic de-

cision because even though there was a change of possession and a live ball foul after the change of possession, the opponents (in this case A) did not commit a dead ball foul. The grasping of the face protector was a live ball foul. Situations do not qualify for automatic acceptance or declination unless there is: (a) a foul before or after a touchdown; (b) a foul during or after a try-for-point; or (c) a foul during a live ball, after change of team possession, which is followed by a foul by the opponents after the ball has become dead. (10-2-1-a)

9. Play: A1 advances beyond the line to B's 30, where he throws a backward pass which is caught by A2 on B's 35. A2 advances for a touchdown.

Ruling: The first run ended on B's 30. The first running play ended where A2 secured possession, i.e., B's 35. The second run ended at B's goal line where the ball became dead. If a foul occurred during the first running play, the basic enforcement spot is where the first run ended. If the foul occurred during the second running play, the basic enforcement spot is where the second run ended, i.e., B's goal line. (10-3-3)

10. Play: Following a fair catch at the left inbounds line, R snaps from the center of his 20 yardline. K is offside and the penalty is: (a) accepted; or (b) declined.

Ruling: In (a), R may snap from any place between the inbounds line on his 25 yardline. In (b), the snap will be made from the succeeding spot. (4-3-4)

11. Play: 3rd and 5 on the 50. The forward pass by A1 is intercepted by B1 who advances a few steps and then kicks the ball. (a) A2 on his 30 yardline signals for a fair catch; or (b) B2 recovers or catches the ball on A's 30 yardline and advances it for a touchdown.

Ruling: In (a), since it is not a legal kick, the action of A2 has no force and A2 cannot make a fair catch. If A2 signals and catches the ball, he may advance it. He may be tackled by a B player and B may, in fact, interfere with A's opportunity to recover or catch the ball because the illegal kicking is considered to be a fumble. A, of course, is privileged to take a penalty for the illegal kicking by B. In (b), the recovery of the kicked ball by B2 is legal and does not cause the ball to become dead, nor is the advance of B2 prohibited. If A were to decline the penalty for the illegal kick by B1, B2 will have scored a touchdown. The acceptance of the penalty for the illegal kicking by B1 will, of course, void the action of B2. (9-4-3; 8-2-1)

Comment: Illegally kicking the ball, including a "return-kick" is administered as if the ball were batted or kicked during a fumble. Even though the penalty for the illegal act is declined, the action is not then considered to be a legal kick. Therefore, a ball kicked illegally into the end zone does not become a touchback because of touching someone or something in the end zone, nor can a fair catch be made of a ball so kicked.

12. Play: 3rd and 5 on the 50. A1 advances the ball to B's 30 where he kicks it. The ball goes into the end zone where it is caught or recovered by B1 who causes it to become dead there. The penalty for the illegal kick by A from B's 30 is: (a) accepted; or (b) declined.

Ruling: In (a), 15 yard penalty for illegally kicking a loose ball (fumble) will be measured from the 30 yardline, which is where the run ended and, thereby, placing the ball on B's 45. It will be A's ball, 1st and 10. In (b), the declination of the penalty by B causes a touchback situation because A forced the ball into B's end zone where B recovered, or caught it and caused it to become dead. Therefore, it is B's ball, 1st and 10 on its 20. (9-4-3; 8-5-3-c)

13. Play: After the ball is placed and declared ready-for-play, the snapper: (a) lifts the ball from the ground; or (b) rotates it on the ground after which the snapper removes his hand from the ball.

Ruling: Foul in both (a) and (b). The snapper is considered to have moved the ball in other than a legal snap unless he completes his snap after he places his hand, or hands on the ball. He cannot lift the ball in any way after it has been placed ready-for-play. Any such movement of the ball causes it to become alive and the opponent may attempt to recover the ball. He may, of course, deliberately adjust the ball immediately prior to making the snap. (7-1-3)

14. Play: Prior to the snap, snapper A1 tilts either end of the ball to the extent that its long axis makes an angle of greater than 45 degrees with the ground.

Ruling: Illegal snap. Referee should, if possible, declare the ball dead immediately and penalize as a foul between downs. (7-1-3)

15. Play: While R1 is advancing a caught punt, R2 clips. After the ball is dead, K1 piles on and R3 slugs.

Ruling: The penalty for the foul by R2 (clipping) is automatically accepted and then measured. The fouls by K1 and R3 occur during a dead ball and constitute a double foul, the penalties for which cancel. The ball is put in play at the spot where the measurement for the foul by R2 placed the ball. (10-4-2; 10-2-1-b)

RULES AND REGULATIONS

Governing Baseball Tournaments

(Adopted by the Board of Control)

District and Regional Regulations

I. Dates and Sites

The dates and sites of the tournaments shall be determined by the Commissioner with the approval of the Board of Control. All tournaments will be held on or as near the dates indicated on the activities calendar as local conditions permit.

II. Assignment of Schools to Districts and Regions

The state shall be divided into districts and regions by the Commissioner who will assign the schools to the district tournament sites.

III. Tournament Managers

The Commissioner shall appoint a manager for each of the districts and regions. It is the duty of the district manager to invite representatives of the schools in the district to a meeting held for the purpose of making tournament plans. It is the duty of the regional manager to invite representatives of the district winners to a meeting held for the purposes of making tournament plans. The manager shall conduct the drawing, set the dates and times for games, and make all other arrangements for the tournament.

IV. Contestants

A school may enter one team in the district tournament. The eligibility list for the players on this team shall be submitted to the manager prior to the tournament. The eligibility list of each district winner shall be submitted to the manager prior to the regional tournament.

V. District and Regional Meetings

The district meeting shall be held in the afternoon of the first Sunday in May, at 2:00 o'clock (EST and CDT, 1:00 CST) in the school designated as the tournament site. The regional meeting shall be held on Sunday afternoon, immediately following the district tournament, at 2:00 o'clock (EST and CDT, 1:00 CST) in the school designated as the tournament site. A blind drawing shall be made for places in the bracket.

VI. Umpires

School representatives present at the drawing

should select the umpires. If there is no agreement on officials, the decision of the tournament manager in selecting the umpires is final.

VII. Champion

The champion will be the team undefeated in a single elimination tournament.

VIII. Regional and State Qualifying

Only the district champion shall advance to the regional tournament, and only the regional champion shall advance to the state tournament.

IX. Trophies and Awards

Trophies will be given to the winning and runner-up teams.

X. Regional Information

The regional manager shall notify each district winning team manager of the time and place of the regional meeting.

XI. Finances

Net profits shall be distributed among the participating teams in the district and region. If there is a district deficit, the K.H.S.A.A. will give a maximum allowance per game. If there is a regional deficit, an allowance will be made by the K.H.S.A.A.

State Regulations

I. Date and Site

The date and site of the tournament shall be determined by the Commissioner with the approval of the Board of Control.

II. State Manager

The Commissioner shall be the manager of the tournament.

III. Contestants

The regional winner may enter a team composed of fifteen players. No player may be substituted for any of these players after the tournament begins. The eligibility list including the names of these players shall be submitted to the manager prior to the tournament.

IV. Drawing

A blind drawing shall be made by the tournament manager for places in the bracket.

V.

The umpires shall be selected by the tournament manager.

VI. Champion

The champion will be the team undefeated in a single elimination tournament.

VII. Trophies and Awards

Trophies will be given to the winning and runner-up teams. An award will be given to each player selected on the all-tournament team.

VIII. Finances

All proceeds shall be retained by the K.H.S.A.A. An expense allowance will be given each team participating in the tournament.

RULES AND REGULATIONS

Governing Tennis Tournaments

(Boys & Girls)

(Adopted by the Board of Control)

Regional Regulations

I. Dates and Sites

The dates and sites of the tournaments shall be determined by the Commissioner with the approval of the Board of Control. All events will be held on or as near the dates indicated on the activities calendar as local conditions permit.

II. Assignment of Schools to Regions

The state shall be divided into tennis regions by the Commissioner who will assign the schools to the tournament sites.

III. Regional Manager

The Commissioner shall appoint a manager for

Does Your Present Student Policy Cover Your Athletes? We Can Solve Your Problem.

The Kingden Company GENERAL AGENT

each of the regions. It is the duty of the manager to notify the regional schools of the time and place of the tournament, to supply them with entry blanks, to invite their participation, and to make all arrangements for the tournament.

IV. Contestants

A school may enter a doubles team and two singles players. No contestant shall compete in both the singles and doubles matches.

V. Substitutes

Any player whose name is on the eligibility list may be substituted for the original entry prior to the start of the match.

VI. Pairings

The manager may seed any number of the contestants, and he may draw for the remaining places. Singles players from the same school shall be placed in opposite brackets.

VII. Style of Play

All match play shall be two out of three sets in both singles and doubles.

VIII. State Qualifying

Eligible to enter the state tournament are regional entries who advance as far as the finals in the singles and the winner in the doubles.

IX. State Information and Entry Blanks

The coaches shall secure entry blanks from the regional manager before leaving the site of the tournament.

X. Faculty Sponsor

Each school having participants in the tournament shall send a faculty sponsor.

XI. Trophies and Awards

School trophies will be given to the winners and runners-up in the doubles and singles. Individual awards will be given to the singles winner and to members of the winning doubles team.

State Regulations

I. Dates and Sites

The dates and sites of the tournaments shall be determined by the Commissioner with the approval of the Board of Control.

II. State Manager

The Commissioner shall appoint a manager for each of the tournaments.

III. Contestants

Eligible to enter are regional entries who advanced as far as the finals in the singles, and the winners in the doubles. No contestant shall compete in both the singles and doubles matches.

IV. Substitutes

A substitution may be made on the doubles team prior to the start of the match. There can not be a substitution for a singles player.

V. Pairings

The manager may seed any number of the contestants, and he may draw for the remaining places. Singles players from the same school shall be placed in opposite brackets.

VI. Style of Play

All match play shall be two out of three sets in both singles and doubles.

VII. Expense Allowance

The regional singles champion and members of the regional championship doubles team will receive expense allowances. The coach will also receive an expense allowance.

IX. Trophies and Awards

School trophies will be given to the winners and runners-up in the doubles and singles. Individual awards will be given to the singles winner and runner-up, and to members of the winning and runner-up doubles team.

One Of The Finest Jobs

You as a coach of high school athletics have the privilege of working with the cream of the crop — the young men in your community who have the greatest stature and who greatly influence the younger generation. Coach, you have one of the finest jobs there is in America. Granted, it is a lot of work, time consuming, upsetting, and sometimes you may wonder whether or not it is worth the "blood, sweat, and tears." However, your personal rewards are more than worth it. Since World War II we have had a great increase in our school population. We are feeling this increase in the secondary schools, and any guidance you can give the students will help you as a coach and the school as a whole. I believe it is necessary that these people be subjected to the kind of conduct befitting this generation.

Participation in a high school athletic program means much more than just competition between two individuals or two teams representing two different schools. The conduct of all the members of your teams is not only a reflection of you as a coach, but are also closely observed by the people of your community, and of the visitors. It is important that their behavior be above reproach. Actually this should be true not only on the field of play but also in the class room, on the campus, on trips, and in the community.

It should be pointed out to your squads that they not only represent the team and coach but that they reflect the behaviour of the entire community. Just as important is the impression they leave with junior high school and grade school students. As we read article after article in our newspapers about the incidents involving the young people of our country, it appears to me that you have the greatest opportunity to set an example to the boys on your teams and they in turn can demonstrate to the young people how to conduct themselves.

We are all aware that boys have several reasons for competing in athletics, and all of them are not in the best interest of your program. Some of them compete in athletics because they want recognition from their fellow students, some are trying for a scholarship to aid them in receiving their college education, others are good enough in some sports to sign professional contracts, some participate just for the love of the game, and many are on the squad with a purpose of belonging to a group. These are all worthwhile objectives for them; however, I wonder if they are not missing the real reason for a high school athletic program, which should be the developing of young men that are capable of assuming their place as young leaders in our communities.

Our high school athletic program should teach all of the boys fair play and sportsmanship, understanding and appreciation of team work, and that quitting means failure while hard work and loyalty means success.

It is very interesting to read the biographies of important people and to discover how many of them took part in a high school athletic program. Certainly not all of them were stars or on championship teams but they had the beginning of the necessary training to put them where they are today. It is the guidance they received during this formative period of their lives that has aided many a successful business man today.

The athletes we have on our squads today should be the leaders of our student bodies. They should stand for the ideals of your school as other students are impressed by their actions. When it comes to status and influence the monogrammed letter of an athlete is important to the student body. I do not intend to infer that every athlete is going to be a leader.

How much emphasis should you place on an athletic

program? The answer is obvious "all you can". The primary purpose of an athletic program is not the reason for attending school and I believe that everything directly or indirectly pertaining to the academic program should be emphasized for all athletes. Athletics deserve their rightful place in a school system, and the emphasis placed on the athletic teams should not be greater or less than any other extra class activity in your school district. I know that it is very difficult from an administrator's point of view to treat every extra class activity with equality. Each program has different objectives in its development, costs vary, there are different types and numbers of students, practices are held at various times, and each needs different facilities. With all these variables it is impossible to administer all activities the same. In athletics you have the great public interest and where they share a great portion of your costs. With this interest you should have a great opportunity to sell your school to the people of your community. The problem of extra class activities must be solved by each school. It is impossible for an outsider to help determine your program.

Courts have held that Boards of Education can adopt any rule or regulation it wishes when they are reasonable and proper in governing the conduct of a student or athlete. We believe that when a student's conduct is detrimental to others and the student's presence might adversely affect the morale, disrupt the orderly operation of social activities, or interfere with discipline and governing of students, then it is time for someone to make order and correct the situation.

Should athletes be distinguished from other students when it comes to conduct? High School athletes are always in the public limelight. Whatever they do good or bad is magnified 100 times by a clamoring public. They are different. They aren't looked upon in the same manner as other students, nor can they be treated under the same general rules. If a school is going to avoid trouble in its handling of these special students, it had better have special procedures prepared in advance.

Schoolmen agree that one of the best ways to manage such problems is to enforce a policy setting up standards of student conduct, and consequences for misconduct. They also agree that when decisions must be made quickly or under pressure, the best advice is to stick to the rules of conduct.

What kind of policy? You as a coach should be the most important person in establishing a set of rules or athletic code. You should also be the one to administer it, and the better job you do, the better coach you will be. A boy that breaks the rules will also miss the important play. Do not hide under the principal's coat tails; however, his are the final decisions, as he is responsible for the conduct of the entire school.

The primary long-range benefit of written rules or athletic code of conduct, or any disciplinary policy for athletics is the consistency of action on the part of the school administration, including coaches and teachers, and confidence that the community will develop in its school.

In dealing with the discipline of athletics it has always bothered me for many years and that is the publicity given by the newspapers when boys are dropped from the squad for breaking training, or for scholastic work. This is all right for the University but I do not believe it should be in high school. I know it is news for the paper and the readers would probably be interested, but it is not good publicity for the school, the athletic program, and particularly the boys involved. It would be better for you to just drop the boy from the squad without mentioning publicly the reason why.

Football Questions — Installment 2

EDITOR'S NOTE: These interpretations of the 1965 National Alliance Football rules do not set aside nor modify any rule. They are made and published by the National Federation of State High School Athletic Associations in response to situations presented.

16. Play: Snapper tilts the ball to an angle of approximately 75 degrees.

Ruling: Snap infraction. The referee should use his whistle, to prevent the ball from being put into play as soon as the foul occurs, provided he can stop action before the snap. If he sounds his whistle immediately after the foul, not waiting for the ball to become dead for some other reason, the whistle causes the ball to remain dead as of the time of the foul.

Comment: In the play above, the ball does not become alive and subsequent action has no significance unless it is unsportsmanlike. As provided by 2-26, the snap begins when the snapper first moves the ball other than in adjustment. Because the adjustment is not part of the snap, it does not cause the ball to become alive and is of itself a foul between downs. (7-1-3, 2-26).

17. Play: Snapper A1 tilts the ball to an angle of about 75 degrees. Before the official can sound his whistle to prevent the ball from going into play, A1 lifts the ball and snaps it.

Ruling: Snap infraction. The ball has become alive and the offended team (B) may take the 5-yard penalty measured from the spot of the snap, or team B may refuse the penalty and take the play. (7-1-3).

18. Play: Snapper A1 uses both hands to adjust the ball. While holding it motionless with his right hand he deliberately and slowly removes his left hand so that the snap will be made with one hand only.

Ruling: There has been no infraction. (7-1-2, 7-1-3).

19. Play: Team A is granted a charged time-out. Before the ball is put in play following the time-out charged to Team A, Team B requests a charged time-out.

Ruling: The request of Team B must be denied. No time-out may be granted to either team in this situation until after the ball has become alive. (3-5-2).

20. Play: At the kick-off: (a) K1 is offside; or (b) R has only 4 players between its 45 and the 50-yard line; or (c) R4 catches the kick on his 15 and advances to his 40 where he is tackled. R3 clips on R's 35 during the runback.

Ruling: If the offended team accepts the penalty in either (a) or (b) the ball must again be free kicked after the measurement. If the penalty is accepted in (c) it will be R's ball, 1st and 10 on R's 20. If in (c) the penalty is declined, it will be R's ball, 1st and 10 on R's 40. (5-2-4, 10-3-3).

21. Play: Runner A1 fumbles when he is tackled. A2 or B1, attempting to recover the ball, uses his hand or arm on an opponent's back or other part of his body.

Ruling: Legal action. All players are privileged to attempt to recover a fumble and may legally use their hands or arms on an opponent (including his back) to push the opponent out of the way. (2-4).

22. Play: 3rd and 3 on the 50 yardline. A1 advances to B's 20 yardline where he fumbles. The fumble is

recovered by B1 who advances to B's 45 yardline where his lateral pass is intercepted by A2 who returns the ball to B's 15 yardline. A2 crawls after the ball has been declared dead. B2 holds at B's 30 during the run by B1.

Ruling: Penalty for the foul by B2 is automatically declined, thereby enabling A to retain the ball. The line-to-gain is established on B's 5 yardline. The stakes are set and then the penalty for delay of game (crawling) is administered, placing the ball on B's 20 yardline. It will be A's ball, 1st down, 15 yards to go on B's 20. (10-1-2-c; 9-5-1).

23. Play: B1 intercepts a legal forward pass and during the runback, B2 holds on B's 30 yardline, after which B3 clips on B's 45 yardline. The pass was intercepted on the 20 yardline and the ball became dead on the 50 yardline. A2 piled on after the ball had become dead.

Ruling: B's ball, 1st and 10 on B's 30 yardline. Even though Team B has committed a multiple foul, the automatic provision prevails and the official will administer the penalty for the holding foul by B2 from B's 30 yardline, because the rule provides that "the penalty is automatically either accepted or declined, depending on the advantage accruing to the offended team." The greater advantage, in this case, would occur as a result of the assessment of the penalty for the holding foul from B's 30 yardline. Thereafter, the penalty for A's dead ball foul would be administered. There is no choice for Team A in this situation, since the coverage provides for automatic administration. (10-1-2-c)

24. Play: A1 advances beyond the line to B's 30, where he throws a backward pass which is caught by A2 on B's 35. A2 advances for a touchdown.

Ruling: The first run ended on B's 30. The first running play ended where A2 secured possession, i. e., B's 35. The second run ended at B's goal line where the ball became dead. If a foul occurred during the first running, the basic enforcement spot is where the first run ended. If the foul occurred during the second running play, the basic enforcement spot is where the second run ended, i. e., B's goal line. (10-3-3).

25. Play: Team A comes to the line-of-scrimmage and its members position themselves in preparation for the snap. All 11 players are stationary for more than 1 full second. Then, back A2, from a position of more than one yard behind the line-of-scrimmage, starts in motion backward. After a 2 count, he comes to a stationary stop. Immediately thereafter, back A3 starts in motion backward. The ball is snapped while A3 is in motion. A2 was stationary at the snap but he had not been stationary for 1 full second before A3 started in motion.

Ruling: Legal action. So long as A2 (who in this case was more than 1 yard behind the line-of-scrimmage when he started) is stationary when A3 starts his motion, there has been no infraction. (2-25).

26. Comment: The expression "nearly" (almost) at rest" is a descriptive way of indicating that, for the play situation related and in the opinion of the official, the residue of the original force or inertia is insufficient to carry the grounded ball across the

National Federation Basketball Test

Part II of the National Federation basketball examination will be given all over Kentucky on Monday, December 6, to officials who wish to work for the Approved and Certified ratings. Officials registered with the K.H.S.A.A. for the first time this year and who have not been registered previously in any other state association, are not eligible to take the test. Those interested should advise the State Office immediately in order that necessary arrangements can be made with the school administrators who will supervise the taking of the exam. Officials living in Kentucky need not suggest the name of an examiner. The Approved rating does not carry forward from year to year, but must be earned each year.

MINUTES OF BOARD MEETING

The Board of Control of the Kentucky High School Athletic Association met at the Phoenix Hotel, Lexington, on Saturday afternoon October 9, 1965. The meeting was called to order by President Foster J. Sanders at 1:00, with Board members Morton Combs, Don Davis, Ralph C. Dorsey, Sherman Gish, Preston Holland, Don R. Rawlings and Oran C. Teater; Commissioner Theo. A. Sanford, and Assistant Commissioner J. B. Mansfield present. The invocation was given by Morton Combs.

Oran C. Teater moved, seconded by Don Davis, that the reading of the minutes of the July 31st meeting be waived, since the members of the Board received copies of these minutes. The motion was carried unanimously.

The Commissioner stated that, acting under authority given him by the Board in track regulations adopted in the July meeting, he and Assistant Commissioner Mansfield were in the process of assigning schools maintaining track teams to classes and regions, but that the assignment had not been completed. A report on the new plan will be made at a subsequent meeting of the Board.

President Sanders announced the appointment of the following committees for 1965-66:

Policy—Chairman Don Davis, Preston Holland, Morton Combs

Budget—Chairman Don R. Rawlings, Sherman Gish, Ralph C. Dorsey

Trophy—Chairman Oran C. Teater, Theo. A. Sanford, J. B. Mansfield

Swimming—Chairman Alfred M. Reece (Lexington), E. W. Craik (Louisville), Jack Thompson (Louisville), Marshall Beard (Louisville), Miss Sheila Gilreath (Ashland), Don Davis (Independence)

Wrestling—Chairman Orville Williams (Seneca), Will D. Evans (Ky. School for the Blind), Bro. Leopold (St. Joseph Prep.), Don R. Rawlings (Danville)

Oran C. Teater moved, seconded Ralph C. Dorsey, that the next meeting of the Board be held in Lexington on December 18, 1965. The motion was carried unanimously.

Sherman Gish moved, seconded by Morton Combs, that all bills of the Association for the period beginning July 1, 1965, and ending September 30, 1965, be allowed. The motion was carried unanimously.

There being no further business, the meeting adjourned.

In Memoriam

CHARLES ELLIS NORRIS

Charles Ellis Norris, who taught and coached at the McKee High School for eighteen years, died on August 23, 1965, after a year's illness. He was 44 years of age.

Charlie Norris graduated from the McKee High School in 1940 as valedictorian of his class. During his high school years he was active in all sports. He attended Eastern Kentucky State College, where he played Freshman basketball and pitched on the baseball team. After receiving his A.B. degree from Eastern, he returned to the McKee High School as a faculty member. He was active in his work until his illness forced him to quit.

At McKee Coach Norris earned the reputation of being one of the most capable and efficient teachers who has ever been associated with the Jackson County School system. His love for sports was evident in the many years he gave to coaching. Through his dynamic personality, Charlie gained the love and respect of every boy who was associated with his teams. It had been decided that he was to use his talents and years of experience as Athletic Director of the new consolidated Jackson County High School which is to be completed for the 1966-67 school year.

Surviving Mr. Norris are his wife, Mrs. Hazel Martin Norris; and a son, Charles Michael Norris, age 16, a senior at McKee High School.

R.B.M.

Certified and Approved Officials

The name of Ted Osborne was listed incorrectly in the October issue of the ATHLETE on the list of Approved football officials. Mr. Osborne has the Certified rating.

Tom Roe Frazer has recently qualified as an Approved football official.

Football Schools

Omitted from the list of football schools and coaches which appeared in the October issue of the ATHLETE were the following:

Bishop David, Louisville, Denny Nash; Hiseville (8-man), Hiseville, Bob Driver; Louisville County Day, Louisville, Dudley Hoffman; Pleasure Ridge Park, Louisville, Bob Williams.

SUPPLEMENTARY LIST OF REGISTERED BASKETBALL OFFICIALS

(List Compiled November 1)

If one telephone number is given for an official listed, it is the home phone number unless otherwise designated. If two numbers are given, the first number is that of the home phone.

In Memoriam

GENE CATHEY

Gene Cathey, 33, one of Murray's most popular business men, died on October 15, 1965. His death was attributed to pneumonia and complications.

Mr. Cathey graduated from Murray High School in 1950. While in high school he played basketball and football, and he was active in other school activities. After attending Murray State College, he coached at the New Concord High School during the 1953-55 period, was in the armed service in 1956-57, returning to New Concord for the 1958 and 1959 seasons. His teams won the county Championship each of the five seasons when he coached at New Concord. His 1954 team won the Mayfield Invitational Tournament, and his teams were in regional tournaments two of his five coaching seasons. His teams won more than 85 percent of all the games they played.

Mr. Cathey entered the insurance business in Murray after leaving the coaching profession. However, he retained his interest in sports. He was a registered K.H.S.A.A. basketball official for ten years, and he was currently registered as a football official at the time of his death. During the 1961-64 period he was an area football representative for the Kentucky High School Athletic Association in its training program for football officials. He was willing to lend a hand in almost any venture which led young people into sports. He was director of the "Punt, Pass and Kick" contest, he had coached in the Murray Baseball Association, and had been president of that organization.

Surviving Mr. Cathey are his wife, Mrs. Marilyn Walker Cathey; his mother, Mrs. Bertie Cathey; one daughter, Mitzi Susan;

and two sons, Monty and Mike. He was a member of the First Baptist Church of Murray. P.H.

FOOTBALL QUESTIONS

(Continued from Page One)

goal line into the end zone. The term "nearly at rest" is, we believe, not used in any rule or division of rule itself. The expression is, however, commonly used to describe specific situations. It is, for example, used in Play (2) on page 41 of the Rules Book. It is also used in the Case Book, in Situation 256D. It is a manner of indicating that, as described in the Rules Book, the "force is nearly spent." This is to say that if no than the crew of field officials can be dismissed roll, across the goal line into the end zone. (8-5-1).

27. Comment: Are football game officials obligated to attend a pre-game conference? The pre-game conference has been found to be very beneficial on all levels, including interscholastic, intercollegiate and professional football. An increasing number of state associations, officials' chapters and conferences are adding the requirement of attending a pre-game conference to their standards. Where such conferences are mandatory, it is necessary that the referee report to the administrative body any official who does not attend. In many areas, the clock operator and chain crew members are also required to be there. Others than the crew of field officials can be dismissed should it be desirable to have a certain matter discussed by the crew in private.

It is customary that the conference be scheduled to start immediately after the crew is dressed for the game and approximately one hour before starting time. The referee is responsible for moderating and directing the conference. He will stress specific items and experience has indicated that most is accomplished at the meeting if a prepared agenda is followed. The agenda generally includes such matters as keeping of records, physical aspects of the field, report of the check of bandages and equipment, duties of each official before and at the toss, mechanics of covering the kick-off, running plays, fumbles, out-of-bounds, the administration of penalties, the marking of the point of furthest advance, and the administration of disqualifying penalties if there are such. Frequently, there is a brief discussion or review of unusual plays which may have occurred in previous games in the area during the season. Athletic administrators are unanimous in their belief that successful football officiating now requires the pre-game conference.

28. Comment: What is preventative officiating? Remembering at all times that every foul committed must be called, preventative officiating is the permissible action of officials which will prevent some fouls from occurring. The good officials, by his action and words, can frequently prevent certain fouls from happening. As a traffic officer at a busy intersection keeps the traffic moving without actually arrests, so does a competent official keep the game moving, using every legitimate power at his command to prevent fouls from occurring.

While there is general agreement that preventative officiating is desirable, there is difference of opinion as to "how far" it should go. Such matters as the referee discussing with the coaches before the game any unusual plays, particularly if the officials might be in the way, is always acceptable. The checking of equipment is required by rule and is, of itself, preventative officiating. A foul may be frequently prevented by the official making certain not to start with more or less than eleven men on kick-offs and free-

kicks. In this situation, it is suggested that the official ask the captain to count his men, but that the official not tell him the number on the field. Cautioning the receiving team to be inside its restraining line for free-kicks, and aiding players of both teams in lining-up after a safety, are ordinarily accepted as desirable procedures for officials. These are preventative in nature. In many areas, preventative officiating includes appropriate warnings by officials. For example, on a scrimmage-kick the umpire may warn, before the snap, about the use of hands. Officials can stop derogatory talk between players and thereby prevent a later foul. The captain should be notified that he can stop and prevent resulting future problems during the game if he directs his players to abstain from baiting and similar practices.

During time-outs, the captains' attention should be called to the number of time-outs they have had and officials should make sure that the coaches know when they have used up their legal limits of time-outs. Officials should check each other regarding this matter during every time-out.

Blowing the whistle sharply contributes to a reduction of fouls, and calling to the players saying "That's all", "That's enough", or, "Don't hit him" after the ball is dead either inbounds or out-of-bounds will frequently deter a player from making late contact and thereby fouling. When a kick goes out-of-bounds, all officials can call to players to "Stand up, the ball is out-of-bounds."

More controversial is the suggestion that the referee warn a player who is standing on the end line, preparing to kick. If the ball is snapped, this would be a foul. Also the official must, of course, be particularly careful about cautioning a player or suggesting that he move to a new position at a time when the ball may become alive and, as a result, catch the player moving when it is snapped.

Thus, some areas of preventative officiating are universally accepted. Regarding others, there are differences of opinion and perhaps controversy. It is suggested, however, that the practice of preventative officiating be studied and be expanded in those areas which will serve the best interest of the game.

FILMS

The films listed below are in the Film Library of the University of Kentucky College of Education. The Code letters "e,j,s,c,a" refer to elementary, junior high, senior high, college and adult audiences who may enjoy the particular film listed. The rental prices shown do not apply to schools which use one of the special subscription service plans offered by the Bureau of Audio-Visual Material.

BASKETBALL

ASHLAND VS. ST. XAVIER (1962 K.H.S. BASKETBALL TOURNAMENT FINALS), e-j-s-c-a, 3 reels, Silent, \$1.00

The Ashland Tomcats gave a valiant performance in trying to capture their second consecutive championship but the Tigers of St. Xavier were the winners in the final game by 62-58. The Tigers were led by Mike Silliman and the Tomcats by Larry Conley. BALL HANDLING IN BASKETBALL, j-s-c, 1 reel, \$1.50

Teaches fundamentals of basketball handling including stance, grip, control, adjustment, before shooting, catching the ball, and other points. Presents game shots, using special photographic techniques to illustrate principles.

BASKETBALL BY RUPP, j-s-c-a, 2 reels, \$2.50

Animated play diagrams, slow motion photography,

and action shot are combined in this new film prepared under the personal direction of Mr. Rupp especially for coaching use. Among the drills and plays covered in this film are: pivot man's slide into the basket; Play No. 6, the famous Kentucky Basket Maker; legal screening; penetration zone defense; and the Kentucky fast break.

BASKETBALL FOR MILLIONS, j-s-c-a, 3 reels, \$1.00

This is the film for 1958-59, produced by the Official Sports Film Service under the sanction of the National Federation. A fantastic dream sequence where impossible and nightmarish situations can and do arise is the continuity thread used throughout the film to depict: Accepted officiating procedures—problems created by double fouls and false double fouls—tricky situations connected with front and back court—jump ball infractions and procedures—little understood distinction between player and team control—and a panorama of basic rule fundamentals.

BASKETBALL FUNDAMENTALS — INDIVIDUAL TECHNIQUES, j-s-c-a, 1½ reels, \$2.50

Branch McCracken, Indiana University basketball coach, used his team to demonstrate the fundamentals of basketball. Slow motion photography is used to break the various court techniques down into easily grasped essentials.

BASKETBALL KENTUCKY STYLE, j-s-c-a, 2 reels, \$2.50 (in state), \$5.00 (out of state)

This is the revised edition of the film "Basketball By Rupp" prepared under the personal direction of Mr. Rupp especially for coaching use.

BASKETBALL STRATEGY FOR GIRLS, j-s-c-a, 1 reel, \$1.50

The basic strategy of offense play (fakes, rolls, cutting, screening, varying pace) and defense play (player to player, basic zone, shifting zone, triangle, and diagonal) is demonstrated and explained in this film.

BASKETBALL TECHNIQUES FOR GIRLS, j-s-c-a, 1 reel, \$1.50

Basic movement skills (running, starting, stopping, turning) passing (finger control, movement with the pass, leading the receiver, choice of the right pass), catching (side pass, high pass), shooting (finger control, arm extension, wrist flip, choice of the right shot), dribbling, faking, and pivoting are demonstrated and explained in this film.

BASKETBALL FOR GIRLS: FUNDAMENTAL TECHNIQUES, j-s-c-a, 1 reel (11 min.) \$1.50

Fast action, slow-motion photography, and skillful players combine to show fundamental techniques of ball handling, passing and shooting.

BRECKINRIDGE COUNTY VS. COVINGTON HOLY CROSS (1965 Basketball Finals), e-j-s-c-a, 3 reels, (40 min.), color, silent, \$1.00

The Breckinridge County High School team which reached the finals in 1964, returned to take the state championship title in 1965. Led by Butch Beard, they defeated Covington Holy Cross 95-73.

CHAMPIONSHIP BASKETBALL — TEAM TECHNIQUES, j-s, 1 reel, \$1.50

Man-to-man defense is shown, with the means best used under varying conditions.

DEFENSIVE FOOTWORK IN BASKETBALL, j-s-c-a, 1 reel, \$1.50

Striding with an opponent, checking, maneuvering him out of position and other basic skills are illustrated, using special photography to demonstrate points. Rebounding, pivoting, and correlated arm action are taught also.

(Continued on Page Ten)

The Flying Dutchman

Stanley Arnzen and Bob Miller packed 327 basketball officials, coaches, timers and scorers into that Newport Gymnasium for this year's attendance record at the basketball rules clinic. This was one more than Claude Ricketts gathered together in Louisville for second place honors.

Bob, Stan and Edgar McNabb explained this huge attendance by pointing to the large numbers of Ohio officials crossing the river from Cincinnati and towns to the north and to the wonderful fellowship which always prevails at this clinic. Nick Poppas came all the way from Dayton to be there.

Northern Kentucky has a chap who has spent a couple of decades coaching at Holmes High. This chap draws crowds by himself wherever he goes. His players call him "Coach." His friends have many names for him but reference here is to Tom Ellis who is a sports legend in his own time. Tom is definitely one of the reasons for the large Newport turn-out each year. This fellow won't let any session he attends become dull. Back in 1928 when Tom captained the first state championship football team Western Kentucky State College ever produced, he was a powerful linesman and even then his colorful personality kept everybody on the team alert. You should have seen this "dynamo" run a baseball team from his catcher's box and hit a fast ball. He was a sucker for a curve. In those days Tom, or "Big Daddy" and "Lardy", as we used to call him, was the best basketball official in western Kentucky. This is the man the Dutchman salutes this month for a lifetime of service to boys—and he made men out of hundreds of them. This qualifies him for the Corn Cob Pipe of Honor. You're a great guy, Tom!

Memorandum to Commissioner Ted Sanford! Tear up all individual attendance records at the basketball clinics. Beechmont's Jerry Kimmel and Morehead's Bobby Laughlin have had their records broken by Adolph Rupp's new assistant coach, Joe Hall. Joe was on hand for roll call at fourteen of the fifteen clinics, missing only the one at Newport, and had he come "Big Tom" would have had to squeeze Jarvis Parsley a little closer to the exit to make room for him. The University of Kentucky has racked up a score in signing Joe Hall. This young man made friends by the minute with his effervescent personality. A former student of John Bunn, he is a credit to that nationally-acclaimed gentlemen who is the editor of the basketball rule book. Coach Bob Wright of Morehead State College and Bobby

Joe Hall

W. B. Jones

Laughlin were even with Joe in eastern Kentucky with their attendance of eight sessions.

There's a cheese factory in Hart County near Caverna, where Ralph Dorsey now coaches, and close to Hart Memorial High, where the Dutchman hung up a never-equalled coaching record of 3 games won and 23 lost in 1931. Ralph and Joe Billy Mansfield now assistant commissioner, played for W. B. Owen's Horse Cave team that year, which tacked on two of those losses. As a peace offering Ralph Dorsey presented the Dutchman a two pound hunk of that cheese in Elizabethtown. Now if Joe Billy will send some medication to offset an over consumption of Hart County cheese, these gentlemen will be forgiven for what they did in 1931.

V. A. Jackson, one of the best officials ever to blow a whistle in the early forties, showed up at Lexington. He's Dr. Jackson now. Old basketball officials don't fade away; they become M. D.'s. They won't get rich in that field but it's a peaceful way to spend the intervening years after a fortune has been accumulated officiating.

They've named a new auditorium in a Somerset School in honor of W. B. Jones. For thirty years this outstanding educator has given service far beyond the call of duty to the citizens of the "Briar Jumper" country, and the honor is truly deserved. W. B. served as a member of the K. H. S. A. A. Board of Control and served well. May your tribe increase, W. B. Jones! An Abou Ben Adhem citation is on its way to hang in the W. B. Jones Auditorium.

Incidentally, the best hot roll bakers in the world are Mrs. Beulah Stevens and Mrs. Jesse Keith, a couple of Somerset girls. They served them up at the honor dinner the Dutchman attended for W. B. Jones, and this gourmet was out-eaten only by Bill Clark and Coach Jim Williams.

Word has come that Coach Jack Fultz of Olive Hill is studying recreation at Morehead College. Dr. Zadia Harold, one of the

best informed recreation professors in the business, is Morehead's recreation department head. When Zadia puts his stamp of approval on a student he's ready to run anybody's recreation program. Get Zadia's brand on you, Jack, and you'll have park and recreation job offers snowing you under. Dr. Zadia wrote some basketball history as a high school star in western Kentucky a few years back.

Making the nineteen hundred mile clinic tour of Kentucky this fall revealed changes since our first sashay over the state in 1942.

Women are attending the clinics in increasing numbers. They are scorers, timers, and some want to officiate.

Mountain roads were muddy messes twenty-four years ago; now they are so smooth that my 1957 "Tiger" couldn't feel a bump.

Modern schools with fine gymnasiums are springing up everywhere. That new Ohio County High School is a thing of beauty and a far cry from the old gym in Hartford where the first one was held. One thing was the same at this clinic—Elvis Hall was present at the 1942 Hartford Clinic and Elvis was on hand in 1965. Elvis and "Big Mac," Lawrence McGinnis, are like "Old Faithful," only nobody has ever seen Lawrence erupt. They do see him at the Owensboro Clinic annually.

Another thing changed in Elizabethtown. Fifteen minutes after Howard Gardner, Bo Bo Davenport, Joe Hall and the Dutchman had dinner in the Cardinal Inn, the place burned down.

Send your nominations for Game Guy and Corn Cob Pipe awards to: The Flying Dutchman, Box 36, Jeffersontown, Ky.

KAPOS NEWS

K.A.P.O.S. SCHOLARSHIP RECIPIENT NAMED

MISS PAULA GAYLE DAVIS, daughter of Mr. and Mrs. Paul M. Davis, has been given the 1965 \$500 Educational Scholarship awarded by the Kentucky Association of Pep Organization Sponsors. Paula lives on RR# 2, Horse Cave, Kentucky and is a graduate of Memorial Consolidated School. Paula ranked number one in a class of fifty-five and was valedictorian of the class. She was named the Betty Crocker Homemaker of the Year and received her state FHA degree. Besides being a cheerleader for four years she was a member of the following: Beta Club, Forensic Society, Music Club and the FTA. In 1964 she was the Runner-Up for the Farm Bureau Queen and Third Runner-Up in the 1965 Football Contest. Miss Davis plans to major in English at the Kentucky Southern College in Louisville. K.A.P.O.S. is proud of its two scholarship recipients; Betty Beams in 1964 and Paula Davis in 1965

Paula Gayle Davis

WHERE DOES THE SCHOLARSHIP MONEY COME FROM?

Part of it comes from the school. So Principals and Coaches who haven't enrolled their school and sponsor with K.A.P.O.S., do send your membership check for \$2.00 to Mrs. Stella S. Gilb at the University of Kentucky. Make check payable to K.A.P.O.S. However, the major portion of the scholarship fund is earned by dedicated sponsors, your sponsor, your sponsor, and your sponsor. On October 15 some 44 sponsors brought 300 cheerleaders to a clinic at Bowling Green High School and K.A.P.O.S. realized over \$100 from this clinic.

WHAT DID THE CHEERLEADERS TAKE AWAY FROM THE CLINIC?

Besides learning four new cheers, they had the opportunity to demonstrate one of their own cheers and have it evaluated by the clinic teacher, Mr. Merle Tyler. Mr. Tyler lectured on: sportsmanship, behavior, good grooming, crowd psychology, and pep rallies.

WHAT DID THE SPONSORS TAKE AWAY FROM THE CLINIC?

They learned about the objectives and purposes of K.A.P.O.S. They were informed about the scholarship fund and encouraged to join the association. They shared ideas on the following: approved methods of selecting cheerleaders, where to purchase cheerleader outfits and ways to make money to pay for them, homecoming programs, ways in which pep clubs earn money and how they spend their earnings, and last but probably the most pertinent of all was the pressing problem of how to get administrators to recognize in a monetary way the sponsor who spends as much as ten to fifteen hours per week in after-school hours, working with and chaperoning cheerleaders.

Mrs. Stella S. Gilb reported that she is doing some research on the paying of sponsors for extra-curricular duties. She expects to publish the data soon. On October 9 she conducted a workshop for over 200 sponsors on the Illinois State University campus, and 80% of those in attendance signified that they were paid for the time they spent coaching cheerleaders, with salaries ranging from \$300 to \$500.

K.A.P.O.S. wishes to thank Mrs. Janet Moore of Bowling Green High for the many hours she spent in organizing this first successful clinic to be held in the western part of the state. Present to help her were: Mrs. Julie Tesar of Ft. Knox High, President; Mrs.

Rosemary Weddington, Franklin County High, Past President; Mrs. George Spurlock, Madison High, Past President; Mrs. Gloria K. Compton, Bryan Station Sr., Bd. Member; Mrs. Sharon Tippet, Woodford Co. High, Bd. Member; Miss Linda Spaulding, Bardstown High, Bd. Member; Mrs. Stella S. Gilb, Un. of Ky., Sec. and Treasurer.

PRINCIPALS and COACHES, support and appreciate your cheerleader sponsor. Behind every good cheering squad there must be a dedicated sponsor. Thanks for letting me share the K.A.P.O.S. news with you.

—Stella S. Gilb

FILMS

(Continued from Page Seven)

MONTICELLO VS. FLAGET (1960 K.H.S.A.A. STATE BASKETBALL TOURNAMENT FINALS) e-j-s-c-a, 2 reels, color, silent, \$1.00

Flaget High School of Louisville defeated Monticello High School in the final game of the tournament to win the championship. The Braves came from behind in the last half to overtake the Trojans and win by a score of 65-56.

NORTH MARSHALL VS. DUPONT MANUAL (1959) K.H.S. BASKETBALL TOURNAMENT FINALS, e-j-s-c-a, 3 reels, silent, \$1.00

The Indians of North Marshall High School proved too much for the Reds of duPont Manual in the final game, winning by a score of 64-63. All-State players, Doyle and Lampley, were best for the winners, while Melear and Siers led the Reds.

OFFICIAL BASKETBALL, e-j-s-c-a, 4 reels (40 min.), color, \$1.00

Demonstrates the official rules interpretations covering screening, traveling, jump ball, front and back court, throw-ins, free throws, personal and technical fouls, rebounding, and unusual and often misunderstood play situations.

RUPP'S PARADE TO THE NATIONAL CHAMPIONSHIP OF 1958, j-s-c-a, 4 reels, \$3.50

This film presents the highlights of all the games, both regular season and tournament games, which led up to the U of K's Wildcats winning the NCAA basketball crown.

SENECA VS. BRECKINRIDGE COUNTY (1964 Basketball Finals), e-j-s-c-a, 3 reels (40 min.), color, silent, \$1.00

Seneca High School won the state championship for the second straight year by defeating Breckinridge County by the score of 66-56.

SENECA VS. LEXINGTON DUNBAR (1963 BASKETBALL FINALS, j-s-c-a, 4 reels, silent, color, \$1.00

The Seneca Indians defeated the Lexington Dunbar Bearcats by the score of 72-66 to win the forty-sixth annual state championship. Redd and Unsel led Seneca while Wilson and Smith were best for Dunbar.

SHOOTING IN BASKETBALL, j-s-c-a, 1 reel, \$1.50

Concentrating on the set shot, this film pictures the action of the throw, stance, aim, trajectory, and fingertip control. Special attention is given total body coordination, especially inward rotation of the hand and arm making the throw.

ST. XAVIER VS. DAVIESS CO. (1958) K. H. S. BASKETBALL TOURNAMENT FINALS, e-j-s-c-a, 3 reels, \$1.00

St. Xavier High School of Louisville won the 1958 State Basketball Tournament by defeating Daviess County of Owensboro, 60-49, in the final game of the tournament at the University of Kentucky Coliseum. THIS IS BASKETBALL, e-j-s-c-a, 3 reels (33 min.), Color, \$1.00

Interpretation of play situations goes beyond the letter of the rule and gives guide lines to better understanding of blocking, charging, baskets interference, goal tending, screening, and play violations of the free throw, jump and boundary lines.

Swimming

BEGINNING SWIMMING, e-j-s-c-a, 1 reel, \$1.50

Through scenes photographed both above and beneath the surface of the water, basic techniques of swimming for beginners are demonstrated. Land and water drills involving kicking, breathing, floating, paddling and stroking and pulling with the arm practiced separately, then coordinated as the swimmer learns the American crawl. The back float, back stroke, and breast stroke are also illustrated and explained.

BREAST STROKE, SIDE STROKE, AND UNDERWATER SWIMMING, e-j-s-c-a, 1 reel, \$1.50

This film presents the conventional breast stroke timing the strokes, and the kick.

CRAWL STROKE, e-j-s-c-a, 1 reel, \$1.50

The basic principles of the stroke are presented in this film. The arm stroke, the kick, and the breathing are demonstrated. This film also includes slow motion shots under water.

DIVING FUNDAMENTALS, j-s-c-a, 1 reel, \$1.50

After a brief history of the sport of diving, the following points are explained and demonstrated: the hurdle jump, determining the correct distance, proper arm action, correct way of landing on the feet, proper takeoff and lift, correct entry into the water. The backward dive is also taught, including lift, arching the body, and entry into the water. The motion is stopped at various points to enable detailed study of form.

DOLPHIN KICK, e-j-s-c-a, 1 reel, \$1.50

An excellent swimmer, an underwater camera and carefully devised teaching demonstrations introduce the new swimming technique known as the dolphin or fishtail kick. Analyzing the body movements used in the dolphin kick, the film stresses the importance of practice for mastery of this efficient speedy kick.

I'M NO FOOL IN WATER, p-e-j-a, 1 reel (8 min.) color, \$3.00

Jimmy Cricket illustrates the "do's" and "don'ts" of water safety precautions. Points out the basic rules: wait at least two hours after eating, stay out when water is too cold, never swim alone, and dive only when you know the water is deep enough.

SWIM AND LIVE, j-s-c-a, 2 reels, \$1.00

Men of the Army Air Force at Miami are taught to swim from floating to swimming through burning oil. The film is useful for pre-induction instruction and for safety classes as well as for general programs.

Track

THE BROAD JUMP, j-s-c-a, 1 reel, \$1.50

Controlled speed-timing and coordination—development of legs and torso—mobility of pelvis and hips, one, two, three style—footroll—single and triple air stride—soft versus hard take off—arm position.

DISCUS, j-s-c-a, 1 reel, \$1.50

Principle of centrifugal force—muscle development for side arm throw—grips—finger roll—heel of thumb pressure—finger exercise—clockwise spin—hip snap—reverse and non-reverse styles.

DISTANCE RACES, s-c-a, 1 reel, \$1.50

Races from 1,000 to 10,000 meters and steeple chase are demonstrated. Style of distance runner is contrasted with that of dash man. Difference in typical physics are shown. Slow motion photography is used to analyze movements.

DISTANCES, j-s-c-a, 1 reel, \$1.50

Style—developing stamina—calisthenics—avoiding shin splint—controlled tension—forward knee reflex—straight line running—automatic stride.

THE HIGH JUMP, j-s-c-a, 1 reel, \$1.50

Belly roll or straddle and improved Western style—body lean and reverse—approach—body tension—coordination of arm and leg action.

THE HURDLES, j-s-c-a, 1 reel, \$1.50

Basic hurdling styles—rear hip and leg action—rhythmic running—hurdling, calisthenics—body balance—correct clearance—circular stepover action—adapting styles of physiques.

THE JAVELIN, j-s-c-a, 1 reel, \$1.50

Four stage catapult throw—preliminary run—concluding stride—throwing stance—throwing and reverse—alternative hand and finger grips—facing position—balance of stomach and back muscle tension—throwing angle—body and leg coordination drills—flexibility exercises.

JUMPS AND POLE VAULT, s-c-a, 1 reel, \$1.50

Demonstrations from actual competition are shown for running high-jump; running broad-jump; hop, step and jump; and pole vault. Slow motion photography is used for detailed study of form.

MIDDLE DISTANCES, j-s-c-a, 1 reel, \$1.50

Sprinting techniques—ball of foot running—automatic stride—pendulum and bicycle stride—exercise—counter balanced arm action—push drive—jockeying for position.

POLE VAULT, j-s-c-a, 1 reel, \$1.50

Basic vaulting principles—importance of exercises—running action—grip—selecting the pole—take-off—Western and Eastern style—slotting—novice training.

THE RELAYS, j-s-c-a, 1 reel, \$1.50

Passing—visual pass—blind pass—right and left exchange—merging of runners' speed—baton grips—relay starts, underhand action—cup style—overhead sprint pass—fly scoop—practice and team work.

THE SPRINTS, j-s-c-a, 2 reels, \$2.50

Fundamentals of 100 yard and 200 yard dash—impact style and natural stretch stride—synchronizing leg and arm action—conditioning exercises—starting techniques—slow motion of muscular utilization and coordination.

SHOT PUT, j-s-c-a, 1 reel, \$1.50

Fitting styles to physiques—tension control—one, two, three rhythm—exercises—finger and hand grip—finger and wrist snap—foot positions—progressive tension and effort—explosive hip snap.

THIS IS TRACK AND FIELD, e-j-s-c-a, 3 reels, color, \$1.00

Uses the Olympic motto "Citius-Altius-Fortius," "Swifter-Higher-Stronger" to introduce a variety of track and field situations. Helps officials, coaches, participants and fans to better understand the basic rules of running, jumping vaulting and throwing.

WE ASKED OUR FANS

Why "boo?" Somebody has said, "A 'boo' is a reverberation of air through the empty spaces of the cranium."

Why criticize your coach if the team loses? Isn't he the same fine coach that led the team through the district and regional tournaments?

Why ridicule players on the opposing team? Would you like opposing fans to ridicule yours?

Why cheer when an opposing player fouls out? Are you glad to see a player suffer misfortune?

Why gloat and act so overbearingly when your team wins? They may lose the next game.

Why desert your team when they are behind? That's when they need you the most.

Why act in such a way that everyone

present gets a bad impression of the community you represent.

Why ridicule your own team when it loses? If the players give their best they can do no more.

Why give excuses and alibis when your team loses? The really big man takes defeat without a whimper.

Why ain't you refereeing if you are such a rules expert?

—TSSAA News (Tennessee)

ONE OF THE FINEST JOBS

(Continued from Inside Front Cover)

In conclusion, I believe a coach becomes a coach when he disciplines his own players without the thought of winning, when you start coaching and quit worrying about what people say or think about you, when you stop officiating and let officials do their job.

Emotionalism, anxiety and fear invariably will hinder objective thought and action — especially when a decision under pressure must be made. Be a coach. Make that decision now!

—Supt. Ray Hamann (Kimberly)

THE TRINITY HIGH SCHOOL CROSS COUNTRY TEAM

(Left to Right) Front Row: Dennis Pohl, Glen Dattilo, Don Kelty, David Daring. Second Row: Coach Ken Combs, Jerry Price, Ken Eilers, Gene Kelty, Jim Richardson.

The 1965 Cross Country

The Trinity High School of Louisville won the thirteenth K.H.S.A.A. Cross Country Run, which was held at Bellarmine College, Louisville, on November 6. The team score was 52, with five Trinity runners placing in the top 16. The individual winner was Daryle Remole of Owensboro High School who had the time of 9:53.4. This was a State Meet record. Skip Rankin of Somerset was second with the time of 10:10.7, and Bob Weis of St. Xavier was third with 10:15.2. Ath. Dir. Eddie Weber of Bellarmine was meet manager.

Scores of the first ten teams were as follows: Trinity, 52; Bishop David, 131; Somerset, 194; St. Xavier 194; DeSales 246; Taylor County 268; Owensboro, 280; Bourbon County, 292; Covington Catholic, 361; Flat Gap, 376.

Ten regional runs had been held for the purpose of qualifying teams and individuals for the state event. These runs were held at Paducah, Bowling Green, Bardstown, Clarkson, Louisville, Jefferson County, Fort Thomas, Lexington, Whitley City and Paintsville. In addition to the teams, several individual runners qualified as entrants for the state affair.

The order in which the first fifty runners finished is given below, including the times of the first twenty.

1 — Daryle Remole, Owensboro (9:53.4); 2 — Skip Rankin, Somerset (10:10.7); 3 — Bob Weis, St. Xavier

(10:15.2); Steve Keller, Lexington Catholic (10:19); 5—Kenny Eilers, Trinity (10:21); 6 — James Rucker, Holmes (10:23); 7—Allen Shouse, Daviess County (10:24); 8—Jerry Price, Trinity (10:26); 9—Denny Pohl, Trinity (10:28); 10 — David Baumer, Durrett (10:30); 11 — James Dinwiddie, Leitchfield (10:32); 12 — Ken Blandford, DeSales (10:34); 13—James Banks, M. M. I. (10:36); 14—David Daring, Trinity (10:37); 15—Tom Williams, Bishop David (10:39); 16—Don Kelty, Trinity (10:41); 17—Jim Weber, Bishop David (10:42); 18—Don Weber, Bishop David (10:43); 19—Woody White, Bourbon County (10:44); 20—Dan Goff, Bishop David (10:45); 21—Phil Theis, Westport; 22—Gordon Loomis, Holmes; 23—Kenny Moore, Somerset; 24—Tony Autont, Simon Kenton; 25 — Bill Nevitt, St. Xavier; 26—Joseph Taylor, Taylor County; 27 — Ronnie Garrett, Somerset; 28—Jim Hahn, Manual; 29—James Daugherty, McCreary County; 30—Danny Wells, Southern; 31—Jim Zorn, St. Xavier; 32—Russell Moorman, Owensboro; 33—Joe Shane, North Marshall; 34 — Brent Gregory, Paducah Tilghman; 35—Bob Poole, Bourbon County; 36—David Kendall, Shelby County; 37—Bert Fields, Jenkins; 38—Bob Rodgers, Taylor County; 39—Mike VanHuss, Holmes; 40—Ken Richeson, Western; 41—Don Hilpp, Westport; 42—Ronald Blevins, Flat Gap; 43—Jesse Amick, Atherton; 44—Robert Kidwell, Lafayette; 45—Pat Finegan, Flaget; 46 — Mel Irvin, DeSales; 47—Don Luken, Covington Catholic; 48 — Mike Allen, St. Xavier; 49 — Jed Johnston, Grayson County Catholic; 50—James Harper, Pulaski County.

DECEMBER, 1965

\$1.00 Per Year

Lifetime Sports Foundation

Washington, D.C.
July 29, 1965

Dear Mr. Sanford:

It was my pleasure to speak at your national meeting last month. After my talk, several of your associates asked for a copy of it, and suggested I send a copy to each of you. Since I spoke from an outline, I do not have a copy of the speech. I am enclosing a brief resume of my remarks.

This may seem presumptuous of me, but, as I said in the talk, I feel strongly that you and the high school coaches you administer probably can do more than any other group in furthering physical fitness and increasing individual sports participation in our schools.

You and your high school coaches are asked to speak before key groups, and thus are in a position to influence the right people. By advocating the strengthening of physical education programs, and by urging that all students be given the opportunity to learn the skills of a sport that can be played and enjoyed throughout life, these coaches can contribute significantly to the enrichment of the lives of all our girls and boys. Those of us who believe in competition should advocate, logically, competition for all.

I hope you share my concern and my belief that this is a genuine national need. I hope also that you will ask your coaches to make this appeal in their talks in the months ahead. If I can assist you in this, please let me know.

With best regards.

Sincerely,

Bud Wilkinson

Charles B. Wilkinson, President

Resume of Bud Wilkinson's Speech

It is a pleasure to have an opportunity to speak to the delegates to the annual meeting of the High School Federation. I am grateful for the opportunity to discuss with you the Lifetime Sports Foundation. I will try to make clear the following points: 1) The need for the Foundation, 2) Objectives and purposes, 3) How the Foundation will function, 4) What you

can do to assist.

At the outset I should make it perfectly clear that I am a strong supporter of competitive athletics.

Nothing breeds excellence as well as competition. I am totally dedicated, and have been all my life, to strong varsity programs in our nation's schools. Thus, I trust that you will bear in mind that my remarks related to athletics for all in no way imply a dilution or weakening of interscholastic programs.

Need for the Foundation

President Kennedy, more than any other political leader, recognized the physical fitness problem of the American people. This problem is a result of urbanization and technology which have virtually eliminated muscular effort from our daily lives. This void must be filled. Varsity athletics do a good job for a small percentage of young men. The need exists for all of our boys—and girls.

Objectives of the Foundation

The President's Council on Physical Fitness has as its major objective the establishment of satisfactory fitness programs in all of the nation's schools. Thanks to the excellent campaign of the Advertising Council, a majority of Americans have become aware of this need and great progress has been made in meeting it.

It is self-evident that in order to play a game with satisfaction an individual must possess agility, strength, coordination and flexibility. These are the qualities developed by basic fitness programs.

The Foundation will supplement the efforts of the President's Council on Physical Fitness by assisting in the establishment of more opportunities for citizens to learn skills of these sports that can be played and enjoyed throughout life.

How the Foundation will operate

Funds of the Foundation will be granted on a project basis to organizations that are manned and capable of contributing to the objectives as stated. At no time does the Foundation contemplate establishing a sizeable staff. There are three major areas in which the Foundation hopes to be effective—schools, recreation departments and ser-

Delegate Assembly Members

Members of the Delegate Assembly at the forthcoming 1966 annual meeting of the Association were elected by the principals of K.H.S.A.A. member schools on ballots returned to the State Office before November 15. There were several ties in the voting for delegate and alternate. These ties were broken recently, with the delegates and alternates involved being determined by lot. The names of the district representatives are as follows:

Delegates

(1) J. M. Martin, (2) John Robinson, (3) Joe McPherson, (4) Robert Goheen, (5) Errel B. Little, (6) Ben Finley, (7) Fred Murray, (8) R. A. Belt, (9) W. P. Wheeler, (10) Cecil Calvert, (11) William Jackson, (12) Bowman Davenport, (13) Roy Reynolds, (14) Aaron Turner, (15) Dave Montgomery, (16) Larry McDonald, (17) Damon Ray, (18) Ray Hammers (19) John H. Branson, (20) Billy Smith, (21) Bobby Green, (22) Alfred H. Meyer, (23) Willie D. Bruce, (25) Patrick Boardman, (26) Earl Duncan, (27) James C. Bruce, (29) Frank R. Hatfield, (30) Samuel Moore, (31) William L. Mills, (32) Cyrus E. Greene, (33) Arthur J. Walsh, (34) Tom Ellis, (35) Ross Mills, (36) Edward E. Ball, (37) Robert Barlow, (38) Phillip Wood, (39) Orville B. Hayes, (40) Homer Fanning, (41) Lee Mills, (42) Robert B. Turner, (43) A. C. Thomas, (44) Luther Patrick, (45) Alex Stevens, (46) Joe Harper, (47) Collas L. Simpson, (48) Lawrence Kuhl, (49) David C. Jackson, (50) W. M. Hampton, (51) James Pursifull, (52) George Francis, (53) Roy T. Reasor, (54) Fred W. Johnson, (55) Vesper Singleton, (56) Russell Bowen, Jr., (57) Paul Trimble, (58) Denzil Halbert, (59) Fred W. Cox, (60) James T. Dotson, (61) Russell Boyd, (62) Jack Fultz, (63) Jim Conley, (64) Jack Clifford.

Alternates

(1) Frank McCann, (2) Richard L. Winebarger, (3) C. W. Jones, (4) Joe Nall, (5) Odell Walker, (6) Jude Talbot, (7) David Siria, (8) Frank Simpson, (9) Lawrence McGinnis, (10) James Adkins, (11) Earl Russell, (12) Bill Lee, (13) Jim Young, (14) Ron Chumbley, (15) Roy Withrow, (16) Prentice Stanford, (17) Kenneth Riddle, (18) Cortland Cox, (19) Garland Creech, (20) Brooks Turner, (21) J. C. Cantrell, (22)

Lawrence Burdon, (23) T. T. Knight, (25) Art Moody, (26) V. M. Brucchiari, (27) John Holbrook, (29) Harvey G. Bush, (30) Lyman Dale, (31) W. L. MINUTES OF MEETING

K.H.S.A.A. WRESTLING COMMITTEE

Lexington, Ky., November 13, 1965

Present were: Mr. Ted Sanford, Mr. Will Evans, Mr. Orville Williams, Brother Leopold, C.F.X.

Mr. Sanford opened the meeting by informing the Committee that two more schools have started wrestling programs.

Mr. Will Evans then gave a report of the meeting he attended in Chicago (October, 1965). THE CENTRAL STATES MEETING FOR WRESTLING RULES INTERPRETERS.

Mr. Evans stated that the meeting was conducted by two men well known in wrestling circles, Mr. Finn Erickson and Mr. John Roberts, Executive Secretary of the Wisconsin Interscholastic Athletic Association. It was pointed out by Mr. Evans that through these meetings there is the hope that there will develop throughout the United States an interpretation of the rules that is accepted by all. He said that Mr. Erickson and Mr. Roberts conduct meetings of this nature throughout the United States, thus spreading this idea of conformity to one interpretation of a rule.

Mr. Evans pointed out further that 14 states were represented at the meeting, indicating a keen interest in wrestling in the United States. For the first time there were representatives from some parts of the South where wrestling seems to be catching on. It seemed to be a common opinion, according to Mr. Evans, among those present at the meeting that wrestling would not grow in any state where intercollegiate wrestling was not part of the program or where the Physical Education departments did not include wrestling in the training of the physical education major in the colleges of the state.

Mr. Evans recommended and the Committee concurred that our state colleges should be urged to put wrestling in their Physical Education programs and to establish intercollegiate wrestling so that in future years the need for wrestling coaches in the state of Kentucky will be filled. Individual members of the Committee intend to make contact with colleges that are members of the O.V.C. and the S.E.C. to encourage the training of wrestling coaches and the establishment of intercollegiate wrestling.

Mr. Evans pointed out one rule change that was brought up at Chicago. All take-downs would now be awarded two points. Cf Wrestling Guide p.2.

STATE TOURNAMENT

The place and date of the State Wrestling Tournament will be announced at a future date since arrangements are still being made.

Weight-in for tournament: There will be one weigh-in for the tournament.

Riding time: to avoid the problems involved in keeping riding time and to cut down the expense of

hiring timers, the Committee has set up the following conditions for the awarding of points for riding time:

1. The individual wrestler may receive only one point for riding time during a match.
2. There will be no riding time accredited to either wrestler in the first round.
3. The wrestler who starts a round in the offensive (up) position is the one who can gain time advantage.
 - a. He must keep control throughout the entire round.
 - b. He must not be penalized by the referee for any violations.
 - c. No riding time will be accredited to a wrestler who does not fulfill all of these conditions.
 - d. One point will be given to the wrestler who does fulfill these conditions.

This ruling on riding time will be substituted in place of Rule 8 section 2 in the **Wrestling Guide**.

Growth of Wrestling

The K.H.S.A.A. WRESTLING COMMITTEE MEETING was closed on a hopeful note that wrestling will grow in Kentucky as more and more men come out of Kentucky colleges trained to coach and to referee wrestling and when those who should be concerned with the physical and character development of our young men realize the great benefits that accrue to the young man who participates in a sound wrestling program.

—Brother Leopold, C.F.X.

MINUTES OF MEETING K.H.S.A.A. SWIMMING MEET Lexington, Ky., November 13, 1965

The meeting was called to order at 10:00 A.M. in the office of the Commissioner. The following committee members were present: Mr. Marshall Beard, Mr. E. W. Craik, Mr. Don Davis (Board of Control member), Commissioner Ted Sanford, and Mr. Alfred Reece. Miss Sheila C. Gilreath had sent her regrets by mail as not having been able to attend the meeting. Mr. Jack Thompson had informed the Commissioner earlier of his inability to attend, and had offered some suggestions for the committee's consideration.

The first discussion dealt with a review of the philosophy of the swimming program at the state's scholastic level.

In reviewing the 1964-65 season, the committee feels that it is necessary to make the statement that the K.H.S.A.A. endorses interscholastic rules as proposed annually in the NCAA Swimming Guide. Furthermore, the committee emphasizes that these rules have been followed for a long period of time, there having been exceptions only when necessary in certain former Class B and Class C Programs.

The size of the Class A meet in Louisville was brought to the attention of the committee. Mr. Thompson had suggested that consideration be given to separate Class A state meets for boys and girls. The committee felt that no change in the present plan should be made for the 1965-66 season, but that it was probable that in 1966-67 separate state meets for girls and boys or a two-day meet might be in order.

As to the new rule changes, it was agreed that the scoring plan suggested in Rule IV, Section 4, of the 1966 NCAA Swimming Guide does not apply, and that Section 3 does apply to the K.H.S.A.A. meets. No action was taken at this time with reference to Mr. Thompson's proposal of qualifying eight swimmers for the finals.

Mr. Sanford advised the committee that the

Board of Control in a recent meeting adopted swimming regulations, providing that schools having swimming teams shall be assigned to Class AAA or Class AA on the basis of enrollments in Grades 10-12. Class AAA in Swimming now replaces Class A, and Class AA replaces Class B. Class AAA will include those high schools with enrollments of 800 or more (grades 10-12), and Class AA will include those schools with enrollments of 800 or less.

The committee was unanimous in the opinion that it should assume the responsibility of selecting the officials for its championship meets. This relieves the Meet Manager of this important task. It was expressed that the Meet Manager has enough to do without the responsibility of selecting officials.

Mr. Davis suggested that ribbons be awarded to 4th, 5th, and 6th place finalists, the appropriate patterns, colors, etc., to be worked out by the Commissioner.

Mr. Reece suggested that this committee was not represented enough by "school personnel." He pointed out that aside from the ex-officio members, Mr. Davis and Mr. Sanford, only Mr. Beard is associated with the interscholastic program. It was suggested that the committee be increased in number, to include at least two other men and another woman high school faculty member. The Commissioner stated that President, Foster J. Sanders, would be advised of this committee request.

The meeting was adjourned at 11:45 A.M.

— Alfred Reece.

SUPPLEMENTARY LIST OF REGISTERED BASKETBALL OFFICIALS (List Compiled December 1)

If one telephone number is given for an official listed, it is the home phone number unless otherwise designated. If two numbers are given, the first number is that of the home phone.

Lifetime Sports Foundation

(Continued from Page One)

vice organizations. In each of these areas the same problems exist. Administrators of the entity must be convinced that they have a responsibility to fitness and the teaching of sports skills. Once this responsibility is accepted, instructors must be taught, through workshops and clinics, the most modern effective means of teaching these skills.

What you can do

Everyone with a full-time job is pressed

to stay abreast of his own work. A person's time is perhaps his precious commodity. To ask you to give your time is a presumptuous request. I do so because of one irrefutable fact.

Each of you in your community is the authority in all things related to fitness and athletic programs. Your position is one of continuing public interest. Your statements and opinions are covered by the press. Therefore what you have to say related to fitness programs and competition for all will be listened to by all citizens in your community. You constitute the most effective voice we can have speaking in behalf of school fitness and carry-over sports programs for all girls and boys.

I trust that you will support our efforts.

Thank you again for the opportunity to speak before this distinguished audience.

The Flying Dutchman

Kentucky is fast becoming the most recreation-conscious state in the nation and its communities are demanding the most modern recreation buildings and programs. Every coach and principal is being looked to for recreational guidance by the people they serve. It's a 100 to 1 bet that your county needs a community building right now.

When you make your next trip to Louisville, turn off the Dixie Highway and drive a mile back East Pages Lane to see the latest in modern recreation buildings in Jefferson County's new Waverly Park. Abutting the Waverly all-purpose recreation building is a golf course which will rival the beauty of Oran Teater's golf links in those Paintsville mountains. Ask Waverly recreation directors "Sad Sam" Jones or Carlos Forter to show you the building which contains a clubhouse for the golf course, a library, snack bar, kitchen, projection room and recreation hall, air-conditioned throughout. Then go back to your communities, get your county attorney to help you get federal aid to get buildings like this one dotted all over Kentucky's landscape.

Attention Guy Strong at Kentucky Wesleyan College in Owensboro! In your college is an up and coming young recreation director who can do your city and college a lot of recreational good. This young man helped construct this modern recreation plant from the ground up. Ask Donnie Schmied to lend his know-how to the advancement of recreation in western Kentucky! This former all-state guard at Eastern High School has three years of recreational experience under his belt in the Flying Dutchman's program. When Donnie gets his degree the Dutchman wants him back in his program though.

The automobile the Dutchman drives in his sashays over Kentucky has become a conversation piece among the coaches and officials. Bob Daniels, the all-time Western great, took one look as the Dutchman drove into Beaver Dam and said, "Charlie's still driving that 1957 'Tiger of the Turnpike.'" In 1964 John Bunn, Cliff Fagan and Doc Runyon tied the doors of "The Tiger" shut with a piece of rope Doc brought from Chicago but they still rattle. "Scoop" Brown didn't believe "The Tiger" would make it this year but Lexington's Coach Joe Hall wore out two new models trying to keep up with the Flying Dutchman. Incidentally, Coach Joe Hall's children were being driven to school in Lexington on Veteran's Day when a little friend asked, "What are they

The Dutchman

celebrating?" Joe's little son quickly replied, "Vettiner's Day."

Principal Tom Simmons of Allen County High and his Coach, Jimmy Bazzell, are two of the greatest Kentuckians to "come down the pike" in a long time. They are also two of the best hunters and fishermen. Tom had the Dutchman spend a day in Scottsville in October. There's the place to go, hunters! I'd rather have Tom hunt with me than that bird dog Coach Ed Diddle used to call "Rex". His nose is as sensitive as the accelerator on "The Tiger of the Turnpike."

In case you've lost track of Coach W. E. "Everett" Waller, who turned out those cracker-jack teams at Slick Rock, Munfordville and Fort Knox, just take a look in Fountain Run where he is living the "Life of Riley." A champion checker player, Coach Waller has retired on his school teacher's pension and now goes all over the country playing in checker tournaments. Everett also fishes, hunts and makes all the basketball tournaments to keep life, without coaching, from being boring. His last coaching assignment was at Fort Knox. A checker match worth driving miles to see would be Fountain Run's Waller versus Inez's Russ Williamson.

The Dutch boy gets letters and here's one asking for a basketball ruling:— A1 has received a pass from A2. He places the ball on the floor, straightens up and then bends over to pick the ball up again and dribbles. The ruling here is that A1 is guilty of a double dribble. A dribble was completed when he picked the ball up from the floor. A1 could have passed or shot but he could not dribble again—in spite of what the Globe Trotters tell you.

Another letter is from Larry Harner of Heath High School in West Paducah. That's

MURRAY — CLASS A, REGION I, DISTRICT I, CHAMPION

(Left to Right) Front Row: Dubia, Cunningham, Doran, Thomas, Sprunger, J. Wilkins, E. West, Diaguid. Second Row: D. Nanny, S. West, Owen, V. Dunn, Weatherly, Emerson, G. Wilkins, Sammons. Third Row: Johnson, McCoy, B. Dunn, Campbell, Scott, E. Hart, Williams, Lax. Fourth Row: Wall, Geurin, Bland, S. Smith, Goode, Hale, T. Hart, Shelton. Fifth Row: Taylor, Armbruster, Henry, K. Smith, Gish, Bell, Clark. Sixth Row: Nanny, Coach Holland, Coach Shelton, Coach Cartwright, Coach Teon, S. Knight, Heise, Coach Russell.

GLASGOW — CLASS A, REGION I, CHAMPION

(Left to Right) Front Row: John Vance, Jim Lile, Gene England, Joe Kerney, Donnie Faught, Wayne Smith, Bill Harward, Gary Goode, Larry Nunn, Phil Stephens, Bruce Goodman, John Jones, Robert Morrison. Second Row: Mgr. Larry Alexander, Bill Humphrey, Dennis Fant, Anthony Stephens, Terry Leech, Joe Simmons, Don Barrickman, Richard Harris, Joe Hale, Joe Byrd, Mike Sullivan, David Oliver, Cliff McCandless, Mgr. Randall Cook. Third Row: Jim Miles, David Payne, Ronnie Thompson, Charles Gordon, Glen Cole, Ernie Myers, Steve Riddle, Roger Proffitt, Bob Goode, Gary Foster, Jerry England, Charles Pichardo. Fourth Row: Coaches Sam Clark, Jim Richards, "Butch" Gilbert, Tom Downing.

principal after my ole buddies, Rex Alexander and Roy Stewart, got him educated at Murray College. That lad's name is Don Stephenson. Larry recommends Mike Matheny for the Game Guy of 1966 award. A lionheart award has already been sent to this lad who plays volleyball and kickball besides working with the weights in spite of the facts that one leg is shorter than the other, one arm is of little use, he has braces on both legs and Cerebral Palsy. How courageous can you be?

For sheer, raw intestinal fortitude the Dutchman doffs his fedora to Raceland's Jim McKnight who is one of the contenders for the Game Guy Award. Jim was recommended by Oran Teater, the Philanthropist of Paintsville; Ernie Chatin, the Mr. Recre-

ation of 1965; and David Reed of Raceland.

Here's what sports writer David Reed says about Jim McKnight, "For Jim McKnight of Raceland playing football is not just a goal but a real challenge. Jim didn't become the local hero. He never ran a touchdown, nor did he make a tackle. Jim just played football, but for Jim this was a real accomplishment. Jim has had but one leg since he was ten days old."

This lad went out for football, and while others quit the team because they were not willing to "pay the price" Jim kept working because he was determined to play quarterback, and this young fighter is getting to call some of the signals. He is richly deserving of the lionheart award which has been

SUPPLEMENTARY LIST OF REGISTERED FOOTBALL OFFICIALS

(List Compiled December 1)

If one telephone number is given for an official listed, it is the home phone number unless otherwise designated. If two numbers are given, the first number is that of the home phone. Mitchell, Emmett D., 120 Hamilton Park, Lexington, 255-3511. Seavers, Joe, 2517 Ann Street, Ludlow, 291-8925, 341-0213. Williams, Bill E., Route No. 1, Box 140, Metropolis, Illinois, 524-2561, 524-2711

New From AAHPER

DGWC BASKETBALL TECHNIQUE CHARTS

Attractive 8½ x 11 inch charts, suitable for bulletin board display, illustrate basic techniques of the girls and women's game.

12 charts (243-06878) \$1.50

DGWS STATEMENTS ON COMPETITION FOR GIRLS AND WOMEN

Guidelines for both high school and college programs are now available in quantity. These statements first appeared in the September 1965 Journal, pages 34-37.

Guidelines for Interscholastic Programs for High School Girls (243-07690) 1-99, 10c each; 100 or more, 5c.

Guidelines for Intercollegiate Athletic Programs for Women (243-07692) 1-99, 10c each; 100 or more, 5c.

EVALUATION INSTRUMENTS IN HEALTH EDUCATION*

An annotated bibliography of knowledge, attitude, and behavior tests for all grade levels through the first year of college.

32 pages (244-07528) 25c

WHY HEALTH EDUCATION*

An interpretation of what health education is and is not and why it should be included in the school program. Appropriate for interpreting to school administration, boards of education, and parents.

12 pp. (244-07640) 20c

MENTAL HEALTH AND SCHOOL HEALTH SERVICES*

A discussion of the services which constitute the school's area of responsibility in providing for the mental health of school children.

24 pp. (244-07642) 40c

1965-66 MEMBERSHIP PACKETS AND PUBLICATIONS DISPLAY MATERIALS

Order your materials for professional meetings several weeks in advance. Just give a brief description of the meeting, the number of participants expected to attend, and whether you wish to receive Membership Packets, Publications Display Materials, or both. Send your request to AAHPER Promotion Unit, 1201 16th Street, N.W., Washington, D. C. 20036. Single copies of the current AAHPER memberships brochure and publications list are also sent on request.

TO ORDER: Make checks payable to the National Education Association.

Send payment with orders of \$2.00 or less. Shipping and handling charges are added to all billed orders.

No C.O.D.'s. Quantity orders of a single title are subject to these discounts: 2-9 copies, 10%; 10 or more copies, 20%. No discount on items with asterisks.

MAIL TO: NEA Publications-Sales, 1201 Sixteenth Street, N.W., Washington, D.C. 20036.

FILMS

The films listed below are in the Film Library of the University of Kentucky College of Education. The rental prices shown do not apply to schools which use one of the special subscriptions service plans, offered by the Bureau of Audio-Visual Materials.

Baseball

BASEBALL ALL-STAR GAME OF 1956, j-s-c-a, 2 reels, color, \$1.00

The All-Star Game of 1956 was played in Griffith Stadium at Washington. Stars of the American and National League are pictured in action during the pre-game activities. Highlights of the game are shown as the National League wins by a score of 7-3.

BASEBALL ALL-STAR GAME OF 1958, j-s-c-a, 2 reels, color, \$1.00

Twenty-five all-stars from the American League defeat an equal number of National League greats by a score of 4-3 at Baltimore. Close-ups of the baseball stars of today and interesting plays of the game are shown in the film (KHSAA)

BASEBALL FOR MILLION, j-s-c-a, 3 reels, color, \$1.00

In this film a colorful Big League Manager and an outstanding student of the game narrates play situations covering the official interpretation of a panorama of basic rules involving batting, pitching, base running, and fielding. It is recommended for use by officials, coaches, players and fans.

BASEBALL HALL OF FAME, e-j-s-c-a, 3 reels, color, \$1.00

This film shows the annual meeting at Coopers-town, New York, when new names are added to the Hall of Fame list. Numerous stars of the past return to the shrine each year at this time and are shown as their feats on the diamond are related. The history of Cooperstown and the purpose of the Hall of Fame are explained in the picture.

BATTER UP, e-j-s-c-a, 2 reels (22 Min.) color \$1.00

Produced by National and American Leagues of Baseball. Shows the proper techniques of batting as demonstrated by hitting stars of the majors, Stan Musial, Ted Williams, Mickey Mantle, Ernie Banks, Willie Mays and others.

BATTING FUNDAMENTALS, j-s-c-a, 1 reel, \$1.50

Basic skills which must be mastered before one becomes an accomplished hitter. Bat selection, stance, grip, stride, swing and follow-through are clearly demonstrated in this film by professional players.

THE BATTING STARS OF BASEBALL, s-c-a, 3 reels, \$1.00

Who are the big names among batters and what makes them good? Watch the featured hitters as shown in this film, learn the secrets of their styles and forms, and try it yourself. For clubs as well as classes.

CATCHING IN BASEBALL, e-j-s-c-a, 1 reel, \$1.50

The basic skills in catching baseball are presented in this film. How to catch a high rapid ball, a batted ball, a thrown ball, and a ground ball are shown. Stance, footwork, and body balance are described. Slow motion and close-up photography are used to enable the viewer to follow each step or movement in each of the basic skills.

CATCHING STARS OF BASEBALL, j-s-c-a, 2 reels, \$1.00

This is a film designed to assist in the coaching

MT. STERLING — CLASS A, REGION 3, DISTRICT 2, CHAMPION

(Left to Right) Front Row: Tim Hash, Bill Richardson, Alan Justice, Ronnie Eads, Allen McCahren, Johnny Ledford, Mason Kash, P. T. Sorrell, Jerry McCahren, Leonard Guy. Second Row: Gerald Hovemale, Chris Cropp, Mike Cooper, Grover Carrington, Cas Prewitt, John McCullough, Sam Schafer, Tom Kennedy, Glenn Henderson. Third Row: Phillip Mann, Sam Foster, Donnie Parker, Ronnie Goldy, A. B. Givens, Phillip Fawns, Ronnie Clark, Donnie Martin, Ollie Oakley. Fourth Row: Darwin Prewitt, Rick Downs, Fernando McCullough, Chuck Kidder, Jody Evans, Hobert Owens, Tracy Shultz, Larry Brooks.

of catchers but it is also interesting and entertaining. Correct methods and techniques of receiving, throwing, signaling and fielding are illustrated by Bill Dickey, Sherman Lollar, Yogi Berra and Roy Campanella.

DEMOCRACY OF BASEBALL, e-j-s-c-a, 2 reels, \$1.00

The purpose of this film is for further development of young baseball players in our modern democracy and illustrates this through sports and sports competition. This film includes a brief history of baseball along with a cavalcade of past and present stars.

DOUBLE-PLAY KINGS OF BASEBALL, j-s-c-a, 2 reel, \$1.00

This film presents an analysis of the double play in baseball. Different players from several major leagues are shown in action. Fielding, tagging, and throwing are illustrated and explained.

HITTING IN BASEBALL, e-j-s-c-a, 1 reel, \$1.50

Slow motion and close-up photography are used to follow accurately and graphically the basic fundamentals of hitting in baseball. Coordination of feet, legs, hips, shoulders, arm, and head is explained. How to select a bat, how to hold it, and correct batting position are shown.

INFIELD PLAY AT 1st and 3rd, e-j-s-c-a, 2 reels, \$1.00

The fundamentals and finer points of infield play at first and third base are illustrated by big league players. Fielding, stance, throwing, tagging runners, etc., pictured often in slow motion. Sponsored by A. G. Spalding Co., The American and National Leagues.

INSIDE BASEBALL, j-s-c-a, 3 reels, \$1.00

Fundamentals of baseball, including pitching, batting, fielding, and base-running, are demonstrated. Note: This film was placed with the library through the courtesy of the Kentucky High School Athletic Association.

OFFICIAL BASEBALL, e-j-s-c-a, 3 reels, color, \$1.00

Informative and entertaining play situations used to depict official rules interpretations covering the phases of batting, pitching, base running, fielding and umpiring. Stimulates interest and knowledge for fans, players, officials and baseball administrators.

PITCHING STARS OF BASEBALL, e-j-s-c-a, 2 reels, \$1.00

Shows four of the leading pitchers in action. Types

of pitches and methods of practice are portrayed.

PLAY BALL SON, j-s, 1½ reels, \$2.50

Joe Cronin introduces this film showing a group of fourteen-year-old boys; who are experts in baseball. Correct method of hitting, catching, and throwing are demonstrated in natural and slow motion. Based on book by Bert V. Dunne.

STRIKE THREE, j-s-c-a, 2 reels, color, \$1.00

Designed to train pitchers. The greatest pitchers in the game today show the pitching and fielding finesse that brought them fame.

THROWING IN BASEBALL, e-j-s-c-a, 1 reel, \$1.50

Slow motion, close-up and stop photography are used in presenting the basic fundamentals of throwing in baseball. Instructions are given for the overthrows, three-quarter side, side, and underhand throws. Coordination of foot and arm motion is stressed, as well as coordination of the body as a whole.

TOUCHING ALL BASES, j-s-c-a, 4 reels, \$1.00

This film is intended to teach youngsters baseball by showing various American League stars playing their positions. It is also intended to give fans as a whole a better understanding and knowledge of the rational pastime. The film shows Father Flanagan and his Boys Town Team, the Hall of Fame ceremonies in Cooperstown, New York, and scenes from night baseball games.

THE UMPIRE IN BASEBALL, e-j-s-c-a, 2 reels, \$1.00

Summarizes importance the umpire to the baseball game. Explanation of the duties of the umpire and also qualifications for job, showing where they receive their training.

WORLD SERIES OF 1954, e-j-s-c-a, 3 reels, \$1.00

Highlights of the game between the Cleveland Indians and the New York Giants are shown in this film. The Giants, sparked by the sensational hitting of Rhodes, defeated the Indians in four straight games. The Indians had set a record for the number of games won in winning the American League Pennant.

WORLD SERIES OF 1955, e-j-s-c-a, 4 reels, color, \$1.00

Brooklyn Dodgers and the New York Yankees are shown in this film. The commentary leading up to each game makes the film interesting as the Dodgers win the world championship.

FLEMING-NEON — CLASS A, REGION 4, CHAMPION

(Left to Right) Front Row: Mgr. David Fulton, Johnny Greene, Michael Hall, Bruce Quillen, Marshall Bevins, Lesley Gray, Arlie Hall, Allen Bentley, Mgr. Rex Craft. Second Row: Jimmy Johnson, Kenneth Broome, Sam Quillen, Jr., Jesse Darrell Wright, Larry Bentley, Johnny Bentley, Ninevah Yonts, Bobby Short. Third Row: Asst Coach Arthur Adams, Gary Peake, Roy Yonts, Danny Pigman, Dennie Haymore, Harold Bolling, James Breeding, Jesse Spicer, Tommy Ryan Jimmy Harristen, Coach Raymond Isaacs.

BOYLE COUNTY — CLASS A, REGION 2, CHAMPION

(Left to Right) Front Row: Victor Delenay, Mike Belcher, Billy Johnson, Jerry Taylor, Eddie Engle, Harold Logue, Robby Pendency, W. C. Wilkerson. Second Row: Mike Tyler, Ed Sleet, Donnie Coffman, Ken Arnold, Enos Burkhart, Gary Best, Donnie Dever, Dennis Seltsam, David Cochran. Third Row: Steve Burkhart, Mike B. Belcher, Paul Southwood, Dwayne Holderman, Gary Ginter, Danny Cooper, Stewart Moss, John Young. Fourth Row: Mgr. Tom Gaines, Johnny Harmon, David Cundiff, Gary Hall, Jay Reynolds, Russell Young, Holman Cotton, Terry Webb, Mgr. Ralph Johnson.

WORLD SERIES OF 1957, e-j-s-c-a, 4 reels, \$1.00

The American League champion New York Yankees, carry the series the full seven games before bowing to the Milwaukee Braves, champion of the National League. The film catches most of the hitting and shows the plays in which runs were scored in each game. The narrator, Lew Fonseca, describes the play and fills in the background with interesting bits of information concerning the game.

WORLD SERIES OF 1959, e-j-s-c-a, 4 reels, color, \$1.00

The highlights of the six games played in the series between the Los Angeles Dodgers and the Chicago White Sox are shown in this film. The Dodgers won the series by defeating the White Sox four games to two. Most of the scoring plays are filmed, along with many of the outstanding defensive plays. The color that goes with these games is captured in the film.

WORLD SERIES OF 1960, e-j-s-c-a, 4 reels, (44 Min.), color, \$1.00

Exciting moments of the seven games between the New York Yankees of the American League carried the series its full seven games before bowing to National League Pittsburgh Bucs. Highlights of all seven games are shown and the action described.

WORLD SERIES OF 1961, e-j-s-c-a, 4 reels, (44 min.), color, \$1.00

Narrated by Mel Allen, this film shows the Cincinnati Reds were able to win only the second game in the series against the New York Yankees. Superb pitching of Whitey Ford and batting power of the Yankees brought them the world's championship after five games.

WORLD SERIES OF 1962, j-s-c-a, 4 reels, color, \$1.00

Key plays from all seven games are shown as the New York Yankees of the American League retain the world's championship by defeating the San Francisco Giants by the score of 1-0 in the final game.

WORLD SERIES OF 1963, j-s-c-a, 4 reels, (44 min.), color, \$1.00

Shows highlights of games in which the Los Angeles Dodgers won the baseball championship by defeating the New York Yankees in four straight games.

WORLD SERIES OF 1964, j-s-c-a, 4 reels, (44 min.), color, \$1.00

The St. Louis Cardinals topped the New York Yankees in the first game, 9-5, and went on to win the series to become the world's champions for 1965. Covers all the exciting plays in the games.

Golf

SAVING STROKES WITH SAM SNEAD, s-c-a, 1 reel, \$2.00

Golf champion Sam Snead illustrates his grip, his stance, his swing on each of several types of golf situations. Slow motion and "freeze" shots help to clarify the instruction. Shots and driver, brassie, and various irons for difficult lies are illustrated and finally his putting technique is shown.

The Flying Dutchman

(Continued from Page Seven)

where that "hot shooting guard" who used to pour them in for Valley High settled as presented to him by David Reed.

Harry Hardin, who won many honors as basketball star at Western Kentucky State College in the days of Peck Hickman, Bemis Lawrence and Hugh Poland, had another

come his way this month when his Fairdale High School won the Abou Ben Adhem Award for the promotion of good practices during the football season.

Up in Wisconsin Les Anson, the assistant director of the Wisconsin Inter-scholastic Athletic Association, has added something new to his basketball clinics. At each meeting he engaged a coach to talk on the subject, "What a coach expects of an official." Send us the results of those speeches, Les, to pass on to your friends here in the Bluegrass State. It just occurred to me that you'd really have good cheese in Wisconsin if your cows could eat some of Kentucky's bluegrass.

Irvine is a real sporty town. Earl Cox, who will soon be sports editor of one of the largest daily newspapers in the nation, calls Irvine his home and so does Charlie Masten, sports announcer for WHAS-TV. Sid Meade supplied this information for the column.

CHRISTMAS - 1965

Dear Customers and Friends:

We at Hunt's want to take this time to thank you for the opportunity of serving you, given us through the past years.

If in any way we have been successful in making your job as Coach, Principal or Athletic Director easier throughout the past year, then we feel that our efforts have not been in vain.

We are at this Holiday Season reminding you that you have the very best wishes for the Happiest of Holidays from us at Hunt's and may 1966 bring good health and good fortune to all of you and yours.

Very truly yours,

Early Season Basketball Questions

EDITOR'S NOTE: These rulings do not set aside or modify any rule. They are interpretations for some of the early season situations which have been presented.

Clifford B. Fagan

1. Play: After the termination of the 2nd quarter and during the half-time intermission, while: (a) the official is examining the scorebook; or (b) walking to his dressing quarters; or (c) as he returns to the floor prior to the beginning of the 2nd half, coach of team A disrespectfully addresses the official or attempts to influence the official's 2nd half decisions.

Ruling: Technical foul. The 3rd quarter will start with the free-throw attempt which will be followed by a throw-in at the center of the court by a team B player.

2. Play: A1 commits a violation. B1 is awarded a throw-in at the designated spot.

Ruling: Following a violation, the designated spot is that at which the official hands the ball to the player to make the throw-in. The throw-in must be made from this designated spot. The player making the throw-in must have at least one foot on or over the designated spot.

Comment: 1965-66 Case Book Play 30 refers to a pivot situation only for the purpose of explaining the latitude permitted the player making the throw-in as it affects the position of his feet. The ball is dead and, therefore, the player making the throw-in cannot travel. The designated spot applies only longitudinally, that is, along the out of bounds line. It has no application as far as distance back from the boundary line is concerned. The designated spot has no height. It is permissible for a player making a throw-in to jump into the air and make the throw-in from the designated spot but above the floor level.

3. Play: (a) B1 takes one step to his left using his right foot as a pivot foot and returns his left foot to the designated spot and steps to his right, using his left foot as a pivot foot during throw-in; or (b) B1 takes one step to his right with his left foot and then raises his right foot and releases the ball before his right foot again touches the floor.

Ruling: Legal in (a). In (b) it is per-

missible only if the right foot in this situation is directly above the designated spot.

4. Play: Team A scores a field goal. During the dead ball immediately following, time-out is granted either team A or team B. What throw-in privileges does team B have when play is resumed?

Ruling: The time-out immediately following the field goal does not affect the throw-in privileges. That is, team B is permitted to make the throw-in from any place out of bounds behind the end line.

5. Play: Team A scores a field goal, making the score A-53, B-52. Team A has no remaining charged time-outs. There are 5 seconds left to play in the 4th period. A1 reaches through the plane of the boundary and slaps the ball out of the hands of B1 who is holding the ball out of bounds.

Ruling: Technical foul. This may appropriately be designated either as delay of game or an unsportsmanlike act.

6. Play: A1, closely guarded by B1, in the mid-court, is consuming time by dribbling. After the official's count of 2, A1 dribbles across the court to the other side in front of A2 who is guarded by B2. B1 and B2 switch opponents but keep A1 and A2 continuously closely guarded. A1 is still dribbling in the mid-court at the count of 5.

Ruling: Held ball between A1 and B2. The "switch" by the defensive men in this situation is interpreted to have maintained close guarding.

7. Play: A1, who is near the designated throw-in spot, refuses to accept the ball when official hands it to him, because A1 or his teammates are not ready to put the ball in play.

Ruling: The official should place the ball on the floor at the designated throw-in spot and begin a 5-second count.

Comment: The act of handing the ball to the designated players does not always and does not necessarily include the player's acceptance of it. In a throw-in situation if the official offers the ball to the player, the official has fulfilled his obligation. Coverage is provided for the situation in which a player refuses to accept the ball. The com-

Approved and Certified Officials

A large number of K.H.S.A.A. registered officials qualified for the advanced rating of Approved and Certified as a result of the National Federation basketball examination which was given in Kentucky on December 6, 1965. The Approved rating does not carry forward from year to year, but must be earned each year. After an official has received the Certified rating, he keeps this rating provided that he attends the clinic for the current year and worked in at least twelve first team high school basketball games during the previous year. Only officials receiving these higher ratings are eligible to work in the regional tournaments. Only Certified officials who are residents of Kentucky are eligible to work in the State Tournament.

Basketball officials who qualified for advanced ratings during the current season are as follows:

The Flying Dutchman

It is Christmas time as this column is being penned and a new year is waiting. Surrounded by scores of Christmas cards which have come from friends all over Kentucky, the Dutchman is grateful for the blessings of friendship throughout 1965.

1965 had its happy moments as well as its sad ones. In the happier vein there was the naming of Ernie Chattin as Mr. Recreation of the Year. Other stellar occasions were the colorful presentation of the State Basketball Tournament by Ted and Joe Billy, an enjoyable clinic sashay over the Commonwealth meeting old friends and making new ones, and the introduction of the Game Guy of 1965 at the Annual State-wide Sports Banquet.

A sadder note was sounded as the old year passed. A letter came from a long time friend, Aaron Turner, principal of North Warren High School, telling of the passing of W. L. Gardner who served as principal of Park City High School for the past 18 years. Aaron extolled the virtues of Mr. Gardner, whom we all knew and loved. We called him "Woody."

Memories came flooding back with the receipt of this letter. The Dutchman remembered a good looking kid who played one of his first basketball games at Glasgow Junction High School with your writer as the official. No better athlete ever stepped on the floor in Kentucky, few were ever as talented, and certainly no one could rate higher in the category of Kentucky gentlemen than Woody Gardner.

Woody went on to becoming a Corn Cob Pipe winner and it was this same Kentucky gentleman who nominated David Wood to the Game Guy of 1962 and it was David Wood who carried off the honor. Aaron Turner says Kentucky has lost a dedicated administrator and a lover of all sports as well as a man who helped to mold the lives of many young men and women, and we add to the following: "Lives of great men all remind us that we can make our lives sublime and departing leave behind us footprints in the sands of time."

As the old year bowed out the Dutchman attended a party sponsored by the East Jeffersonville Lions Club of Fern Creek for physically handicapped boys and girls which could well serve as a model for occasions of a similar nature all over Kentucky. With

Fern Creekers Warren Stout, Jim Kirk, Archie Hornbeck and Warren's son, Cliff, taking the lead, physically handicapped youngsters were given a party which they will never forget. The Dutchman salutes this club via an Abou Ben Adhem Award.

With the increasing interest in the Game Guy Program of the Kentucky High School Athletic Association, such occasions for less fortunate boys and girls well mean the difference between happiness and lives of loneliness and sadness. The greatest thing which comes to us from our associations in sports is not the championship but rather the smile on a face where one didn't exist before.

From Cletus Hubbs, Jr., of Eminence, comes a request for a ruling on the following situation: Team A has two players on the score book with the same number. Both of these players participate in first half, but not at the same time. It is not discovered, however, until half time that this has happened. The two players remain on the book with the same number during the second half. The ruling here is that there is no violation unless both of these players with the same number participate at the same time.

While we are on play situations let us get straight on this one: A-1 has not dribbled. He places the ball on the floor and straightens up. He then picks the ball up again. May he then dribble? No. Placing the ball on the floor and picking it up constituted the completion of a dribble and any subsequent dribble would be a violation. This situation has been happening over Kentucky and it is being pointed out to the Dutchman that the Globetrotters do it all the time. To this we reply that the Globetrotters break just about every rule in the book.

From my old buddy, Courtney Clark, the sage of the high country around Ashland, comes an ash tray in the shape of a skillet advertising the University of Southern Mississippi in Hattiesburg. That is where Courtney's son, Jeep, is coaching basketball, and Courtney is one of the proudest male parents this scribbler has ever met. Thanks for the memento, Courtney, and keep puffing away on your cob pipe.

We have a friend in Calloway County, in the heart of the Purchase, in the person of William B. "Buffalo Bill" Miller, principal of Calloway County High. Bill writes the following: "Congratulations on the fine

job Kentucky High School Athletic Association is doing for the young people of Kentucky! I read your column each time the Journal comes around. In fact, your column prompted me to write this letter of recommendation."

"I have a fellow I would like to recommend for the Corn Cob Pipe of Honor Award. I am enclosing a brief biography of his teaching life. Mr. Buron "Boots" Jeffrey has been a teacher, coach, principal-coach, and county school superintendent for 41 years. He began his teaching career in Pulaski County where he taught for one year, 1925-26. In the second semester of the 1925-26 school year he moved to Lynn Grove High School at Lynn Grove, Kentucky, where he served as teacher, coach, and principal-coach until 1950. In 1950 he became Superintendent of Calloway County Schools where he is presently serving. In these years, countless numbers of young people have come under his influence. Many of his students are now serving mankind in all walks of life. He is vitally interested in all young people everywhere. Therefore, I would like to recommend him for this honor."

The first Corn Cob Pipe of Honor Award for the year of 1966 has been sent to "Boots" Jeffrey — may his tribe increase.

Incidentally, Preston "Ty" Holland is located in that country, and it is a safe bet that any place this fellow Holland goes you will find his goodness rubbing off on somebody else. That's just the kind of fellow "Ty" Holland is.

Watching the Los Angeles Rams play the Baltimore Colts on coast to coast television brought a thrill to this Dutch writer as he watched the one and only Tommy Bell officiate that important classic. Ted, Joe Billy and others who are almost in the Dutchman's age bracket, remember a scrappy little quarterback playing in high school in Lexington who went on to become a top-flight basketball official and then rose to the heights to become one of the top-flight football officials. Practicing law in his spare time, Tommy must have a legal mind filled with the Kentucky statutes, the football statutes and the basketball statutes. Just one of these categories makes nervous wrecks out of most of us but our Tommy is so cool and collected that he can under shoot Harry Stephenson on the golf course any time Harry gets his clubs out.

If any of you people know the name of

the mountaineer joker who sent the Dutchman a Christmas present in the form of a comb and hair brush please let us know. This writer needs that present like he needs a hole in his head. Right now a good guess is that it came from a character in the Whitesburg country by the name of Goebel Ritter.

As the Dutchman closes his column with a wish for a happy new year, he passes on the following philosophy:

"Live for something, have a purpose,
And that purpose keen in view,
Drifting like a helmless vessel,
Thou canst ne'er to life be true."

The Basketball Hall of Fame

During the school year 1964-65, twenty-one additional K.H.S.A.A. member schools made contributions or pledges to the Basketball Hall of Fame, bringing the total number of contributing schools to forty-six. Of this number, twenty-seven schools have taken out or will take out Group Membership at \$100.00 each. Contributing members are listed below.

Kentucky school men and those in other States have used various methods in raising money for Basketball Hall of Fame Group Memberships. The following have proved most successful and least objectionable:

1. Hold Hall of Fame Night (collection at game).
2. Ask sports writers to assist in promoting plan calling for fans to mail in small checks to school athletic fund.
3. During radio broadcast of game, ask listeners to send contributions to school athletic fund.
4. Ask service clubs for contributions.
5. Solicit student contributions.
6. Ask Pep Club to underwrite membership.
7. Purchase membership from athletic fund receipts.

Guest Editorial

LET'S KEEP UP
THE PROGRESS

Before they toss up the ball to start the new basketball season, we would like to say a few words about the emphasis placed on the conduct of bench personnel during the 1964-65 season.

We all recognize the rather unique aspects of high school basketball, particularly as they relate to the emotional environment surrounding the game. Last year the National Basketball Rules Committee drafted Rule 10-7 in an effort to spell out the proper conduct of all bench personnel.

Along with this rule change went an appeal to coaches, principals and game officials to enlist their cooperation in seeing that the undesirable aspects of team and spectator sportsmanship be removed and that interscholastic basketball remain a wholesome activity, making a very worthwhile contribution to the over-all educational program of the school.

While reports received concerning last year's efforts were extremely encouraging, there were, unfortunately, a few officials and coaches who "didn't get the word". So that we can continue to improve in this area, we are renewing our plea for a complete understanding of the interpretation of Rule 10, Section 7, of the 1965-66 Basketball Rules.

The COACH must accept the fact that he is responsible for setting an example of sportsmanship and self-control that will not only contribute to a healthy game atmosphere, but will also permit him to do a better job as coach and leader of his team. He should insist that his players respect the authority of the game officials and accept their decisions without verbal or visible signs of protest.

The OFFICIAL must remember that during the contest he is entrusted with the responsibility of administering the game according to the rules as written. As long as he does so, he will have the complete support of the State Association. If an official fails to accept this responsibility by "setting aside a rule to avoid an unpleasant situation", he is most assuredly inviting trouble.

The HIGH SCHOOL PRINCIPAL is recognized by the IHSA as the official representative of his school. Though he may delegate authority to members of his faculty—the ultimate responsibility for the conduct and actions of members of the school coaching staff is his alone. It is strongly recommended that each principal meet with his coaches for the purpose of discussing exactly what he expects from them in regard to their responsibilities and conduct before, during, and immediately after an interscholastic contest. Of particular concern is the necessity for a clear understanding of the restrictions placed on a coach (and other bench personnel) during the game.

Rule 10, Section 7, specifies quite clearly what those on the bench may or may not do. Bench personnel are prohibited from engaging in any actions which would indicate objection to an official's decision, or which would invite undesirable crowd reactions. It requires coaches to remain seated on the bench except during certain situations which are spelled out in the rule.

Under these provisions, a coach may leave the bench to encourage or direct his players only while the clock is stopped. He may also leave the bench for certain other very specific duties that include (1) signaling his players to call a time-out, (2) to confer with a substitute, or (3) when necessary to confer with personnel at the scorer's table.

If this rule is to be properly enforced, it will take the cooperation of everyone concerned with

In Memoriam

WOODFORD LLOYD GARDNER

Woodford Lloyd Gardner who taught and coached at Park City High School for nine years before becoming its Principal in 1948, died on December 11, 1965, from an apparent heart attack.

Woodford graduated from Cave City High School in 1932. During his high school years, he was outstanding in basketball and baseball. He attended Western Kentucky State College where he played basketball as a freshman. He was in professional baseball for about three years, playing with Mobile, Alabama, and Kilgore, Texas, in the minor leagues. Later he returned to Western to complete his Master's Degree in Education. At Park City Mr. Gardner earned the reputation of being one of the most efficient and capable school administrators in Barren County and the Third District. His love for sports was evident in the many years he gave to coaching. A man of dynamic personality, he gained the love and respect of every boy who was associated with his teams.

Mr. Gardner was an active member of the Park City Methodist Church. He was affiliated with the Park City Lions Club, Masonic Lodge, and was a Shriner.

Survivors include his wife Capitola Arterburn Gardner; two sons, Woody Jr., Sophomore at Western Kentucky State College, andn Randy, age 9, in the fourth grade at Park City School.

—W.B.B.

keeping basketball the fine game it is. While the officials have been instructed to enforce this rule without warning, it should be the responsibility of school administrators to impress upon their coaches the need for observing this rule so that it will not be necessary to assess technical fouls for violation of Rule 10-7.

—The Illinois Interscholastic

New Track Film

The new track film, **THIS IS TRACK AND FIELD**, was released for distribution last July. The film is produced under the sanction and supervision of the National Federation and allied groups. It is the twenty-fourth in the series of official rules films. Wilson Sporting Goods Co. and Wheaties Sports Federation are again serving as co-sponsors of the film as they have all previous films.

The scenes for **THIS IS TRACK AND FIELD** were filmed on the new all weather track at Hobbs High School, Hobbs, New Mexico. The host state association was the New Mexico High School Activities Association. Track and field personnel were chosen from the Hobbs High School. Members of the National Federation of State High School Athletic Associations and allied groups served as members of the Technical Staff, and thereby assure the authenticity of the rules for the sit-

uations filmed. Outstanding area track and field officials appeared in the film.

Track and field officials, coaches, participants and fans have long desired audio visual help to understand the basic rules of running, jumping, vaulting and throwing. **THIS IS TRACK AND FIELD** is produced to provide a better understanding of the regulations under which modern track and field events are conducted. The words — "Swifter — Higher — Stronger" used in the Olympic Motto introduces a panorama of track and field situations. The film is recommended for all interested in this age old sport.

A print of the film has been secured by the Kentucky High School Athletic Association, and has been placed on loan with the Bureau of School Service, College of Education, University of Kentucky.

Coach of the Year Clinic

The Second Annual Kodak Coach of the Year Clinic will be held at the Brown Hotel, Louisville, Kentucky, on February 4-6, 1966. The clinic is for football coaches. It is co-directed by Duffy Daugherty and Bud Wilkins.

Films

The films listed below are in the Film Library of the University of Kentucky College of Education. The rental prices shown do not apply to schools which use one of the special subscriptions service plans, offered by the Bureau of Audio-Visual Materials.

Tennis

ADVANCED TENNIS, e-j-s-c-a, 1 reel, \$1.50

While working with a tennis pupil, Bill Tilden narrates and demonstrates, showing advanced techniques of tennis.

BEGINNING TENNIS, e-j-s-c-a, 1½ reels, (14 min.), \$2.50

Shows how the tennis instructor teaches tennis to beginning and advanced students. Includes an analysis of the basic fundamentals of tennis—serving, forehand and backhand drive, forehand and backhand volley, and the smash. Shows actual play situations in which these fundamentals are emphasized, and also includes individual demonstration and analysis.

Gymnastics

GYMNASTICS, PART I, j-s-c-a, 1½ reels (17 min.), \$2.50

Introduces the basic principles of gymnastics and follows the routines developed by polished performers on the parallel bars, the rope climb, and the long horse. Attention is given to the rolls, handstands, and hand-springs, twists, and somersaults that are basic to tumbling. (Hoefler).

GYMNASTICS, PART II, j-s-c-a, 1½ reels (17 min.), \$2.50

Introduces the gymnast to the fundamentals of free exercise routines. Stresses the importance of smooth action as well as strength, form, balance, and ability to develop the difficult routines. Demonstrates rings, side horse, and the high bar. (Hoefler).

What Is An Official?

Between the exuberance of the winner and the downhearted dismay of the loser we find a creature called an official. Officials come in assorted sizes and shapes but usually are dressed in the same type of uniform. All, however, have the same creed — to watch every play of every quarter of every game and to call the plays to the best of their abilities as they see them.

Officials are found everywhere — on the field, in the gym, on the track, on the mat, on the diamond, in the pool — on top of, running around, jumping over, climbing through, and always with whistle ready, looking, looking, looking for some infraction. Fellow officials rib them, athletes tolerate them, spectators boo them, coaches criticize them, wives adore them, sons and daughters idolize them, and mothers worry about them. An official is Courage in cleats, Spirit in stripes, Wisdom with a whistle and despite the fact that they get paid for their work, they have a devotion to duty above and beyond that one normally finds in a day's work.

When the game is close, the officials are incompetent, indecisive, and stupid. When it is one-sided, they are merciless, whistle-happy, careless and domineering.

An official is a composite. He looks like a gentleman, acts like a traffic cop, is as fussy as an old grandmother with her sewing basket, and as immaculate as a debutante.

To himself, an official has never missed a play, called a ball a strike or split a second incorrectly with a stop watch. He has the eyes of an eagle, the keen mind of an Einstein, the judgement of Solomon and the speed and graceful motion of Joe DiMaggio and Jessie Owens, all rolled into into one.

To the men who work with him, he is always out of position, runs like a truck, steals calls from under his partner's nose, is blind as a bat, stupid as a mule, and is utterly incapable of making a correct decision on anything except who should drive.

An official likes trips out of town (with mileage), few training sessions, well-coached teams, considerate coaches, polite players, dry fields, cool crisp days, and the quiet satisfaction of having been a part of a perfect football day. He cares not for wet games, tough deci-

sions, screaming coaches and irate fans.

An official is a wonderful creature. You can criticize him but you can't intimidate him. You can question his judgment but not his honesty. He is the symbol of fair play, integrity and sportsmanship. He is a hard-working, alert, determined individual who is making a great contribution to the American way of life through athletics.

— Peter Billick, Rochester, New York

The Athlete's Heart

The notion that the athlete's heart is an abnormally and unhealthfully enlarged heart has long been exposed as a myth. The heart of the trained athlete is now considered normal and its counterpart — the loafer's heart — abnormal.

The athlete has been judiciously guided by competent leadership to extend himself beneficially beyond the early stages of fatigue in a progressive training program. As a result, his heart pumps a greater output of blood per minute with fewer beats. It relaxes longer and more completely between beats. Its strengthened musculature empties the filled chambers more effectively. The heart now works far more efficiently at rest and far more capably during activity. This is no more than the normal function of the heart: to propel blood to the body tissues as required.

The most fundamental element of all sports — both contact and noncontact — is the ability to endure. Fatigue first shows subtly in the finer muscles that are essential to refined skilled movement, and then more obviously in impaired gross performance. The athlete who "lasts" (skillfully) is less prone to injury. The athlete who "outlasts" his opponent (again skillfully) achieves.

The athlete's heart, being efficient, can divert a considerable amount of oxygen away from its own needs to meet the needs of other body tissues. Its improved capability to supply adequate oxygen to the body as required and to remove, equally adequately, the metabolic wastes, is the essence of endurance. As the body's prime endurance muscle, the athlete's heart enlarges only moderately if at all, and reverts to initial size if rigorous training ceases. The effects of training on the heart and on the whole cardiovascu-

NEWPORT CATHOLIC — CLASS AA, REGION 3, CHAMPION

(Left to Right) Front Row: Dan Schabell, Phil Osterhage, Mike Gubser, Eddie Ziegler, Mike Sheridan, Dave Little, Ron Cresswaite. Second Row: Joe Fischer, Mike Gentrup, Nick Maiorino, Gary Johns, Greg Smith, Bob Egan, Bob Kelly, John Rappio, Pat Sheridan. Third Row: Mike Vetel, Jerry Bertke, Jim Schneider, Larry McClaron, Bob Macke, Greg Ladenburger, Terry Mann, Mike Fey, Joe Klare, Jack Neiser. Fourth Row: Tom Goetz, Greg Klein, Ron Radenheimer, Ken Lemberg, Ed Huber, Rick Muench, John Wimberg, Dave Kremer, Jim Dollar, Bill Drews.

lar system are more clearly reflected in one's tolerance to prolonged activity.

There is no evidence to show that exercise has ever damaged a normal heart in a properly conditioned healthy athlete. Hearts are weakened by disease or congenital defects, not by participation in sports. However, since considerable stress is necessary to "train" a heart and keep it trained, this same stress can be detrimental or debilitating if disease or defect is present. Thus cooperative medical and athletic supervision is a must for activity programs.

Medical evaluation should precede the onset of a rigorous exercise program by the sports enthusiast of any age. If a heart abnormality is found exercise may be prescribed, but only if careful supervision is assured. Sports involvement easily bypasses the natural inclination to rest and the athlete can find himself exerting beyond his intentions. While the normal heart will become improved, an impaired heart may not be able to tolerate this increased load.

Athletic leadership, therefore, must be sensitive to symptoms that indicate the need for medical reexamination: breathlessness, rapid pounding heart, or extreme weakness or shakiness that last for more than ten minutes after exercise; broken sleep or unusual restlessness during the night following strenuous exercise; or fatigue that holds over through the next day. These may be signs that the athlete pushed too far too fast. They may indicate the athlete's lack of attention to other aspects of training such as rest, nutrition, and healthful living in general. Or they may suggest the presence of a previously undetected heart problem.

While few can aspire realistically to the athlete's heart that permits a sub four-minute mile or the running of the marathon, it is realistic to make an improvement on a loafer's heart. The loafer's heart is only seemingly healthy. Its level of tolerance is geared only to the relative sedentary life that produced it, and may not suffice at moments of unusual stress

or emergency. The loafer's heart is also vulnerable to American urban society's characteristic stresses such as emotional pressures and excessive smoking. Such stress may be particularly hazardous because it is now known that many young presumably healthy Americans have unrecognized early stages of degenerative heart disease.

The athlete's heart must not be considered the exclusive property of the varsity athlete or, necessarily, his permanent possession. It is an attainment to be earned through engaging in regular suitable endurance-type exercise, each in one's own way according to respective interests, capabilities, and limitations.

— National Federation and The A. M. A.

THE PURPOSES OF COMPETITION

The purposes of competition dictate the nature of any athletic program. A lack of understanding of this principle results in confused thinking and, in some situations, develops conflicts in administration.

Misunderstanding results when a person or group does not differentiate between the reasons for professional athletics and athletics which are sponsored by educational institutions. Trouble ensues when a fan or official uses the same standards to judge professional and school athletics.

Unless the interscholastic program serves educational purposes, it has no place in the school program. School athletic policies must be determined on the basis of the effect athletics have on the education of the student. When this principle is observed, the conduct and nature of the program is crystal clear.

Professional sports are, of course, entertainment. They are a phase of show business. This is perfectly legitimate. Their purpose is different from that of interscholastic athletics. Because of the differences in purposes of educational sports and professional sports,

ASHLAND — CLASS AA, REGION 3, DISTRICT 2, CHAMPION

(Left To Right) Front Row: Mgr. Condit Steil, Dan Hickman, Mike Simmons, Paul Hill, John Radjunas, Jim Ward, Gary Layman, Bob Mahan, Tobey Tolbert, Jim Skaggs, Rodney White, Trainer Emmor Evans. Second Row: Asst. Trainer Tom Barnette, John White, Bob Salyers, Bill Gannon, Arthur Brooks, Pat Hickman, Paul Nichols, Jeff Ward, Leroy Whetsel, John Moore, John White, Don Henderson, Ralph Felty, Buzz Daniels, Mgr. Dan Dove. Third Row: Coach Tom Kingery, Coach Rex Miller, Les Carver, Vic Marsh, Gary Grizzle, Don Lentz, Tom Lyons, Guy Gibbons, Bob Bradford, Roger Frazier, Les Lyons, Ed Meadows, Jim Tackett, Bill Brown, Coach Layman, Coach Curtis. Fourth Row: Ed Steil, Mike Harris, Steve Ward, Bill Culbertson, John Thomas, Buddy Figley, Bill Swimm, Frank Gibbons, Larry Sparks, Walt Myhnier, Bob Oakley, Ellis Gillam, Larry Webb.

it is necessary that there be separate and individual standards for each level. The knowledge and acceptance of this fact dictates that officiating procedures in professional sports and for the school-college community cannot be identical.

While it may be perfectly justifiable for officials of professional games to tolerate abuse from professional coaches, unsportsmanlike acts by school coaches and players cannot be permitted. The contention that abuse from coaches is excusable because it isn't personal is, of course, a most ridiculous alibi. Nothing is, nor can be, more personal than a coach's or player's abuse of an official. Because such abuse is excused at the professional level, makes it in no way acceptable at the interscholastic level and it must not be tolerated there.

This fact is increasingly important with the present coverage of Basketball Rule 10-7. Now both the coach and the fans are cognizant of how a basketball coach is required to behave. In former years, the average fan may not have known what proper conduct was for a coach. As a result, he may have supported and "chimed in" when the coach vented his emotions on the officials.

At the present time, all knowledgeable basketball spectators and the officials know that the coach is wrong, both ethically and by rule, when he leaves the bench. The spectators are aware that the coach commits a foul by so doing and has, in effect, called it upon himself.

The professionals are not particularly concerned with contributing to the education of those who participate in their games. By contrast, unless participation in interscholastic athletics does contribute to the participant's education, there is no place for athletics in the school program. Such contributions can, and will, be made only when coaches accept the decisions of officials promptly and consistently penalize those coaches who are violating the standards of the game.

—Cliff Fagan, Nat'l Fed. Ex-Sec'y.

MINUTES OF BOARD MEETING

The Board of Control of the Kentucky High School Athletic Association met at the K.H.S.A.A. Building, Lexington, on Saturday morning, December 18, 1965. The meeting was called to order by President Foster J. Sanders at 10:00, with Board members Don Davis, Ralph C. Dorsey, Sherman Gish, Preston Holland, Don R. Rawlings, and Oran C. Teater; and Assistant Commissioner J. B. Mansfield present. The invocation was given by Preston Holland.

Ralph C. Dorsey moved, seconded by Oran C. Teater, that the reading of the minutes of the October 9th meeting be waived, since the members of the Board had received copies of these minutes. The motion was carried unanimously.

The Assistant Commissioner, acting for Commissioner Ted Sanford who was unable to be present, reported that the 1965 football championship playoffs had been very successful. Ticket sales in the preliminary games and in the finals were good. He recommended that each of the four teams participating in the playoffs in Lexington be allowed an additional amount of \$200.00 for incidental expenses. Don C. Davis moved, seconded by Preston Holland, that the appropriations recommended be allowed. The motion was carried unanimously.

Oran C. Teater, Chairman of the Trophy Committee, reported that his Committee had

BELFRY — CLASS AA, REGION 4, DISTRICT 2, CHAMPION

(Left to Right) Front Row: Mgrs. Donald Wallen and Greg Chapman, Mascot Robbie Vipperman, Mgrs. David Johnson and Kevin Varney, Second Row: Harry Catron, Eugene Isom, Ken Small, Mike DeGeorge, Bob Borgett, Larry Hensley, Terry Varney, Donald Plummer, Ronald Martin, Frank Guyton, Leon Siggers, Eugene Hont, Paul Hampton, Virgil Lockard, Coach Millard Bevins, Third Row: Coach Albert Vipperman, Wally Bevins, Jasper Webb, Jody Todd, James Stepp, Donald Hackney, Danny Hatfield, Scotty Smith, Randy Scott, Freddy Warf, Leslie Estepp, Ronald Scott, Robert Taylor, James Runyon, Ronnie Brooks, Coach Frank Allara, Fourth Row: Paul May, Jimmy Sullivan, Calvin Durham, Freddy Atkins, Terry Scott, Leon Guyton, Mike Lowe, Jim Lowe, Randy Runyon, Mike Smith, Harold Borders, Greg Higgins, Jim Lockard, Larry Smith, David King, Gary Varney.

met at the K.H.S.A.A. office on October 23, 1965, at which time sealed bids for the 1966 district and regional basketball trophies were opened. He stated that the Committee accepted the bids of the Sport Shop, Glasgow, Kentucky, for both district and regional trophies. The price per set of the district trophies was \$36.00 and \$47.00 per set of regional trophies.

The Assistant Commissioner reported that the Commissioner planned to divide the schools into three classes in track. Class AAA will be the schools in Jefferson County. The remaining schools will be placed in Classes A and AA. There will be four regions in Class AAA and eight in each of the other Classes. Don Davis moved, seconded by Oran C. Teater, that in any class having less than eight regions, more than one contestant in each event may represent the region so that eight contestants shall advance to the State Track Meet. The motion was carried unanimously.

The results of a baseball questionnaire sent out by the Commissioner were presented. These questionnaires had been sent to other state offices. They concerned the number of games and innings a pitcher may pitch; the number of games allowed during the season, and the selection of all-tournament teams.

The Assistant Commissioner read the correspondence concerning the Doug Parsons case which the Commissioner had asked the Board to review. In the opinion of the Board, By-Law 6, Section 3, does not apply to the case of Doug Parsons, who attended school at Wayland High School in 1964-65 and transferred to Betsy Layne High School this year.

Don Davis moved, seconded by Preston Holland, that the 400-Yard Freestyle Relay replace the 200 yard event in the State Swimming Meets. The motion was carried unanimously.

President Sanders announced the appointment of Mrs. W. R. Bell, Rev. Richard Grenough, and Edgar McNabb to membership on the State Swimming Committee.

Oran C. Teater moved, seconded by Ralph C. Dorsey, that the next Board Meeting be held in Louisville on January 29, 1966. The motion was carried unanimously.

Sherman Gish moved, seconded by Don Davis, that the summer meeting of the Board be held at Kenlake Hotel on July 28, 1966. The motion was carried unanimously.

Preston Holland moved, seconded by Sherman Gish, that all bills of the Association for the period beginning October 1, 1965, and ending November 30, 1965, be allowed. The motion was carried unanimously.

There being no further business, the meeting adjourned.

BASKETBALL QUESTIONS

(Continued from Page One)

mittee used the word "disposal" and this is interpreted to mean placing the ball on the floor at the designated spot when the handed ball is refused. "Disposal" is used to connote first attempting to hand the ball to the player, and then if it is not accepted, placing the ball on the floor. This applies either at the free-throw line when the ball is not accepted by the free thrower or out of bounds when it is not accepted by the

CAVERNA — BARREN RIVER EIGHT-MAN CONFERENCE CHAMPION

(Left to Right) Front Row: Jerry Ballard, Dicky Daniell, Ricky Davis, Tim Tucker, Jerry Logsdon, Bruce Gentry, Paul Hay, Dennis Toms, David Johnson, Jerry Goodhue, Archie Hay, Mike Lawson. Second Row: Coach Jerome Ramsey, Bill Bastain, David Jackson, Sammy Thompson, Larry Wilkens, G. W. Esters, Dale Green, Dwayne Hatcher, Reecie Proffitt, Glen Clark, Randy Donselman, Burks McGlasson.

designated thrower-in.

8. Play: During a charged time-out substitute A6 enters without reporting to the scorers or without being beckoned by an official. His entrance is not immediately noted, but it is discovered by the scorer or an official: (a) just before the ball is put in play; or (b) during a subsequent dead ball.

Ruling: In (a) the infraction should be reported immediately and the free-throw for the technical foul awarded. In (b) the foul is discovered too late to assess a penalty.

9. Play: A1 prepares to make a throw-in. A2 legally takes position in front of A1 inbounds within one foot of boundary line.

Ruling: Legal.

Comment: A2 is entitled to any position on the floor which he acquires legally. If a B player wants a position he must get there first.

10. Play: A1 prepares to make a throw-in. A2 legally takes position in front of A1 inbounds within one foot of boundary line. A3, A4 and A5 line up behind A2 in tandem formation, perpendicular to the sideline.

Ruling: Legal.

11. Play: Team A has not occupied one of the second spaces along the free throw lane to which it is entitled in a free-throw situation. B3 moves into this space. After B3 has taken the space, A4 decides he wants it and pushes B3 out of position.

Ruling: False double foul. A4 has committed a foul when he pushed B3. If the pushing by A4 occurred before the ball has been handed to or placed at the disposal of free thrower A1, it is a technical foul for unsportsmanlike tactics. If the pushing occurs after the ball has been handed to or placed at the disposal of the free-thrower, A4 has committed an intentional personal foul. Play is resumed by a jump at the

center circle after the last free-throw by player B3.

12. Play: Is Play 7 of the 1965-66 Basketball Case Book, which is as follows, correct? "A1 scores a field goal, B1 retrieves the ball and is preparing to make the throw-in when A1 requests a time-out. Ruling: the request should be granted. The ball is dead, there is no player control and the change-of-status is not imminent."

Comment: Yes, the ruling is correct for the reasons given. That is, the ball is dead, there is no player control and the change-of-status is not imminent. If B1 were in his motion of passing the ball into the court, time-out would not be granted because change-of-status is imminent. The ruling in Case Book Play 7 is in conformance with the definition of the change-of-status and the coverage in Rule 5-8.

13. Play: A6 reports to the scorer. He is ready and entitled to enter the game. Time for the end of the 2nd quarter expires before the ball next becomes dead. The scorer then sounds his signal to indicate a substitute is ready to enter. Must A6 complete the substitution?

Ruling: A6 is not obliged to complete the substitution. If the official beckons him into the court and he enters, he has become a player. A6 is then eligible to start the 2nd half without further reporting and the player whom A6 replaced may reenter at the beginning of the 2nd half. However, it is not required that A6 complete the substitution if he desires not to in this situation.

14. Play: A6 reports to the scorer and is ready and entitled to enter the game. Play continues without the ball becoming dead and the clock stopping for a considerable period of time, during which the game situation changes. This causes A6 to leave the scorer's table either voluntarily or at

the beckoning of his coach and to return to his players bench.

Ruling: Even though A6 has reported to the scorer, it is not necessary that he complete the substitution. Since A6 is no longer at the scorers' table, the scorer should not signal the official for the substitution when the ball becomes dead and the clock stops. In effect, "A6 has withdrawn his substitution" although the phrase is not rules book language.

15. Play: Team A has requested and has been granted a time-out. Coach A is conferring with his team near their bench. Coach of Team B asks the scorer to signal the official so that he may call the official's attention to what he believes to be a correctable error.

Ruling: Team A is entitled to its full time-out without interference and is charged for it. Following the notification that the time-out has expired, the scorer will notify the official of the request of the coach of team B. If the request of the coach of team B results in the prevention or correction of

an error, no time-out is charged to team B. However, if no error has occurred nor no error is about to occur, or if it is too late to correct an error which has occurred, team B will be charged with a time-out. Team A is permitted its full time-out to prevent any attempt to exploit the intent of the rule.

16. Play: The coach of team B has been granted the privilege of calling to the attention of an official a correctable error. The official acknowledges that the correctable error has occurred, but it is too late to make the correction. One minute and 25 seconds been consumed by the official in investigating the situation and making his decision.

Ruling: Team B is charged with one time-out. The fact that more than a minute was required by the official to make his decision is not considered to be the responsibility of team B. The time-out is charged to team B due to the fact that the coach was wrong in delaying the game to call attention to an error which could not be corrected.

IF YOU ARE NOT USING OUR STUDENT COVERAGE NOW, A FEW MINUTES SPENT IN COMPLETING AND COMPARING THE CHART BELOW WILL SHOW WHETHER YOU SHOULD CONSIDER OUR POLICY FOR THE COMING YEAR.

**PRESENT OUR
POLICY POLICY**

1. Accident Medical Expense Benefit – Maximum	\$8,000

Letter from the Commissioner

To The District Tournament Manager:

Will you please refer to your K.H.S.A.A. booklet which gives rules and regulations governing basketball tournaments. You should familiarize yourself with these rules, found on pages 27-35. Your special attention is called to the second paragraph of Tournament Rule VI-A-3, relative to the enrollment of your district coaches in the Kentucky High School Coaches Association.

The forms for your various reports are self-explanatory. The report of games should be mailed to the manager of the regional tournament not later than Monday, March 7. Send your financial report, your checked eligibility lists, and the second copy of the report of games to the Commissioner as soon after the tournament as possible. For your convenience, the following check list is given:

1. Invite member schools to your tournament AT ONCE, reminding each school to send each other member school in the district a COMPLETE preliminary list of players on or before February 1, and to send you THREE copies of a final list one week prior to the district tournament. See Rule VIII.

2. Announce the time of drawings in your letter. See Rule IX.

3. At your meeting, conduct the drawings and select the officials. The state plan for division of tournament receipts is recommended. If any other plan is used, a majority vote of the participating schools must be obtained.

4. Your attention is called to the last paragraph of Tournament Rule V-A, which says: "An official shall not work a district or regional tournament in the district or region in which he resides." Also note the new provisions of Tournament Rule V-C concerning twelve first team high school basketball games.

5. The following procedure has been established by the Board of Control in the selection of tournament officials under authority given in Tournament Rule V-A: (a) Each school represented at the meeting may submit the names of one or more officials. There shall be a minimum of eight names on the list of officials to be voted on. NO NAME SHALL BE MARKED OFF THE LIST. (b) Each school representative shall rank eight officials in the order of his preference, the first choice being assigned eight points, the second seven points, etc. (c) The tournament manager shall communicate at once with the highest ranking official or officials in order of their rank. If the official who is selected can not be reached within one hour of the time of his selection, or if he is not available, the tournament manager

shall attempt to employ the next official or officials on the list in the order of their selection. If the tournament manager attempts to contact the official by telephone and there is no answer, the manager should check with the operator for a possible change in the official's number. (d) If two officials are tied on points, the highest ranking official shall be determined by flipping a coin. (e) If none of the officials on the list is available, the tournament manager shall have the sole responsibility of securing an official or officials for the tournament.

6. Tournament Rule XV now says: "The Board of Control is authorized to select, standardize, and purchase trophies for all district and regional tournaments and the cost of these trophies shall be borne by the respective districts and regions." The Board has contracted with The Sport Shop, Glasgow, Kentucky, to supply all of the official K.H.S.A.A. district first place and second place basketball trophies for the 1966 tournaments, each trophy complete with the Association seal and engraving. Your trophies will be shipped to you prior to March 1.

7. It is the responsibility of the tournament manager to secure adequate police protection.

8. THE BOARD OF CONTROL HAS RULED THAT NOT MORE THAN TWELVE PLAYERS MAY BE IN UNIFORM FOR ANY ONE TOURNAMENT GAME, AND THAT OTHER SQUAD MEMBERS SHALL NOT BE ALLOWED TO PARTICIPATE IN WARM-UP EXERCISES, THIS BEING IMPLIED IN TOURNAMENT RULE XI.

9. Please ask your officials to designate the goals prior to the warm-up time for each game.

10. You will receive three copies of a final eligibility list from each school. Have one of these checked by the coach of each competing team, before his team plays, for the twelve players he will use in each game. Use only one list for checking players on each team since the other two copies may be needed by the regional and state tournament managers. Send the Commissioner all of these checked copies with your other reports. Send the two unchecked copies of eligibility lists of the winner and runner-up to the manager of your regional tournament, along with one copy of your report of games, not later than March 7.

11. It has been ruled that the 2:00 o'clock mentioned in Tournament Rule IV-B may be considered Eastern Standard time or 1:00 P.M. CENTRAL STANDARD TIME. This information concerning the starting time of the regional meeting should be given

Basketball Questions

EDITOR'S NOTE: These rulings do not set aside or modify any rule. They are interpretations for some of the early season situations which have been presented.

17. Play: The request of the coach of team B that the scorer signal an official so that the coach may call attention to a correctable error is granted. The official decides that the situation related by the coach was either not an error, not correctable, or reported too late to be corrected.

Ruling: Time-out is charged to team B.

18. Play: While the ball is dead and the clock is stopped, coach of team A asks the scorer to signal the official so that he, the coach, may have a conference with the official at the scoring table for the purpose of calling attention to a correctable error. The scorer appears reluctant to signal the official for the conference.

Ruling: The scorer is required to respond to the coach's request. It is not for the scorer to decide the validity of a coach's request. The coach must assume full responsibility and the scorer must be instructed by the referee to carry out the request of a coach made while the clock is stopped and the ball is dead.

19. Play: With the score A 70 - B 71, the time expires for the 4th quarter. A technical foul is called on a player of team B before the official certifies that the game is over.

Ruling: Team A is required to attempt the free throw for the technical foul immediately. If the free throw is successful, the score is tied and there will be an overtime. The overtime will start with a jump ball at the center. The throw-in aspect of the penalty for the technical foul is ignored.

20. Play: A1 is awarded a free throw attempt. B1 stations himself at the top of the free-throw circle. A1, after his free-throw attempt, backs into or turns and runs into B1.

Ruling: A1 is responsible for the contact. B1 is legally entitled to the position he has taken at the top of the free throw circle.

21. Play: A1 holds B2. The referee indicates a foul. A2 raises his hand and the scorer charges A2 with the foul. Coach of team B recognizes this error.

Ruling: This situation, that is, the charging of a foul to the wrong player, is not listed as a correctable error in 2-10, and, therefore, the coach is not permitted the privilege of a conference with the officials for purposes of bringing such an error to their attention. However, the coach can apprise the officials of the situation in several ways. He may have his captain relay the information to the referee or umpire, or he could send in a substitute who would ask the captain to call the matter to the attention of the official, or it would be permissible for the coach to go to the scorer's table (as provided by Rule 10, Section 7, that has to do with the coach leaving the bench to carry out necessary coaching duties) to report the error to the scorer so that the scorer, in turn, could review it with the officials.

22. Play: A1 and B1 cause a held ball. Team B

is granted a time-out before the ball again becomes alive via the jump ball. Tall A2 takes a position in the circle in preparation to jump with B1. May the coach of team B appeal this situation to the official?

Ruling: No. This is not listed under Rule 2-10 as a correctable error. However, the captain may respectfully ask the official to check this matter. The coach, from the bench, can call his captain's (or players') attention to the error, without an infraction. There is no provision in the rule which will enable the coach to call this matter directly to the official's attention, nor can the situation be corrected after the jump ball.

23. Play: Prior to a free throw attempt by A1, B6 replaces B2. The attempt by A1 is successful. B2 reports to the scorer and desires to reenter.

Ruling: B2 may not reenter before the next opportunity to substitute after the clock has been started following his replacement.

24. Play: A1 is holding the ball prior to any dribble by him. He places the ball on the floor in front of him and then straightens to an upright position, after which he reaches down to the floor and picks up the ball.

Ruling: Legal. However, if A1 subsequently dribbles he has committed a violation.

25. Play: After the ball has been placed at the disposal of a free thrower and before the free throw has been attempted: (a) B1 and B2 exchange places by crossing through the free throw lane; or (b) A2 comes across the top of the circle to slap A1 on the back and to offer him some encouragement.

Ruling: Violation in both (a) and (b). In (a), the "call" would be delayed until A1 had completed his free throw attempt, and if the free throw was successful, this action by B would be ignored. If the free throw was not successful, a substitute throw would be awarded. In (b), this violation by A2 immediately ended the free throw and, unless it was a two-shot free throw or a free throw for a technical foul, the ball would be awarded to B out of bounds on a throw-in.

26. Play: After the official has handed the ball to free thrower A1 or placed it at his disposal, coach of team A comes to the scorer's bench and requests a conference with the floor officials for the purpose of correcting an error.

Ruling: The scorer should not signal the official in this situation. If he inadvertently does so, the official must not grant the coach's request for a conference.

27. Play: A1 is inbounds while holding the ball near a side line. B1 is standing on the side line when he touches: (a) the ball; or (b) A1.

Ruling: In (a), B1 has caused the ball to be out of bounds and the ball is, therefore, awarded to team A for a throw-in. In (b), the touching of A1 does not cause the ball to be out of bounds.

28. Play: B1 commits a bonus penalty foul against A1. While the official is taking the ball to the free throw line, A3 commits a non-flagrant contact foul.

Ruling: Foul by A3 is technical and the situation results in a false double foul. If the first free throw attempt by A1 is successful, he is allowed a second

1966 Regional Tournament Sites

(1) Murray State College, (2) Webster County High School, (3) Owensboro Sports-center, (4) Western Kentucky State College (5) Taylor County High School, (6) Freedom Hall, (7) Freedom Hall, (8) Henry County High School, (9) Campbell County High School, (10) Mason County High School, (11) Eastern Kentucky State College, (12) Danville, (13) Whitley County High School, (14) Breathitt County High School, (15) Prestonburg High School, (16) Morehead State College.

The 1966 Class AAA State High School Swimming Meet will be held at the Plantation Swim Club pool, 8609 Westport Road, Louisville on Friday evening and Saturday, February 25-26. There will be separate divisions for boys and girls. The two divisions for Class AA, representing the smaller schools, are scheduled to be held at the University of Kentucky pool, Lexington, on March 25-26.

Class AAA will include those high schools with an enrollment of 800 or more (grades 10-12), and Class AA will include those schools with an enrollment of less than 800. All-male or all-female schools with an enrollment of 400 or more are placed in Class AAA. Any school may enter a class above its classification.

General regulations concerning the meets, as adopted by the Board of Control, appeared in the September issue of the ATHLETE. All rules appearing in the 1966 scholastic section of the N.C.A.A. Swimming Guide will be followed unless there is some difference between these regulations and those adopted by the Board of Control. In such an event, K.H.S.A.A. rules will prevail. In its December meeting the Board of Control replaced the 200-Yd. Freestyle Relay with the 400-Yd. Freestyle Relay, to comply with national recommendations. Attention is called to the fact that a contestant may enter three events, no more than two of which may be individual events. This K.H.S.A.A. rule differs from the N.C.A.A. rule.

Only those swimmers who qualify for the finals will be given expense allowances for transportation, lodging and meals.

STATE TOURNAMENT OFFICIALS

The plan for the selection of State Basketball Tournament officials recommended by the Board of Control to the Tournament Manager for the 1965 tournament will also be used for the forthcoming 1966 tournament. It is as follows:

1. The Commissioner will send the names of all resident Kentucky Certified officials to K.H.S.A.A. principals.

2. Head basketball coaches must rank eight (8) officials from this list.

3. Principals will send the ballots to the Commissioner who will tabulate them. Points shall be as follows: 8, 7, 6, etc.

4. The official who is top ranked by the coaches in each section (two regions) will officiate in the State Tournament. In case of

a tie vote, the winner shall be determined by lot.

5. If an official receives the highest ratings by the coaches in two sections, the official who receives the next highest rating in the two sections shall also officiate in the State Tournament.

6. Assignment in the State Tournament will be the responsibility of the Commissioner.

7. The Commissioner will notify the elected officials.

8. If the official who is top ranked by the coaches in a section can not work, then the second ranked official will be selected.

Football Clinic

The Louisville Football Coaches Association will conduct its annual clinic, the Louisville Championship Football Clinic, in Louisville on April 15-16, 1966, during K.E.A. week.

High School coaches on the program will be: Coach Bob Dunaway, Cooper High School, Vicksburg, Mississippi; Ron Cain, Seneca High School, Louisville; and Dick Walker, Waterson High School, Columbus, Ohio.

The first session of the clinic will be held at Trinity High School, St. Matthews, Kentucky, on Friday evening, beginning at 6:30. College coachess will speak at this session. The Saturday session will be held at the Medical Arts Building, Eastern Parkway, Louisville, beginning at 9:00 A.M. This session will end at 3:00 P.M.

The tuition for each person in attendance, prior to April 1, will be \$3.00. It will be \$5.00 at the door. Advanced registrations should be mailed to Coach Charles W. Kuhn, 1103 South Chesley Drive, Louisville 19, Kentucky.

K.H.S.C.A. Notice

Secretary-Treasurer Joe Ohr of the Kentucky High School Coaches Association calls to the attention of Principals, Athletic Directors, and Coaches that membership in the K.H.S.C.A. runs from March 1, 1966, to February 28, 1967. Two coaches in each school have their fees paid from district basketball tournament receipts. Other coaches should mail their applications, along with their fees of \$1.00 each, to Mr. Ohr, whose address is Irvine High School, Irvine, Kentucky.

In Memoriam

R. A. Belt

On the night of January 8, R. A. Belt had witnessed a close basketball game between his home school team, the Dawson Springs Panthers and the South Hopkins Tomcats. He went to his office located in the school and sat down at his desk where, while probably reviewing mentally the game he had just witnessed, he died "with his boots on" in the surroundings he loved so well. He had often expressed the wish that this would be the manner of his passing.

Mr. Belt began his teaching career at Greenville in 1919. He moved to Fordsville in January, 1920, and took over teaching and coaching chores, remaining there for two years. His next assignment was as teacher and coach at Tolu for a period of nine years. During this period his teams were winners of the Regional Tournament in 1930 and 1931. They advanced to the State semi-finals in 1930, and to the finals in 1931.

His next period of service was at Fredonia from 1931 until 1936, when he became Superintendent of the Dawson Springs School System, leaving off coaching duties for full time administration. Several months ago he was awarded a plaque for having the longest tenure as a Kentucky School Superintendent.

Mr. Belt was a native of Crittenden County and was a Navy Veteran of World War I. He was a graduate of the University of Kentucky and a member of Phi Beta Kappa. He was honored and respected by his associates in the Educational field. The hundreds of former students passing under his supervision will long hold him in fond memory for his dedication and efforts in fulfilling their educational needs.

—S.B.P.

The Flying Dutchman

What a difference a year can make! Early in 1965 the Dutchman wrote the following about the erstwhile sports official, Ben Edelen, who is now an income tax consultant: "About this time of the year coaches, sports writers, principals and officials from all over Kentucky beat a path to Ben's plush offices in Buechel. They hope for refunds from Uncle Sam but are assured only a free cup of instant coffee from "Ole Ben." How this chap can smile as he says, "No refund for you; you still owe," is beyond the comprehension of the usual jovial Charlie Ruter, Johnnie Carrico, Joe Billy and the Dutchman." This comment must have touched the former whistler because "Ole Ben" has reversed the order for these "four horsemen" and is saying, "Uncle Sam owes you; now will you have a free cup of coffee or are you still bothered by last year's ulcers?"

Ben Edelen has devoted one wall of his office to pictures of sportsmen who have both won and lost in the "Internal Checker Game" with Uncle Sam. On the "Wailing Wall" are pictures of Uncle Ed, Der Baron, Peck Hickman, Earl Ruby, Dean Eagle and Pee Wee Reese, among many others. Get your picture there and then do the "Refund Shuffle" when it comes back rather than goes to our bearded Uncle.

Seeing Pee Wee's picture on Ben's "Wailing Wall" recalls a golf story told to Pee Wee and the Dutchman at Hillerich and Bradsby's annual World Series dinner this month by "Junie" Hillerich. Junie operates the Louisville Slugger "House of bats and golf clubs" when he is not golfing.

As a kid, Junie caddied at the Audubon Golf Club. One day an elderly gentleman hit a drive on a par three hole which stopped only a few feet from the cup so Junie gave it a helpful little kick to score a "hole in one." When the old gentleman found his ball in the cup he was so happy that Junie decided to do this more often and spread lots of happiness. The result was a rash of "holes in one" at this one hole on this one course. At dinner one evening his dad, the elder Hillerich, was concerned and confused wondering how so many "aces" could be scored at the same golf course. It was then that young Junie Hillerich courted disaster by telling how helpful his educated toe had been. Plates started to fly as his dad, the owner of the Louisville Slugger Company, "blew his stack." The cold hard fact was that Hillerich and Bradsby was giving a set of woods and irons to anybody scoring a

"hole in one," and young Junie's toe had really put a crimp in the profits of the bat and golf club manufacturer.

Each month somebody nominates Danville's Don Rawlings for a Corn Cob Pipe award. The Danville Principal, who is a member of the Board of Control, won this award more than a year ago—and nobody will ever deserve it more. You've got a lot of friends, Don!

When Kentucky's sports history is written, it must record that Paducah's Otis Dinning is one of the greatest Kentuckians ever to tread across the campus of Western Kentucky State College or to lead a gang of eager schoolboy competitors onto a basketball floor. Because of the leadership Otis has given to hundreds of boys and girls, this fine coach is honored with the Corn Cob Pipe for the month of January, 1966.

The Abou Ben Adhem award goes to a mountain school this month. Principal Paul Trimble, Coach Jim Wheeler and Oran Teater of Paintsville High may well be proud that sports officials have written the Dutchman to say that the courteous treatment accorded them at that sportsmanship center, plus the neighborly attitude of its students and fans, causes them to select Paintsville for the Abou Ben Adhem citation. May your tribe increase! The Dutchman doffs his fedora to Oran Teater and his staff who are serious about building character and outstanding sports at the same time.

Only two months remain for you to nominate the courageous boy or girl who is overcoming a physical handicap in your area for the Game Guy Award. Let the Dutchman know of the handicapped lads and lassies, as well as the sports in which they are engaging so he can inform Kentucky and award them the lionheart statuettes.

Bob Gour of Bowling Green sends on the information that the Park City has started an Officials Association. One by one these associations are beginning to blanket Kentucky. Bob also wants the Dutchman to tell him when a goal counts when the game ends with the ball in the air. O.K., Bob, here goes!

Any time the ball is in the air on a legitimate try when the game ends, the goal will count unless it is subsequently touched by a player, thus ending the try. If basket interference or goal tending by the defensive team takes place, the goal counts. If, however, the ball hits a player or the floor and is in the air when the period ending signal sounds, the basket will not count because the try ended when the ball touched the player or the floor. It is possible to score

(Continued on Page Eight)

The Flying Dutchman

(Continued from Page Four)

without making a try provided the signal ending the period has not sounded. Example: A-1 may bounce the ball off the floor into the basket and score, or off a player, pro-

vided time did not run out while the ball was in the air.

From St. Augustine Parish in Louisville, Reverend Arthur J. Hartman writes he is trying to interest the right people in building Community Recreation Buildings. More power to you, Reverend Hartman. These are needed all over Kentucky.

Here's a closing thought: Don't wear your wishbone where your backbone ought to be.

HOSPITALITY COMMITTEE

The following events and functions of the Hospitality Committee in connection with the State High School Basketball Tournament will be of interest to tournament visitors:

DANCES will be held in the Convention Center (formerly the Armory at 6th and Walnut Street) on Thursday and Friday nights, March 17 and March 18 from 10:30 P.M. to 1:00 A.M. The admission price is \$1.00 per couple or individual.

GOLF courses of the city and county will be available for free usage to State Tournament visitors.

THE RECREATION CENTER (West Wing of the Fairgrounds) will be open to all students for free basketball and tennis daily.

INFORMATION CENTERS — Desks will be set up and manned at both the Kentucky Hotel and Freedom Hall at the Fairgrounds. Students may register for all the hospitality events at either the Kentucky Hotel or Freedom Hall Information Centers, but coaches may only register at Freedom Hall Information Center. They must show their identification cards and have the names checked off the list of coaches which will be provided by the K.H.S.A.A.

HOSPITALITY ROOM at Freedom Hall for basketball coaches, assistant basketball coaches, athletic directors and school principals will be opened daily, 30-minutes before game time. All who will be eligible to enjoy the Hospitality Room should come prepared with their identification cards from the various associations, etc., as two uniformed attendants will be on duty at the door to expedite admittance to the room.

PRACTICE ACCOMMODATIONS FOR TEAMS — Principals of coaches desiring practice accommodations may phone or write to Louisville Male High School and make arrangements with Prin. Foster J. Sanders, for use of various Louisville gymnasiums.

STUDENT IDENTIFICATION BADGES — All students, in order to participate in the entertainment features of the Hospitality

Program and receive special prices, must have identification badges which may be picked up when they register at the Information Desks in the Kentucky Hotel lobby or at Freedom Hall.

TRANSPORTATION — Cabs displaying signs will charge a flat rate to the Fairgrounds from the hotel district as they did at the previous Tournament. Buses will be identified with signs and will give special attention to service from downtown to the Fairgrounds at regular rates.

PARKING OF SCHOOL BUSES at the Fairgrounds has been handled at the rate of 25c per bus. It has been requested by the police that, in order to handle buses expeditiously and to place them all in a special parking area, they use the same Gate No. 2, off Crittenden Drive, as will be used by Tournament Officials.

MINUTES OF BOARD MEETING

The Board of Control of the Kentucky High School Athletic Association met at the Kentucky Hotel, Louisville, on Saturday afternoon, January 29, 1966. The meeting was called to order by President Foster J. Sanders at 2:00, with Board members Morton Combs, Don Davis, Sherman Gish, Preston Holland, Don R. Rawlings, and Oran C. Teater; Commissioner Theo. A. Sanford and Assistant Commissioner J. B. Mansfield present. The invocation was given by President Sanders.

Don Davis moved, seconded by Oran C. Teater, that the reading of the minutes of the December 18th meeting be waived, since members of the Board had received copies of these minutes. The motion was carried unanimously.

Oran C. Teater moved, seconded by Sherman Gish, that the following regulations concerning the fees for regional basketball tournament officials be adopted: The official shall receive a fee of \$25.00 per game and a transportation allowance of 8 cents per mile for all necessary travel. In the event that it is necessary for the official to remain overnight at the tournament site, he shall be paid an additional \$10.00 per day for lodging and meals. The motion was carried unanimously.

There was a general discussion of possible new proposals to be submitted by the Board of Control to the forthcoming 1966 Delegate Assembly of the Association. Action on the proposals was deferred to a later meeting.

The Commissioner reported that there had been two ties in the district tournament balloting, and that he had broken these ties on the basis of what he considered the merits of the cases, following a directive from President Sanders. Oran C. Teater moved, seconded by Preston Holland, that the action of the President and the Commissioner be approved, and that the Commissioner be authorized to break district basketball tournament ties in future years on the basis of the merits of the cases until this plan is changed by the Board of Control. The motion was carried unanimously.

The Commissioner reported that bids for telecasting the final game of the State Basketball Tournament would be opened on February 1.

The Commissioner reported that he had received several inquiries in recent months concerning whether or not the use of registered officials in second team

athletic contests is required under present K.H.S.A.A. regulations. He stated that, under the By-Laws heading in Association rules, the following appears: "Governing All Contests Between Teams Representing Member Schools." He further stated that it was his belief that a strict interpretation of this rule should not apply to teams below the junior varsity or second team level, but that it was his intention to interpret the rule concerning the use of registered officials as applying to first and second team athletic contests, beginning in the school year 1966-67. He asked members of the Board whether or not they agreed with this proposed interpretation, and there was unanimous agreement on this interpretation as a matter of Association policy.

The Commissioner reported that two member schools of the Association had been suspended during the current school year for short periods of time because it was his opinion that school representatives had violated the provisions of By-Law 17. Each coach had removed his team from the basketball floor before the end of the game. The Temple Hill High School had been suspended for a period of two weeks, beginning December 6, 1965; and the Sayre High School had been suspended for the same period of time, beginning January 24, 1966.

Assistant Commissioner Mansfield reported that plans were being completed for the registration of baseball umpires during the forthcoming season, and that Athletic Director Harry Stephenson of Transylvania College will conduct a School for Baseball Officials at the K.H.S.A.A. office on February 5, 1966. Those officials invited to attend the school will conduct baseball clinics in their areas, and assist in the registration of umpires.

Preston Holland moved, seconded by Oran C. Teater, that the Track regulations appearing in the September issue of the ATHLETE be amended as follows in the events for girls: Substitute 80 yd. Run for 60 yd. Run, omit 75 yd Dash and 100 yd Hurdles. The motion was carried unanimously.

Sherman Gish moved, seconded by Don R. Rawlings, that all bills of the Association for the period beginning December 1, 1965, and ending December 31, 1965, be allowed. The motion was carried unanimously.

There being no further business, the meeting adjourned.

Letter from the Commissioner

(Continued from Inside Front Cover)

en to your winner and runner-up.

12. Send Secretary Orr of the Kentucky Coaches Association the list of district coaches to be enrolled in his organization and remittance for these, and send the Commissioner the various reports mentioned above as soon as possible.

13. Tournament Rule VI-A-3 provides that the district representative to the annual meeting may be allowed for expenses an amount not to exceed \$50.00. Since this is a maximum and not necessarily a fixed amount, the delegate should be asked to submit an estimate of the cost of his lodging, transportation, and meals because of his representing the district at the annual meeting.

Sincerely yours,
Ted Sanford

Basketball Questions

(Continued from Page One)

free throw. Team B is given a free throw for the foul by A3. Play is resumed by a center jump following all the free throw attempts.

29. Play: Before there has been any score, A1 and A2 dribble or pass the ball in the mid-court area, while team B maintains a deep zone defense.

Ruling: Because the score is tied, team B is responsible for action. If team A does not voluntarily provide action by passing or dribbling into the scoring area, the official should warn and point to team B after about thirty seconds. After this warning, at least two players of team B must advance to aggressively force action if ball and at least two players of A remain in the mid-court area. If the ball is advanced out of the mid-court area into the scoring area, and is then returned to the mid-court, B has another five seconds in which to force action. Failure by B to act is a technical foul.

30. Play: While behind in the score, A continues to hold, dribble or pass the ball in the mid-court area, with no opposition from B.

Ruling: After about 30 seconds, the first part of which the official will estimate and the last 5 seconds of which he may count while using a chopping hand motion, the responsible team (A) should be warned without stopping the clock. Thereafter, for the remainder of the period, and while A is responsible, team A has approximately 5 seconds in which to advance the ball beyond the mid-court area, unless in the meantime, one or more players of team B advance to provide action in the mid-court. If the ball is advanced clearly beyond the mid-court and returned, a new 5-second count is started.

31. Play: Team B is behind in the score and is on defense. Team A has two players in the mid-court area and is holding the ball. Two team B players move into the mid-court area about ten feet away from the A players. They make little or no effort to force the play.

Ruling: This does not constitute an active attempt to secure the ball. The defense must establish a position within six feet of the player with the ball. Failure to become at least this aggressive will draw an official's warning after thirty seconds or a technical foul after five seconds, once a warning has been given during the period to that team and it is responsible for action.

32. Play: A6 reports to the scorer during the final thirty seconds of the first half. The half expires without a substitution opportunity. The coach of team A advises the substitute to start the second half. Must the player again report to the scorer?

Ruling: Yes. The substitute is required to report to the scorer again before he enters the game to become a player. The substitution was not completed because the substitute was not signalled by the official to come onto the court.

33. Play: Substitute A6 has reported to the scorer and is ready to enter as the official: (a) is handing ball to the free thrower; or (b) is starting to toss the ball for a jump; or (c) has reached count of 4 on a throw-in.

Ruling: A change of status is about to occur in (a), (b), and (c). The scorer should not signal nor should the official beckon the substitute onto the court.

34. Play: A1, in the mid-court area is being legally guarded by B1. A1 earnestly attempts to advance the ball by dribbling. However, more than 5 seconds is consumed.

Ruling: The official will not start a held ball 5-second count while the dribbler is making a bona fide attempt to advance the ball out of the mid-court area.

35. Play: A1 scores a field goal. B1 takes ball out of bounds at end of court for the throw-in. He passes ball parallel to the end line to B2 who also is out of bounds at end of court. After 3 seconds have expired, B2 requests time-out.

Ruling: Official should grant the request. When ball is next put in play, team B will have the throw-in privileges which prevailed before the charged time-out.

36. Play: Is 01 a legal number?

Ruling: It is not illegal. However, it falls in the same category as 00 or three-digit numbers and it is not recommended.

37. Play: Team A, leading in the score, advances the ball beyond its mid-court. A1 holds the ball. No B player takes legal guarding position against him. A1 holds the ball for an extended period in the neighborhood of two minutes.

Ruling: There is no held ball. B. can secure a held ball in this situation only by placing one of its team members in legal guarding position against A1, that is, the player with the ball.

38. Play: Prior to tossing the ball for a jump, the official confirms there are 2 seconds of time left in the period. After a legal tap and after three ball has touched the floor, the backboard, or a player, it goes out of bounds. The official then discovers that the timer neglected to start the game clock.

Ruling: The referee is justified in declaring the period over if, in his opinion, he is positive that two or more seconds were consumed after the game clock should have been started.

39. Play: While seated on the bench and without using words or actions to incite, the coach instructs his team while the clock is running.

Ruling: There has been no infraction. A coach may instruct his team while sitting on the bench, as long as he does not tend to incite.

40. Play: Can a foul which is penalized with a bonus attempt be one element of a false double foul?

Ruling: Yes, and very frequently it is.

41. Play: A throw-in by A1 is legally batted by B1 so that it strikes thrower-in A1 while A1 is out of bounds.

Ruling: Team B is awarded the ball out of bounds for a throw-in.

42. Play: Team A is two minutes late for the start of the second half.

Ruling: Technical foul. One free throw is awarded team B and, following the free throw attempt, team B is given the ball for a throw-in from out of bounds at at mid-court on either side.

43. Play: A1 starts his movement for a field goal attempt. A1 pushes B1 as B1 holds A1 during the try. The ball goes in A's basket.

Ruling: Double foul. The goal does not count. Play is resumed with a jump at center.

44. Play: Near expiration of time for the second quarter, A1 is fouled after he has started his throwing motion, which is continued with the ball going in the basket but time expires before the ball leaves his hand.

Ruling: Goal does not count. One free throw is awarded. Foul is penalized before period ends.

45. Play: A6 is entitled and ready to enter when a field goal is scored. Should the scorer sound the horn or the official stop the clock?

Ruling: No. The clock should not be stopped for the express purpose of permitting the substitution. Time-out may be requested by players on the court for this purpose. If time-out is called, or the clock is stopped by the official for another reason during the dead ball, substitutes may enter.

TRACK ASSIGNMENTS

Track regulations adopted by the Board of Control provide that the state shall be divided into classes and regions by the Commissioner who will assign the schools to the regional sites. The 1966 assignments are as follows:

TRACK — GIRLS

Paducah Region — Ballard, Calloway, Lone Oak, Lyon County, Madisonville, Murray, North Marshall, Paducah, St. Mary.

Bowling Green Region — Adair, Austin-Tracy, Central City, Cub Run, Franklin Simpson, Greenville, Hiseville, Park City, Russellville, Temple Hill, Tompkinsville, Warren County.

Fort Knox Region — Caneyville, Fort Knox, Greensburg, Henderson, Henderson County, LaRue County, Owensboro, Owensboro Catholic, Taylor County.

West Jefferson Region — Butler, Carroll County, Eminence, Holy Rosary, Loretto, Oldham County, Thomas Jefferson, Valley, Western.

East Jefferson Region — Angela Meridi, Durrett, Eastern, Fern Creek, Lady of Mercy, Sacred Heart, Seneca, Shelbyville, Ursuline.

Lexington Region — Anderson, Boyle County, Bryan Station, Danville, Franklin County, Harrison County, Harrodsburg, Lexington Catholic, Paris, Woodford County.

Richmond Region — Bush, Everts, London, McCreary County, Montgomery County, Monticello, Mt. Sterling, Whitley County, Morehead Region — Boyd County, Breckinridge Training, Fairview, Flat Gap, Fleming County, Louisa, Paintsville, Paul G. Blazer, Raceland, Russell.

TRACK — CLASS A BOYS

Paducah Region — Ballard Memorial, Calhoun, Dawson Springs, Lexington, Ft. Campbell, Fulton, Hickman County, Lyon County, Murray, Murray College, Providence, Reidland, St. Mary (Paducah), Trigg County.

Bowling Green Region — Auburn, Austin Tracy, Bristow, Central City, College, Cub Run, Cumberland County, Edmonson County, Gamaliel, Greenville, Hiseville, Hughes-Kirk, Metcalfe County, North Warren, Park City, Russellville, Temple Hill.

Fort Knox Region — Bardston, Bloomfield, Campbellville, Caneyville, Caverna, Clarkson, Grayson Catholic, Hancock County, Leitchfield, Lebanon, Munfordville, St. Mary's (Whitesville), Springfield, West Hardin.

Bellevue Region — Beechwood, Bellevue, Dayton, Eminence, Falmouth, Gallatin, Lindlow, Maysville, Trimble County, Williamsburg.

Lexington Region — Anderson, Frankfort, Georgetown, Good Shepherd, Harrodsburg, Mercer County, Millersburg Military Institute, Mt. Sterling, Nicholas County, Paris, Sayre, Shelbyville.

Richmond Region — Berea, Burgin, Ferguson, Foundation, Jackson, Madison, Monticello, Mt. Vernon, Shopville, Stanford, Barbourville Region — Barbourville, Buckhorn, Bush, Fleming-Neon, Harlan, Jenkins, Lily, London, Lone Jack, Loyal, Pineville, Riverside Christian, Wallins, Williamsburg.

Morehead Region — Bath County, Blaine, Breckinridge Training, Catlettsburg, Fairview, Feds Creek, Flat Gap, Johns Creek, Martin, Menifee County, Morgan County, Mullins, Oil Springs, Paintsville, Pikeville, Pritchard, Raceland.

TRACK — CLASS AA BOYS

Paducah Region — Attucks, Caldwell County, Calloway County, Christian County, Crittenden County, Hopkinsville, Lone Oak, Mayfield, North Marshall, Paducah.

Henderson County Region — Daviess County, Henderson, Henderson County, Madisonville, Ohio County, Owensboro, Owensboro Catholic, Union County, Webster County.

Bowling Green Region — Adair County, Bowling Green, Butler County, Franklin-Simpson, Glasgow, Greensburg, LaRue, Taylor County, Todd County, Tompkinsville, Warren County, Wayne County.

Fort Knox Region — Breckinridge County, East Hardin, Elizabethtown, Fort Knox, Henry County, Kentucky Military Institute, Meade County, North Hardin, Old Kentucky Home, Oldham County, St. Joseph, Shelby County, Shepherdsville.

Bellevue Region — Boone County, Campbell County, Carroll County, Covington Catholic, Dixie Heights, Grant County, Highlands, Holmes, Lily, Newport, Newport Catholic, Pendleton County, Simon-Kenton.

Valley Region — Bishop David, Fairdale, Iroquois, Pleasure Ridge Park, Valley, Western.

Eastern Region — Eastern, Fern Creek, Seneca, Trinity, Waggener, Westport.

Certified and Approved Officials

Three additional officials have qualified for the Certified rating since the list of these higher rated officials appeared in the January issue of the ATHLETE. They are: Paul E. Boyles, Ralph M. Casteel, Lawrence Newsom. The name of Richard Sucietto should be added to the list of Approved basketball officials.

A New Sport For Kentucky

By Dr. O. H. Gunkler

Dir. of Phys. Ed. and Ath. Berea College

Throughout the high schools of America the game of soccer is rapidly increasing in popularity. School people in Kentucky interested in encouraging a broad participation in athletics might well consider soccer in their program. Both schools that field football teams in the fall, and schools that do not play football, could furnish activity that would serve a group of boys who otherwise would have no chance to play in a fall program of interscholastic athletics.

Football appeals to the large, robust athlete who enjoys a body contact sport. The small or medium-sized boy is frequently at a disadvantage in football. In soccer the size of the man is relatively unimportant, for premium is placed on agility, speed, coordination, mastery of skills and team play. Some of the world's outstanding soccer players are medium or small-sized men.

Soccer is an inexpensive sport. Expensive pads and uniforms are not needed. The game can be played with ordinary gymnasium or basketball shoes, although as the player develops he would prefer playing in soccer shoes. A long sleeved or quarter sleeved jersey, long socks and elastic waist trunks complete the uniform. Equipment no more expensive than the regular physical education uniforms could be used. The game could be played as an extramural contest until interest and skill is developed to the point when soccer could be included in the school's interscholastic program.

There is some leeway in the size of the field, although in general a field the size of a football field would be satisfactory.

The same field could be used for both games. This is a common practice. The markings for one game would not interfere with the other. Dual purpose goal posts can be developed.

One of the criticisms directed against

ANNOUNCING FOR 1966-1967

The Special Football Plan Designed For Kentucky High School Football Coaches Association Will Be Offered In Connection With An Excellent Student Accident Coverage For Your Schools.

modern interscholastic athletics is that so few boys participate in proportion to the number enrolled in school. If soccer were introduced and the boys given a chance to develop skill in this area a new sport with a minimum of expense could be introduced in the athletic program.

Soccer is always included and highly regarded in the Olympic Games. The United States has yet to gain any recognition in this sport, so important to the rest of the world. As soccer continues to grow and develop in this country the day may not be too far away when America can field a team which would bring honor to her in yet another sport. Soccer is probably more universally played than any other team sport in the world. Our foreign students at Berea College have helped to promote this game. They have developed skills from early childhood and their footwork is spectacular. In a relatively short time, however, our American boys develop rapidly enough to play a creditable game of soccer. The American love of competition stands them in good stead.

INCORPORATED

BOX 959 LOUISVILLE 1, KENTUCKY

K.H.S.A.A. TOURNAMENT DIRECTORS

District and Regional Tournament Directors can get all of their supplies and needs to run a tournament from Hunt's. We have the merchandise listed below in stock for immediate shipment. Call or write us your needs.

BASKETBALLS

Get the feel of a basketball same as will be used in the State Tournament in Louisville in your District or Regional Tournament. We have the following:

No. AFR panel lock molded ball endorsed by Coach Adolph Rupp and used by the University of Kentucky Basketball Team.

No. ARX Last Bilt ball made by Spalding.

Both of these balls will definitely be used in the State Tournament in Louisville.

ADMISSION TICKETS

Complete stock of admission tickets, 2,000 tickets to the roll, printed with established admission prices and numbered consecutively. Also PASS OUT tickets, ADMIT ONE tickets, all in different colors. \$1.25 per roll of 2,000.

TROPHIES AND AWARDS

We can take care of your Sportsmanship trophies, individual charms for All-Star teams. All-Tournament teams, etc. Our stock is complete and we can engrave and ship to you at once.

ACCESSORIES

Nets, scorebooks, first-aid supplies, whistles, stopwatches, timers' horns, powdered resin, bath towels, shoe laces, colored top sweat socks, carry-all bags. All of this merchandise in stock for at once delivery.

BANKS AND GOALS

We have a complete stock of fan-shaped steel, fan-shaped wood, and rectangular glass backboards complete with goals and nets in stock for at once delivery. A phone call will get them off to you at once.

FAIR-PLAY ELECTRIC BASKETBALL SCOREBOARDS

We have IN STOCK the Tick-A-Way FF-1S Fair-Play in our warehouse ready for immediate shipment. A call will get one to your gymnasium before tournament time.

Turn all of your needs over to us. We will be glad to handle them for you. ROY BOYD, JIM MITCHELL, ED HENDLEY or C.A. BYRN, JR. are always ready to assist you in every way possible.

Modern Ides of March

The gym lights gleam like a beacon beam
And a million motors hum
In a good will flight on a Friday night;
For basketball beckons "Come!"

A sharp-shooting mite is king tonight,
The Madness of March is running,
The winged feet fly, the ball sails high
And field goal hunters are gunning

The color clash a silt-suit flash
And race on a shimmering floor
Repressions die, and partisans vie
In a goal acclaiming roar

On Championship Trail toward a holy grail
All fans are birds of a feather,
It's fiesta night and cares lie light
When the air is full of leather.

Since time began, the instincts of man
Prove cave and current men kin.
On tournament night the sage and the wight
Are relative under the skin.

It's festival time,—sans reason or rhyme
But with nation-wide appeal,
In a world of hate, our ship of state
Rides high on an even keel.

With war nerves tense, the final defense
Is the courage, strength and will
In a million lives where freedom thrives
And liberty lingers still

Let commies clash and empires crash
'Neath the wreck of a victory arch!
Let our boys tread where hate is dead,—
In this happy Madness of March!

—H. V. Porter.

Goals of Athletics

By Rhea H. Williams

Editor's Note: The article below appeared in a recent issue of the Texas Interscholastic Leaguer. Dr. Williams, who writes a "Postscripts on Athletics" column, is State Athletic Director of the Texas University Interscholastic League.

Goals of professional athletics are not the same as those of amateur athletics. Publicity men of the professionals sell their product so strongly that they are causing confusion of goals and philosophy in amateur educational athletics.

There are three basic differences between the professional and the educational goals of athletic competition. First, the professional's attitude toward game officials is based on selling tickets. If protests arouse fan interests, then they are condoned.

The educational attitude is based on sportsmanship. Once officials are accepted by both teams, their decisions are to be respected, regardless of fan reaction.

Second, the professional is concerned with creating a spectacle. The goal is to excite fans to make them want to see more.

Benefit to Players

The amateur philosophy aims at the good accruing to the players. The fan is appreciated, but the whole program is aimed at creating a climate of optimum educational benefit to players and to fans.

Third, the professional program is strictly commercial. Its goals are all designed to make more money. Player protection is of secondary interest.

The amateur program places ultimate value on player protection and benefits.

Respect for Officials

The participant in educational athletics is trained to play well and hard and to accept rulings with good spirit. He is taught to play to win, but to gain from the contest, win, lose or draw.

Rulings of game officials in professional event are often greeted with wild emotional expressions of dismay or feigned disbelief. There is seldom a professional football, basketball, or baseball game where some undesirable words are not spoken, where fist-cuffs don't break out, where some players are not ejected for unsportsmanlike conduct.

Emotions Sell Tickets

The professionals strive to make the game exciting to attract more paying customers. Altercations between players, coaches and officials seem to promote ticket sales.

There is no place in educational athletics for such conduct. The purpose of educational athletics is to train athletes, fans and coaches to control their tempers, to accept decisions of game officials without protests, to be good citizens and to demonstrate good sportsmanship.

The loss of these goals would make it impossible to justify scholastic athletics as educational endeavors.

Administrators and coaches must never lose sight of the fact that games should be played for the student, the school and the community in such a way as to develop desirable, ethical character traits.

The sale of tickets is a primary requirement of professional athletics. The high school athletic program is basically educational and should never be promoted or developed as a commercial enterprise. The focus must be on the welfare of the student, the student body and the educational program of the school.

Athletics are only a part of the school program. True, they are an integral part, but they should never receive more than due emphasis in the curriculum.

The band, pep squad and other related activities of the athletic program are bona fide educational activities, if properly directed. Difficulties arise when student organizations and athletes are used to the detriment of the entire student body and the school program. This tendency must be avoided in high schools. There is no justification for imitating professional athletics by producing spectacular emotional events.

Professional teams are fast selling their very "soul" to television and other media for more money. The mass media have insisted and directed that schedules and game breaks be rearranged for their convenience; that exorbitant salaries be paid to attract players to join specific league teams in order to gain greater viewer prestige, and are making other demands in order to obtain the best television contracts.

Spring Meets

Tentative dates have been set for the various spring meets and tournaments in rifle marksmanship, baseball, track, golf and tennis. They are as follows:

April 30, State Rifle Championship
Lexington

May 9-11, district baseball tournaments
(sites given below)

May 13-14, regional track meets for boys and girls (sites given in February issue of *ATHLETE*)

May 17, regional golf tournaments for boys and girls (sites given below)

May 21, State Track Meet (Classes A AA, and Girls), Lexington

May 21, State Track Meet (Class AAA),
Louisville

May 24-25, Girls State Golf Tournament,
Louisville

May 24-25, Boys' State Golf Tournament,
Fort Knox

May 27-28, regional baseball tournaments
(sites given below)

May 27-28, regional tennis tournaments
for girls and boys (sites given below)

June 3-4, Boys' and Girls' State Tennis
Tournaments, Louisville

June 8-9, State Baseball Tournament
Lexington

In assigning schools to districts and regions for spring meets, the principal source of information is the blue statement form filed by the school principal when he enrolls his school in the Association. If a coach is listed for a sport, it is assumed that the school sponsors a team in that sport. In

some instances the coach of a particular sport may not have been assigned at the time the statement form was filed, and in other instances the principal may have decided that a sport for which a coach was named will not be sponsored by the school this year.

Principals should study the assignment of schools by districts and regions which appears below to determine whether or not the listings for their schools are correct. The State Office should be notified only if the name of the school should be added to or omitted from any of the lists given.

Approved Official

Since the lists of higher rated officials appeared in the January and February issues of the *ATHLETE*, one additional official has qualified for the Approved rating. He is Jim Downey, Paducah, Kentucky.

A Rah Deal For Athletic Students

By Dr. Max Rafferty, Superintendent of Public Instruction, California

If there is one stereotype irrevocably embedded in the great body of American folklore, it is that of the muscle-bound and moronic campus athlete. He is today and has been for many years the butt of so many "avant garde" jokes that he has become a permanent cliché, like the college widow and the absent-minded professor.

The sophisticates claim the athlete is stupid. Yet in every high school where I've ever worked, the grade-point average of the athletes was above that of the student body as a whole.

The lank-haired leaders of our current literati sneer at the varsity letterman for his juvenile enthusiasms and his willingness to die for dear old Rutgers. But they themselves are quite openly and ardently guilty of enthusiasms over such strange causes as the apotheosis of Joan Baez and the possible canonization of Mario Savio, and they seem ready to die at a moment's notice for a smile

from Ho Chi-Minh or even for the slightest relaxation of the built-in scowl of Mao Tse-tung.

By comparison, dying for Rutgers has its points. The intellectual vials of wrath are constantly overflowing onto the hapless head of the athlete because of his hopeless Philistinism and his alleged inability to communicate with his peers save in monosyllable grunts.

Yet the halls of Congress and the board rooms of giant industrial complexes are alike populated by a striking number of ex-athletes who seem to have no difficulty whatever in communicating, and the Phillistine mentality of such former contenders on the playing fields as Douglas MacArthur, John F. Kennedy and Justice Byron (Whizzer) White may be left safely for history to judge.

It is presently fashionable to condemn athletic scholarships as anti-intellectual, and to demand that the alumni stop recruiting burly sons of coal miners to advance the colors of old alma mater every Saturday afternoon.

Why?

If an athletic scholarship will permit a youngster who couldn't otherwise afford four years at Random U. to go there, what's wrong with that? And as for coal miners' sons, we don't have enough of them in college either.

If I had my way I'd abolish all the hypocritical recruiting restrictions which furnish such regular and sensational fodder for our newspaper sports pages, and I would substitute instead the following very simple rules for athletes in our institutions of higher learning:

1. Any individual or organization which wants to seek out muscular young men and pay their way through college is welcome to do so.

2. The muscular young men must pass the same entrance exams and meet the same scholastic requirements as their less muscular classmates.

3. The athlete's course of study must be of comparable status and difficulty with that of the non-athlete.

4. Nobody gets any special consideration in testing or grading, and flunk-out rules apply to everyone equally.

These four little commandments would do the trick, I think. As the annual football season gets under way, I have to confess a lifelong fondness for the gridiron gladiators. Over the years, I have seen a remarkable number of them fighting and even dying for their country, and remarkably few of them ending up in jail or taking the Fifth Amend-

ment before a Congressional investigating committee. They seem to be conspicuously absent from Communist-inspired demonstrations and filthy speech movements.

RAH! RAH! RAH!

Elementary School Sports

By James Frank

The question of when to begin organized competitive sports has challenged educators in the United States for a very long time. History tells us that the Greeks were vitally concerned about the effects of competitive sports upon immature participants. In recent times, the argument has centered upon the desirability of conducting athletic competition on the junior high school level, and more recently, that certain selected sports such as basketball, softball, volleyball, and track should be initiated in the fifth or sixth grade.

There are many individuals and organizations who view with distaste and apprehension the idea of interschool competition below the high school level. Clyde Knapp and Harry A. Combes listed the principal objections to elementary interschool basketball as follows:

1. Boys are in a period of rapid growth and consequent bodily weaknesses and maladjustments, partial ossification of bones, emotional stresses, and physiological readjustments.

2. Interscholastics are likely to produce over-stimulation and over-excitement; consequently boys may "push themselves too far" physically and emotionally.

3. A few boys are likely to get more than their share of use of facilities, time, and teacher services, thus depriving others of opportunities for play. Elementary school is not the place for specialization.

4. While interschool competition under well-controlled conditions may be wholesome for boys of this age, programs that start with satisfactory controls have a way of "getting out of hand" through emulation of high school and college practices.

5. A satisfactory time allotment for physical education classes plus well-conceived intramural and recreational programs can meet the needs and desires for competition.

Other objections may be listed, but they will generally fall within the categories listed above. These objections represent a valid argument against interschool sports on the elementary and junior high school level if such programs emphasize winning so much that questionable and even unfair and

dishonest practices are condoned. However, it is not a valid argument against programs where these conditions do not exist.

There is a preponderance of research which refutes such objections. It seems reasonable to believe that many of the fears regarding elementary interscholastic sports are mere opinion, and are not supported by scientific research findings.

Research Findings

G. Lawrence Rarick states:

"The drive for physical activity is strong in the young. Free, unrestricted muscular movement is believed by psychologists to constitute one of the great hungers of life, a hunger in the young equal in intensity to that of food and rest. Physiologists recognize that human tissues and organs respond positively to healthy use and that with continued disuse these structures tend to atrophy."

A logical interpretation would be that this drive for physical activity should be satisfied. The growth pattern is progressive and systematic. The rate and level of an individual's realization of potentials are formed during the early years of life. Evidence indicates that the effects of participation upon growth has very little noticeable effect on height. However, activity tends to accentuate lateral growth, i.e., increase in breadth and girth measures. Most research studies have shown that the children with stronger and firmer muscles, with sturdier physiques and less adipose tissue are those children who lead an active and vigorous childhood. The implication is unmistakably clear — what a person "could be" and "hopes" to be is ultimately determined, to a large degree, by what he does during these formative elementary school years.

In summarizing the effects of exercises, Steinhaus lists three chief results" (1) gain in strength, (2) improvement in endurance, and (3) perfection of movement. The interschool program offers an excellent opportunity for the achievement of these benefits, provided the program is well supervised and controlled. In a well organized program there should not be a single incident where a child is allowed to go beyond the stage of healthful fatigue to harmful exhaustion. Accidents can and will occur during competitive play, but they should not be the results of negligence on the part of the teacher because of a lack of knowledge or a desire to win the contest. Physical education teachers can prevent participants from "pushing themselves too far" physically and emotionally. Suggestions as to how this can be accomplished are included in the

(Continued on Page Ten)

The Flying Dutchman

For sheer courage, honesty and knowledge of basketball officiating, the names of Norman Hammonds and Jim Nixon of Hopkinsville top the Flying Dutchman's list. These two arbiters have won the admiration of the Dutchman and the respect of all Western Kentuckians because they proved conclusively in a game between Paducah Tilghman and Lone Oak that they call the game by the rules without fear or favor. The morning after this game, which was decided by a last-second decision by the officials, the Dutchman started getting telephone calls from newspapers throughout the Purchase, fans and officials, asking about the decision which Norman and Jim had made and which decided the game by one point.

My friend, Jack Anderson, Sports Editor of the Paducah Sun Democrat, called, followed by two more calls from Bob Swisher, Sports Announcer of Paducah's WPSD-TV, indicating that just about everybody in western Kentucky wanted to know if Norman and Jim had ruled right on a situation which apparently no one had ever seen before. Not only were Norman and Jim right in their call but it would have been easier for them and few people would ever have known the difference had they possessed less courage and sacrificed honesty — but there is where Norman Hammonds and Jim Nixon set an example for every official in the United States to pattern from. They knew the rules and they knew that the correct decision would be controversial but they were there to call the game and, brethren, they called it.

Here was the play: With only seconds left in the game, with one team trailing by one point, the crowd saw the ball in the air as the signal went off ending the game and they saw the ball drop in the basket with the officials disallowing the field goal. Apparently nearly 100% of our fans and coaches think that, if the ball is in the air when the signal sounds to end the game, the basket will always count. The basket will always count provided the ball is in the air on a legitimate try for the basket. In the case being discussed, however, the ball was being rebounded and batted and it was a batted ball which went in the basket. A bat or an uncontrolled tap is not a legitimate try, and therefore the ball becomes dead when the signal sounded to end the game and with it in the air. Points cannot be scored with a dead ball. Norman and Jim knew this, called it accordingly, and thereby set off the fuse to a controversy which had to be cleared up with the help of the newspapers, Jack An-

derson and Bob Swisher. Bob Swisher went on the air to make the following statement for the people of western Kentucky:

"Said Mr. Vettiner, 'If the horn sounded while the batted ball was in the air then the decision was absolutely correct.' Mr. Vettiner also commended the two officials, Norman Hammonds and Jim Nixon of Hopkinsville, for possessing the knowledge of the rule and having the guts to enforce it. So, it all goes back now to whether or not it was a controlled tip. It was ruled a slap, not a controlled tip. And since the slap did not enter the basket or clear the basket before the game ended the goal did not count.

"At the end of last night's program I said that the rule was a bad one and the only good thing that came out of it all was the fact that the game was a regular season contest and not a tournament game. But maybe something else will come after all. Mr. Vettiner himself agrees that the rule is a bad one. Quoting Charlie, 'It seems to me that any time the ball is in the air when the game ends and it goes through the hoop it should count... for the purpose of consistency. Frankly, I think the rules committee should take a look at it.' Mr. Vettiner is going to dispatch a letter to the Executive Secretary of the National Rules Committee in Chicago and suggest that the problem be placed on the agenda for the coming meeting.

"So, that's it. It's finally clear to everyone. The game is over and Lone Oak is still the winner, but not without several interpretations of one of the most confused rules ever written. And while Mr. Vettiner commended the officials for their action, I would like to commend the Tilghman timekeeper, Mr. Glen Butler, for an honest appraisal of a sticky situation. It might have been just as easy for Glen to have said that the ball was in the basket and given Tilghman a victory... some might have... but Glen didn't. He said definitely the ball was in the air which sealed the Tornados' doom. Afterward, Glen made one comment: 'I have to live with myself.'"

The Corn Cob Pine of Honor for this month goes to one of the greatest Kentuckians ever to turn out a state champion. The gentleman is Mavfield's Jack Story. Otis Dinning recommends Jack for this award because of the many boys this coach trained to be men and because he sets the type of example which all of us like to have young American boys pattern from. Over the years hundreds of Corn Cob Pine of Honor have gone out to many people in many sections of the country each month but none more deserving than Coach Jack Story, who may

have equals but no superiors in the job of making men of boys.

While the Dutchman is usually on the sending end of Corn Cob Pipes, Lionheart Awards, Abou Ben Adhem, etc., the order of things changed this month when a miniature whistle with the engraving, "Kentucky High School Athletic Association Official," in the form of a tie tack came in the Dutchman's mail from the Lafayette, Indian, Officials Association. Jack Small, President of this group, sent a little note saying, "Enclosed is a small token from the Lafayette officials for the job you always do in Indiana with the rules discussions." Thanks, Jack. The Dutchman will wear this with pride.

This has been the busiest year for basketball ruling requests which we have experienced in a long time. It is safe to estimate that more than 150 coaches, spectators, officials and sports writers have called or written to ask rulings on various plays. Basketball clinic work doesn't end in October. It is completed with the final game of the State Tournament in March. The one ruling called for which caused not only the Dutchman but members of the National Basketball Rules Committee to scratch their heads was from a gentleman who asked if a team could take time out before the game started. It seemed that somewhere in Indiana an official was getting ready to toss the ball to start a game when a player asked for time out. The ruling is that such a time out request is not honored. A team is privileged to call time out immediately before the start of the second half or immediately before the start of the second or fourth quarter but a team may not take time out until the game is started. This precludes the possibility of a team taking time out until after the ball has been put into play for the start of the game.

While we are on these rules and rulings, the Dutchman sends an S. O. S. to Cliff Fagan, Executive Secretary of the National Federation of High School Athletic Associations, asking him to put on the agenda for rule's study this March the Lone Oak-Paducah situation when the game ended with a batted ball in the air. It would be much less confusing to everybody involved if the rule stated that any time the game ends with the ball in the air that the basket will be counted if successful.

The next big event scheduled by the Kentucky High School Athletic Association is the annual dinner at the Brown Hotel during K. E. A. in April. That is the time when the Game Guy of the Year is honored. The names of the nominees are even now in the hands of the judges, and a brand new

courageous Game Guy will be presented as guest of honor at this dinner.

In closing this column the following thought is dedicated to those officials who enforce all the rules of sports courageously: The man who is "all wool and a yard wide" doesn't shrink from doing his duty.

ANNUAL MEETING SPEAKER

Dr. Irvin E. Lunger

Speaker at the Dinner Meeting of the Kentucky High School Athletic Association, scheduled to be held in the Crystal Ballroom of the Brown Hotel, Louisville, on Thursday evening, April 14, 1966, will be Dr. Irvin E. Lunger, President of Transylvania College. The subject of Dr. Lunger's talk will be "The Play Maker."

Dr. Lunger has been president of Transylvania College, Lexington, Kentucky, since January 1, 1958. Before becoming the 23rd president of the historic college, Dr. Lunger served first as professor of religion and then as academic dean of the college. He joined the faculty of Transylvania in 1955.

Dr. Lunger's leadership has brought about many changes in the college. He has reorganized the college both administratively and academically. He has raised the academic level of the college by strengthening the faculty, establishing higher standards of student selection, expanding library and laboratory facilities and by securing new classroom buildings and dormitories. Transylvania is now recognized as one of the finest small liberal arts colleges in the country.

A popular speaker, Dr. Lunger is in demand for educational, civic, church meetings and conferences throughout the country and

has made many appearances on radio and television. He served from 1962-65 as president of the board of directors of Lexington's United Community Fund. He is a member of the Lexington Kiwanis Club, the boards of the Henry Clay Foundation, The Lexington-Fayette County Foundation, The Citizens Association for Planning in Lexington, and Lexington's Sayre School. In February, 1961, Dr. Lunger was named "Distinguished Brotherhood Citizen" by the Lexington Chapter, National Conference of Christians and Jews.

Listed in *Who's Who in America*, President Lunger is a member of the Governor's Commission on Higher Education in Kentucky and the Commission on Colleges and Universities of the Kentucky Association of Colleges, Secondary and Elementary Schools. He has served on the Commission on Christian Higher Education of the Association of American Colleges, and is a former chairman of the executive committee of the Board of Higher Education of the Christian Churches.

A native of Pennsylvania, Dr. Lunger received his Bachelor of Arts degree magna cum laude from Bethany College, Bethany, West Virginia, where he was a member of Beta Theta Pi Fraternity. He earned the Master of Arts, Bachelor of Divinity and Doctor of Philosophy degrees at the University of Chicago, and had a year of special study at the University of Munich in Germany.

In 1959 Dr. Lunger was awarded the honorary Doctor of Literature degree by Bethany College, and in 1965 the honorary Doctor of Humane Letters degree by the University of Alabama.

STATE TOURNEY TIME

The magic spell is in the air,
The din of battle's near;
The toss, the tip, the shout goes up,
State tourney time is here.
The "Sweet Sixteen" have made the trip
In search of schoolboy fame,
To grab the headline banners bold
Of how to play the game.
From goal to goal along the boards
They bounce the leathery sphere,
Play man to man or in the zone,
Conserve the time so dear.
They sight and fire and pray a bit
To hear the swish of net,
Exult and smile when aim is true,
When not, break out in sweat.
It's madness, yes, but who would trade
This scene for other clime?
There's none to rival old Kaintuck'
When its state tourney time.

By Elmer Kelley
WFMW Radio
Madisonville, Kentucky

STATE WRESTLING TOURNAMENT

The 1966 State High School Wrestling Tournament was held at the Seneca High School, Louisville, on February 11-12. The Kentucky School for the Blind won the tournament with 68 points, one point ahead of the Newport Catholic High School. KSB also had the meet's "Most Outstanding Wrestler" in James Earl Hardin, who won in the 165-pound weight division. Hardin received similar recognition in 1963 and 1965.

The tournament was managed by Wrestling Committee Chairman Orville Williams. It was the third tournament sponsored by the K.H.S.A.A. Sixteen teams participated in the tournament. They finished in this order: 1-Kentucky School for the Blind, 68; 2-Newport Catholic, 67; 3-North Hardin, 58; 4-Bardstown St. Joseph, 53; 5-Seneca, 50; 6-Westport, 36; 7-(Tie) Hopkinsville and Flaget, 31; 9-Fort Campbell, 22; 10-Millersburg Military Institute, 20; 11-Oldham County, 15; 12-Caldwell County, 6; 13-(Tie) Fern Creek and Eastern, 4; 15-Bush, 0; 16-Trigg County, 0.

The KSB team had been coached by W. Edward Murray, Jr., who was assisted by Will D. Evans, a member of the State Wrestling Committee. Mr. Evans had previously served as full-time coach for eight years.

The referees were Larry Quinn of New Albany, Indiana, and Gary Ingraham of Louisville.

Medals were awarded to the first three places in each class. These winners were as follows:

95 lb.—Crawford, North Hardin; Bell, Seneca; Kohn, Ft. Campbell
103 lb.—Dickerson, KSB; Bragg, North Hardin; Monti, Newport Catholic
112 lb.—Gibbons, Hopkinsville; Newport, Newport Catholic; Flint, KSB
120 lb.—McKay, St. Joseph; Hillerich, Flaget; Cook, KSB
127 lb.—Crowe, KSB; Donlon, Flaget; McGlone, Newport Catholic
133 lb.—Myledo, North Hardin; Myers, KSB; Howard, St. Joseph
138 lb.—Moore, St. Joseph; Schneider, Newport Catholic; Eldridge, Oldham County
145 lb.—Williams, Seneca; Chilton, Hopkinsville; White, Flaget
154 lb.—Fey, Newport Catholic; Thomas, St. Joseph; Knopf, Oldham County
165 lb.—Hardin, KSB; Shelton, North Hardin; Vold, Westport
180 lb.—Keal, Westport; Schneider, Newport Catholic; Lawrence, Hopkinsville
Heavyweight—Anderson, M.M.I.; Karem Seneca; Goetz, Newport Catholic

KAPOS NEWS

State Tournament Plans

On February 10 the members of the executive board of KAPOs met at the Kentucky Hotel to discuss plans for the week of the State Tournament. It was decided to have a welcome booth in the lobby of the Kentucky Hotel. Please stop by to: register your squad, get your hotel room assignment, and pick up your envelope containing KAPOs handbook and tournament information. The handbook contains information pertaining to the membership of KAPOs, basis for awarding of the trophies, events to be offered by the hospitality committee, brackets, and the times for the games, etc.

Perhaps you would like to have a part in making known to the public just what is involved in being a cheerleader sponsor. If so, we can use you for radio and possibly television interviews. Mrs. Jane McCoy of Ft. Knox High School will be responsible for making the contacts for interviews. Please let her know if you will be available and willing to be interviewed.

Trophies To Be Awarded

Both a winner's and a runner-up cup will be given to the outstanding cheerleading groups at the 1966 State Tournament. Third place in the judging will be given honorable mention recognition. Shelby County High School won the first place award last year. Lexington Dunbar and Owensboro tied for second place.

All cheerleaders are asked to wear their cheerleader uniforms for the final Saturday night game. Photographers will be present to take pictures of the winners, so be prepared to represent your school in a fashion to make them proud of you.

The sponsors of the winner and runner-up schools are asked to come to the floor with their cheerleaders. Besides getting the recognition you so well deserve, it is another way of letting the public know that cheerleading is important enough in the school's curriculum to merit a "sponsor-coach".

Scholarship Award To Be Continued

Miss Paula Gayle Davis, our second scholarship recipient, is a first year student at the Kentucky Southern College in Louisville. We are proud to learn that she made the Dean's academic list for the first semester, and that she is an alternate on the cheerleader squad.

In order to be eligible for the scholarship the applicant must show evidence of outstanding academic ability and indicated need for financial assistance. The applicant must have been a cheerleader for at least two years, and the school must be a member

in good standing in the Kentucky Association of Pep Organization Sponsors.

Scholarship applications may be obtained from Mrs. Stella S. Gilb, College of Education, University of Kentucky. You will also be able to obtain them at the KAPOs booth in Freedom Hall during the state tournament.

Governor Breathitt Declares Sportsmanship Week

Being a good sport is part of being a good cheerleader, a good athlete, a good citizen. KAPOs doesn't believe that good citizens need to be reminded to exemplify good sportsmanship. However, it is especially fitting at tournament time to remind all citizens that it is a privilege to be able to attend the games, and that they can contribute to the success of the tournament if they will abide by the KAPOs Sportsmanship Creed proclaimed by Governor Breathitt:

PROCLAMATION

Whereas, The Kentucky Association of Pep Organization Sponsors upholds all standards of good sportsmanship as its aim; and

Whereas, KAPOs believes that good sportsmanship contributes to the foundation of the democratic way of life through the application of the Golden Rule; and

Whereas, KAPOs urges that the ideals of good sportsmanship be practiced not only during this week but throughout the year; and

Whereas, the Kentucky High School Basketball tournament will be held during this week and the majority of Kentuckians will be following the games; and

Whereas, good sportsmanship is the obligation of all citizens, and Kentuckians need to be made aware of this responsibility.

NOW, THEREFORE, I, Edward Breathitt, Governor of the State of Kentucky, do hereby proclaim this week as Good Sportsmanship Week in Kentucky, and urge all citizens of this state to uphold all standards of good sportsmanship not only during the tournament but at all times.

Attention, Principals!

Included in the packet that will be given to the winner in the regional tournament finals will be a letter pertaining to cheerleaders. The letter will contain the information concerning the basis of selecting outstanding cheerleader squads, and will request that the principal send written confirmation that the cheerleaders of his school are being chaperoned by a well qualified, school-approved adult. The name of the sponsor should be included in this confirmation letter and given to the KAPOs board member at the registration booth in the lobby of the

Kentucky Hotel.

Dates To Remember

March 19 — Saturday Morning Coffee. KAPOs extends a cordial invitation for ALL sponsors and cheerleaders to join them for coffee and sweet rolls on Saturday morning from 9:30 until 11:00 at the Kentucky Hotel. Look for the room number on the day's bulletin board in the lobby of the hotel.

August 8-12 — Summer Cheerleader Clinic. The Kentucky Cheerleader Association announces the Sixth Annual Summer Cheerleader Clinic. The clinic will be held on the University of Kentucky Campus. Brochures can be obtained at the KAPOs booth or by contacting: Mrs. Grace Fragstein, Mrs. Milly V. Rodes, or Mrs. Stella S. Gilb.

NOTE TO ALL ADMINISTRATORS

KAPOs needs judges, hotel chaperones, and personnel to man booths at the hotel and at Freedom Hall. This involves at least 12 to 16 people. It is also back-breaking, tiresome work. However, we have many dedicated women who have indicated a willingness to help share these duties provided they get an "ok" from their administrators. Therefore, the KAPOs board is seeking your understanding and cooperation, should you be asked to release a teacher from her duties to help carry on the work that KAPOs is doing to make cheerleading a worthwhile educational experience in the State of Kentucky.

Stella S. Gilb

Executive Secretary-Treasurer

It Just Shouldn't Be

It shouldn't be but high school basketball's biggest problem remains unchanged — and unsolved.

The problem: Attitude — particularly of coaches — toward officials.

Basketball has no greater eyesore than a coach who doesn't know how to act like a leader and an educator on the sidelines. There is nothing in the game more distasteful than a coach — in complete violation of the bench conduct rule — who rants and raves and, worst of all, incites.

Nobody is asking a coach to be impervious to the excitement and suspense of an important game or not to be frustrated by a call that could have gone either way. But there is no place for a coach who jumps up and down — or strips off his coat and hurls it into the bleachers!

We would like to be able to say that the undisciplined coach draws all the blame for this key problem in basketball. But there is a companion contributor in these critical situations. That "companion" is the official himself — the man who has the authority, but doesn't use it, to keep unrestrained coaches in line. There is natural reluctance, of course, on the part of officials to use their

power in this area. But their failure to do so often contributes to the possibility of losing control of a game — and most assuredly it contributes to the delinquency of the coach.

Tournament-time is just around the corner, so this is a good time for reminders: To the coach who should not merely be guided by the rule but also by the spirit of the rule that calls for proper conduct on the sidelines, and to the official who should not hesitate — for the sake of maintaining proper control — to blow the whistle at an offending coach.

It just shouldn't be, not at all, that we have a problem like this! —WIAA Bulletin

ELEMENTARY SCHOOL SPORTS

(Continued from Page Five)

recommendations at the end of this paper.

Concern has been voiced over the danger of injury to boys during this period of rapid growth and consequent bodily weakness such as partial ossification of bones. In one survey of orthopedic surgeons, 85 per cent recommended that participation in competitive sports be limited to those who are physiologically mature. A later survey indicated that orthopedic surgeons would not recommend that there be any difference between the sports program on the junior high school level and that on the senior high school level.

The question which probably comes to mind is, what relevancy do these studies have to competitive sports on the elementary school level? Regardless of what survey is selected to substantiate a particular point of view, the essential point is that the boys should be physiologically mature. A study by Williams and Scott, showed the importance of activity during infancy. Two groups of Negro infants from different socioeconomic backgrounds were compared.

The low group displayed significant acceleration in motor activities. The result was attributed to the absence of play pens, cribs, and high chairs, which are characteristic of the low socioeconomic group. Research and experience have also shown that many boys in the fifth and sixth grade are physiologically mature to participate in a modified program of interscholastic sports.

Psychological and Sociological Effects

The other aspect of this problem is the effect of competition in athletics upon the psychosocial development of the child. The (research) findings resolve to a large measure the issues of physiological harm or benefit to the pre-high school youngster. But no qualitative assessment can be placed on the effect of early interscholastic competition on the psychosocial development of the

immature participant. The evidence from scientific investigations relative to behavioral changes which accrue from sports participation is far from conclusive. Most of the arguments which have been advanced, either positive or negative, are perhaps based upon erroneous assumption or upon isolated cases. In summarizing this situation, Seymour in his study tated:

"It would seem prudent to exercise caution in ascribing with any degree of certainty behavioral changes, whether desirable or undesirable, to Little League Baseball or to any comparable program for youth."

Skubic made a similar statement on the availability of the information relative to this topic.

"In order to completely solve the problem of highly organized competition, data must be gathered relative to the physical, sociological, psychological, and economic aspect of competition. Furthermore, to resolve the specific controversy concerning emotional effects of competition, it is necessary that additional data be secured, particularly in regard to the influence of emotion on personality now and later in life."

In view of the inconclusiveness of the available evidence, it appears quite feasible to initiate competitive programs on the fifth and sixth grade levels within a specified framework to see and test some of the reactions. For too long, we have assumed that the sports program on the elementary and junior high school level will run into the same pitfalls as some of our programs on the high school and college level.

We are reasonably sure that competitive sports provide a chance for the child to assess his reaction to development forces. This competitive sport provides a challenge, and a consequent early opportunity for the child to find indications of his pattern of reaction to different situations and ultimately to life itself.

Educational Values

The competitive element is important at this stage of a child's life, and it should not be minimized or shunted aside. So often, people tend to view competition and co-operation as being inimical, but they are complementary, and development in both is part of the education of young people. Rather than attempt to eliminate competition, schools should seek to help young people learn to compete without rancor in friendly situations. Children are going to play the popular seasonal sport in sandlots, in YMCA's, in vacant lots, in alleys and playgrounds — why not provide it for them in the interscholastic program? Competition constitutes the heart of athletics.

Competition is good or bad depending upon the strategic position of the person who contemplates it, upon its goals, and upon the secondary attributes and circumstances surrounding its manifestations.

Thus, the task of the physical educator becomes one of properly guiding competition so that the many advantages of competition can be achieved by the participant.

The interscholastic athletic program starting at the fifth grade can be educational in nature; it can provide the opportunity for participants with superior athletic skill to fully develop and utilize this talent through organized competition with students from other schools. The gifted should become more gifted, and the less gifted should receive the full benefits of an organized intramural program.

It would appear that an elementary school program of interscholastic sports could operate within the framework outlined below.

1. The school and community support such a program and agree to the proposition that no outside spectators be admitted to the athletic contests.

2. As a foundation, all students should have broad, varied, and graded programs of physical education under competent instruction through all grades.

3. Based upon a sound, comprehensive instructional and intramural program; teachers of physical education should select the more highly skilled to participate in the interscholastic program. The participants selected will participate only if they so desire.

4. The development of desirable habits of behaviour in all competitive situations should be stressed.

5. A broad program of intramural activities should be provided for all, but especially for those students not of interscholastic caliber.

6. The athletic contests should be played immediately after school, and no team should be permitted to travel outside the immediate neighborhood.

7. Medical Examinations should be given to all participants to insure they are physically able to participate in the program.

8. Some form of evaluation should be used to measure the extent to which state objectives are being achieved.

Of course, the opponents of such a program will contend that the same educational objectives could be gained in a well conducted physical education and intramural program. We are reminded that there is no conclusive evidence available to support the claims that detrimental character changes

occur because of participation in competitive sports at this early age. Also, much of the physiological data has been refuted by other research studies.

Today the overriding responsibility is to gather more objective evidence on this subject. This challenge looms larger than ever before. It can be met by improving our physical education program, by initiating more interscholastic programs in the upper intermediate grades (5-6), and by studying these programs relative to the long-term psychic, physical, and social patterns involved.

.... The Physical Educator
Vol. 22 - No. 1 - March, 1965

GOALS OF ATHLETICS

(Continued from Page One)

The professional teams have no limitations on sponsors and a large majority are cigarette and beer firms. These programs are fed into the homes throughout America, where the youth of our country are constantly besieged with the propaganda that beer and cigarettes are essential to the good life.

The correlation is left in the youth's mind that beer and cigarettes are inductive

to enjoying athletics, and even in many cases to the belief that these items are not detrimental to good health and athletic training habits.

This is subtle propaganda which is having its effect and which should receive serious consideration on the part of all coaches, and school administrators so that this viewpoint can be countermanded by their counsel and instruction. The high school associations have never allowed sponsors of athletic contests to advertise cigarettes or alcoholic beverages as it is not in keeping with the philosophy of the high school educational program.

Work Constantly

It is my sincere hope that all school administrators, coaches, and teachers, will do everything in their power to offset the adverse philosophy of professional athletics.

If a time ever comes when we have to adopt the same practices as the professionals in promoting athletic activities in high school, then we should discontinue athletics. They would no longer be educational. The main purpose must always be to educate the boy through athletic activities so that he becomes a 'healthy citizen with the very highest ethical character traits.

Ralph C. Dorsey

Prin. Foster J. Sanders of the Louisville Male High School, currently President of the Board of Control, and Supt. Ralph C. Dorsey of the Caverna Independent School District will represent Sections 4 and 3 respectively on the Board for a four-year period, beginning July 1, 1966. Both men will begin their second terms as Board members.

Foster J. Sanders, son of a Methodist minister, was born in Summersville, Kentucky, in Green County, on December 12, 1914. A graduate of the Beaver Dam High School, he received his A. B. degree from Kentucky Wesleyan College and his M. A. from the George Peabody College.

From 1936 to 1941 Mr. Sanders coached and taught at the Shepherdsville High School. From 1941 to 1943 he was a Safety Director for the Gopher Ordnance Works at Minneapolis, Minnesota. During 1945-46 Mr. Sanders was the Principal of the Shepherdsville High School, and during the period of 1946-55 he was a teacher of Social Studies at the Western Junior High School in Louisville. During the next six years he was Principal of the Western Junior High School, and in 1961 he was named Principal of the Louisville Male High School.

In 1936 Foster J. Sanders was listed in "Who's Who in Colleges and Universities." In 1955 he was awarded a Travel Fellowship by the Ford Foundation, but he declined this to accept the principalship of the Western Junior High School. He is a member of the Kentucky Committee of the Southern Association of Colleges and Secondary Schools, Phi Delta Kappa National Educational Fraternity, the Masonic Lodge, and the Board of Trustees of the Cooper Memorial Methodist Church.

Mr. Sanders is married to the former Jane McConnell of Marion, Kentucky, an elementary supervisor in the Jefferson County school system. They have two children, a daughter, Barbara Longacre, 23, Chemistry teacher at Thomas Jefferson High School; and a son, Jerry, 20, a senior at the University of Virginia.

Ralph C. Dorsey, was born in Scottsville but has lived most of his life in Horse Cave. He graduated from Horse Cave High School in 1935, later attending Indiana University on a basketball scholarship and receiving his B.S. degree with a major in Physical

Education.

After serving five years in the United States Army during World War II, Captain Dorsey returned to his home town and served as a teacher and coach for four years. During this time he attended summer school at Western Kentucky State College and received his M.A. degree in 1952.

The sectional representative lettered in basketball and baseball for four years in high school, and he received varsity basketball letters for three years at Indiana. He was twice an all state high school player in Kentucky. From 1950 through 1954 he served as a 12-grade principal, basketball and baseball coach for the Caverna High School. For the past eleven years he has served as superintendent of the Caverna School District and still continues coaching basketball and baseball. In 1953 the Caverna High basketball team won third place in the state basketball tourney, and the 1951 team lost out in the first round of the state tourney.

In 1959, 1960 and 1961 Coach Dorsey's baseball teams played in the state tournament, winning the tournament in 1961.

Mr. Dorsey is an active member of the Horse Cave Methodist Church where he has served as Church School Superintendent, teacher and church lay leader. He is currently chairman of the church official board. He belongs to the various educational associations at the local, state and national levels. He serves actively in the Rotary Club and The Chamber of Commerce. He has been honored as "Man of the Year" by the Horse Cave Chamber of Commerce. He is a member of the Caverna Memorial Hospital Board of Directors. For the past sixteen years Mr. Dorsey has been secretary-treasurer of the Southern Kentucky Athletic Conference.

1966 Annual Meeting

This issue of the *ATHLETE* went to press just prior to the time of the annual meeting of the Association. The business meeting of the K.H.S.A.A. was scheduled to be held on Thursday, April 14, at 3:00 P.M., in the Terrace Room of the Kentucky Hotel, Louisville. The dinner meeting was to follow at 6:00 P. M., and was to be held in the Crystal Ballroom of the Brown Hotel.

As provided in Article IX, Section 1, of the K.H. S.A.A. Constitution, the following changes in the Constitution and By-Laws were to be acted upon by the Delegate Assembly:

PROPOSAL I

The Board of Control proposes that By-Law 29, Section 1, be amended to read as follows: "Any person who officiates in a football, basketball or baseball game between member schools of the Association must be registered with the Commissioner and must have his official card indicating registration."

PROPOSAL II

The Board of Control proposes a new By-Law to read as follows: "No more than eight teams may be

Baseball Umpires

The Association is beginning registration of baseball umpires this year for the first time. Several men have been designated as area clinic directors. They attended the First School for Baseball Umpires, held in Lexington on February 5, 1966, conducted by Athletic Director Harry Stephenson of Transylvania College, State Baseball Clinic Director. They are currently conducting baseball clinics to which officials and coaches are invited. Clinic attendance is not required for the 1966 season, but umpires and coaches are urged to attend at least one meeting. Umpires may secure application cards from the clinic director or may write directly to the State Office.

The names and addresses of the area clinic directors are as follows: W. P. "Dub" Russell, Murray High School, Murray; Al Giordano, Caldwell County High School, Princeton; Jerry Kimmel, Beechmont;

Bob Gour, Military Science Dept., WKSC, Bowling Green; Shelby Winfrey, 315 Sharon Drive, Campbells-ville; Eddie Eyl, 2252 Bradford Drive, Louisville; Roy Cline, 1194 Lincoln Avenue, Louisville; James Kidwell, 1112 Parkway, Covington; Harry Stephenson, 1612 Hawthorne Drive, Lexington; "Bunny" Davis, 594 W. Lexington, Danville; Joe Jones, Manchester Sales & Service, Manchester; Raymond Ricketts, Jenkins; Howard Wiley, Paintsville; Ernie Chattin, Y. M. C. A., Ashland.

Girls' Track Events

Action by the Board of Control has caused some changes in the Girls' Track events which were listed in the September issue of the ATHLETE. The list of events is now as follows: 50 Yd. Hurdles, 880 Yard Run, 50 Yd. Dash, 440 Yd. Run, 100 Yd. Dash, 220 Yd. Dash, 70 Yd. Hurdles, 440 Yd. Relay, 880 Yd. Medley Relay, Shot Put, Discus, High Jump, Long Jump, Standing Broad Jump, Softball Throw.

MINUTES OF BOARD MEETING

The Board of Control of the Kentucky High School Athletic Association met at the Kentucky Hotel, Louisville, on Friday morning March 18, 1966. The meeting was called to order by President Foster J. Sanders at 9:15, with all Board members and Commissioner Theo. A. Sanford present. The invocation was given by Don R. Rawlings.

Ralph C. Dorsey moved, seconded by Oran C. Teater, that the reading of the minutes of the January 29th meeting be waived since the members of the Board had received copies of the minutes. The motion was carried unanimously.

The Commissioner reported that Ralph C. Dorsey and Foster J. Sanders had been re-elected to Board membership in Sections 3 and 4 respectively, without opposition, for a four-year period beginning July 1, 1966.

After a general discussion of Board of Control proposals, Don Davis moved, seconded by Don R. Rawlings, that the following proposals shall be presented to the Delegate Assembly, after which the motion was carried unanimously:

PROPOSAL I — The Board of Control proposes that By-Law 29, Section 1, be amended to read as follows: "Any person who officiates in a football, basketball or baseball game between member schools of the Association must be registered with the Commissioner and must have his official card indicating registration."

PROPOSAL II — The Board of Control proposes a new By-Law to read as follows: "No more than eight teams may be entered in a county conference or invitational basketball tournament."

PROPOSAL III — The Board of Control proposes a new By-Law to read as follows: "A team may enter only one county conference or invitational tournament during the

regular basketball season."

PROPOSAL IV—The Board of Control proposes that By-Law 6, Section 3, be amended by substituting "for thirty-six school weeks" for "during the first semester."

PROPOSAL V — The Board of Control proposes that Article IV-3-d-9 of the Constitution be amended to read as follows: "Have authority to set the fees for officials in district and regional basketball tournaments."

PROPOSAL VI — The Board of Control proposes a new By-Law to read as follows: "Attendance by a first team or a reserve team player at a football or basketball camp or instructional clinic conducted away from the school's regular practice or playing field is prohibited. Attendance at such a camp and/or instructional clinic shall cause the player to lose his eligibility."

Upon recommendation of the Commissioner, Preston Holland moved, seconded by Morton Combs, that the 100 yard hurdles event in Girls' Track be changed to 70 yard hurdles. The motion was carried unanimously.

Sherman Gish moved, seconded by Oran C. Teater, that all bills of the Association

beginning January 1, 1966, and ending February 28, 1966, be allowed. The motion was carried unanimously.

There being no further business, the meeting adjourned.

1966 ANNUAL MEETING

(Continued from Page One)

entered in a county, conference or invitational basketball tournament."

PROPOSAL III

The Board of Control proposes a new By-Law to read as follows: "A team may enter only one county, conference or invitational tournament during the regular basketball season."

PROPOSAL IV

The Board of Control proposes that By-Law 6, Section 3, be amended by substituting "for thirty-six school weeks" for "during the first semester."

PROPOSAL V

The Board of Control proposes that Article IV-3-d-9 of the Constitution be amended to read as follows: "Have authority to set the fees for officials in district and regional basketball tournaments."

PROPOSAL VI

The Board of Control proposes a new By-Law to read as follows: "Attendance by a first team or a reserve team player at a football or basketball camp or instructional clinic conducted away from the school's regular practice or playing field is prohibited. Attendance at such camp and/or instructional clinic shall cause the player to lose his eligibility."

PROPOSAL VII

Prin. H. D. Puckett (Munfordville) proposes that the following be added to By-Law 28, Section 5: "Prior to the opening of regular season play, a basketball team may have only two practice games with players other than members of the squad."

AAHPER News

The average 12-year-old boy today is stronger, faster, more agile, better coordinated, and has more bodily efficiency and endurance than his 19-year-old brother had at the same age. So is the average 12-year-old girl.

And because of this, the physical standards they must meet in the school gym classes have been raised.

Today's typical 12-year-old boy has loped .2 seconds off the 50-yard dash; has added 10 feet to the softball throw; has added 5 inches to the broad jump; and can do 19 more sit-ups than his brother could at the same age.

In a test given last year to 9,000 boys and girls in 49 states—the children ranged in age from 10 through 17 years old — physical performance was found to be significantly higher than it was in the 1957-58 school year, when similar tests were given. Every age group performed better on every test item than their older brothers and sisters had.

The new national norms for physical fitness were published today by the American Association for Health, Physical Education, and Recreation, a department of the National Education Association. Dr. Carl A. Troester, Jr., executive secretary of AAHPER, explains what's happened:

"There are many reasons for the upward swing in the physical performance of boys and girls now in school. Nearly half the states have strengthened their physical education requirements in the last few years with an increasing emphasis on physical education in the elementary schools.

"Parents, teachers, administrators, and medical personnel are increasingly convinced of the need for daily programs of physical activity, both in and out of school. And along with these new opportunities for boys and girls there has been a sharp increase in the number of physical education teachers employed."

The 1957-58 tests were conducted by AAHPER. The 1964-65 tests were conducted by the University of Michigan supported by funds from the cooperative Research Program of the U. S. Office of Education. The director of both projects was Dr. Paul A. Hunsicker, professor of education at the University.

Dr. Hunsicker explains the increase in physical fitness this way: "The physical performance of practically any group of school children can be improved by increasing the physical and physiological demands on their

bodies. This has been demonstrated since time immemorial. The point which has been overlooked is sensitizing the pupil to the need for maintaining a high level of health throughout life. This objective can best be achieved through quality programs of health and physical education."

Under the new norms, the average 12-year-old boy is expected to do 3 pull-ups instead of 2; 50 sit-ups instead of 31; broad jump $5\frac{1}{2}$ feet instead of barely over 5 feet; run the 50-yard dash in 7.8 seconds instead of 8 seconds; throw a softball 120 feet instead of 110 feet; take a 120 foot shuttle-run in 11 seconds flat instead of 11.4 seconds; and cover 600 yards by a combination of running and walking in 2 minutes 21 seconds instead of 2 minutes 39 seconds.

1966 Track Questions

Editor's Note: These interpretations of the National Alliance Track and Field Rules do not set aside nor modify any rule. The rulings are made by the National Federation of State High School Athletic Associations in response to situations presented.

1. Situation: (a) The pole vaulting pit; or (b) the high jumping pit is filled with sand.

Ruling: In (a) sand is not legal. This pit may be filled with sawdust, wood shavings, or other soft material, such as an adequate thickness of resilient foam rubber or plastic foam. In (b) sand is not illegal. However, it is no longer considered a suitable material.

2. Situation: In the third line of the first paragraph on page 22 of the Track and Field Rules and Records Book, there is a reference to his "third opportunity." Is this correct or should the reference be to his "second opportunity"?

Ruling: The statement is correct. In the cited case, the competitor had his first opportunity at six feet. He passed his second, thereby making a succeeding opportunity the third.

3. Situation: For what purpose do the track rules permit a shot putter or a discus thrower to touch the inside of the ring provided he does not step on top of it?

Ruling: There was a time when the rules for this were indefinite and, in fact, they were not the same for the two events concerned. When a chalk mark or a painted line is used for the ring, it is mandatory for the competitor to stay inside the chalk or paint mark. However, the inside edge of such mark often becomes ragged. It is not meant that a competitor be unduly handicapped because of such ragged edge. When there is a raised metal ring, it is common procedure for a contestant to rest the side of his foot against the inner edge of the ring so as to be sure of obtaining maximum distance for his approach. The

present coverage permits this.

4. Situation: In the one-mile run, competitor A1 has drawn a lane far from the pole. He requests to be allowed to start behind a runner nearer to the pole.

Ruling: This is sometimes done in the longer runs. However, no competitor may voluntarily change his lane. He must have the consent of the referee or clerk of the course to do so.

5. Situation: Runners A1 and A2 have drawn for their lanes and they wish to exchange.

Ruling: The exchange of lanes is not permissible since the drawings were made by individuals. They must start in the lanes which they drew, unless shifted to vacant lanes by order of the referee. When any school has more than one competitor in a race, it is best to draw by schools and alternate teammates with the opponents.

6. Situation: During a meet, inspectors stationed on a turn have been called over to the finish line to help judge the result of a race. During this race there is a running infraction committed by a contestant at a turn vacated by the inspectors. The referee and one or two other officials can plainly see the foul when it occurs.

Ruling: The referee, above all other officials, is responsible for being certain that fair competition for all contestants must prevail. He is responsible for disqualifying those whose acts infringe upon the rules of fair competition. He must take such action and make such decisions which do ensure each contestant a fair and equal opportunity to do his best. In the above situation it would be the duty of the referee to disqualify the offender. He has the authority to do so.

7. Situation: Can points be scored in the preliminaries?

Ruling: No points are scored in the preliminaries of running events, or in the pole vault or high jump. It is possible to score points in the preliminaries in the running long jump, triple jump, and weight events. A competitor's best distance is credited to him in the running long jump, triple jump or weight events, whether this distance is achieved in the preliminaries or in the final.

8. Situation: A1, in taking his starting position, has his hand on the starting line.

Ruling: The rules provide that no part of a competitor's body shall touch the ground on or in front of the starting mark before the pistol shot. Many track athletes do not understand this and sometimes violate the rules by placing the hand or hands on or slightly ahead of the starting line. The hands and feet may be placed on the ground up to the starting line but never on the ground which is on or beyond the starting line. The rules do not prohibit a lean-over, in fact, this is a permissive technique in the start.

9. Situation: In the one-mile run A1 swings and sways from one side of track to the other.

Ruling: In a race involving a curve and where lanes are not specified, a runner may change toward the inside or outside when he is at least one full running stride (approximately 7 feet) in advance of any runner's path he crosses.

10. Situation: A1 is first to breast the tape, but B1 running faster at the finish line is first to break the tape.

Ruling: A1 is the winner. The tape or the yarn is used for the purpose of aiding the judges and at no time is a race to be decided by the act of breaking it. Runners should be placed in the order in which any part of their bodies (torso), as distinguished from the arms, feet or hands, reaches the finish line. The

The Flying Dutchman

The 1966 Kentucky State High School Basketball Tournament must go into the records as outstanding. When the police of Louisville and Jefferson County told the Dutchman that this was the best behaved group of youngsters in attendance that they have seen in many years, a great tribute was paid the State of Kentucky and their parents.

Ernie Chattin, Ashland, who has been in attendance at the Kentucky State Tournament for 45 consecutive years in the capacity of a player, coach and spectator, praised the conduct of the young sports fans as well as that of the crowd in general. In the Dutchman's opinion the officiating at this school boy classic was outstanding and not enough can be said for the efficiency and courage of the eight men who blew the whistles at the meet.

The sportsmanship of the coaches and the players reached a new high. It took courage, fair play and manhood for Coach John Rendek, who lost a heart-breaker in the finals, to make the statement, "The officiating was good." In a close contest a coach can always find something to quarrel with if he wants to, but John Rendek set an example which causes the Flying Dutchman to bestow on him the Corn Cob Pipe of Honor for the month of March. The citation reads, "Presented to Coach John Rendek for exemplary conduct."

Each year the crowds in attendance at the big school boy tournament show an improved knowledge of the game and consequently display finer sportsmanship. This year's crowds were courteous to the officials, cheered good plays of opponents and, in general, made one feel glad that all this was happening in Kentucky.

The State Tournament Hospitality Committee composed of Louisville and Jefferson County citizens did everything possible to prove to visiting Kentuckians that the big metropolitan area wants them here and will do everything possible to make things pleasant. The Dutchman served as Chairman of this committee and can report that the recreation center in the west wing of Freedom Hall was used by hundreds of boys and girls between game sessions, the Hospitality Room was filled to overflowing, the Kentucky High School Athletic Association Officials were rendered every service possible, and no stone was left unturned to keep the visiting students off the streets after the games were over.

On Thursday and Friday nights dances were held in the Convention Center from 10:30 P.M. to 1:00 A.M. with two aims. The first was to provide wholesome recreation under supervision for the visiting students, and the second was to keep them off the streets where they would not be supervised. It is interesting to note that 1,374 students attended the teen dance on Thursday night and 1,639 were there on Friday night, making a total of 3,013 youngsters who were under careful supervision during the troublesome hours. The only means the State Hospitality Committee has of financing the big hospitality program is from receipts from the dances for which an admission of \$1.00 per couple or \$1.00 stag was charged. These receipts amounted to \$2,348 which will defray all expenses with a slight overage.

One of the outstanding events of the spring athletic season is the naming of the Game Guy of the Year. Back in 1949 Bobby Kirchner was the first Game Guy of Kentucky, with the parade of Game Guys continuing to 1966 when Jim McKnight of Raceland won the honors. The best way to inform Kentuckians about scrappy Jim McKnight is to present an article from the **Ashland Daily**

Jim McKnight

Independent of November 14, 1965, written by David Reed. This follows.

"Playing football is the goal of many boys in high school. They look forward to running the winning touchdown or making the tackle that keeps the team from losing the game. For Jim McKnight of Raceland the goal of playing football was not just a goal but a real challenge.

"Jim didn't become the local hero. He never ran a touchdown, nor did he make a tackle. Jim just played football, but for Jim it was a real accomplishment. Jim McKnight has had but one leg since he was ten days old.

"The 16-year old junior at Raceland High School went out for the sport last spring during conditioning drills. It was the first time he had tried any sport. The days were hot and the practices long, but Jim McKnight stayed with the team.

"This fall before school began, Jim McKnight was practicing football again. He could have been fishing, swimming, or doing anything else. No one would have said anything to him, but Jim practiced football with the team. Some boys quit the team—not Jim McKnight, he wanted to play quarterback.

"Jim didn't make the first or even the second string, but Jim was playing football. He saw his first action in varsity play against Wurtland when the Ramblers had a comfortable lead. He knew the costly artificial leg was not covered by the school insurance policy, but he played just the same.

"Jim threw a pass that fell short. It would have been a touchdown aerial if caught. The next play was the same thing, a pass, but again it fell short. Then on the next play, the ball went past Jim. He would have to pick up the ball and run. A one-legged runner doesn't stand much of a chance.

"Jim McKnight's only effort in a varsity game wasn't the greatest in the world to say the least. He lost a total of 12 yards, but this hasn't caused Jim to give up the idea of playing football. Jim says he enjoys football because he "likes to hit and get hit in a game." "Football is the greatest sport I know," adds the scrappy youngster.

"Jim will be back next year playing the gridiron sport for the Ramblers. He knows he will never be a great player, but Jim McKnight will always be a real sport, in one sense of the word, just for trying to play."

Each year since 1953 the Jefferson County Youth Association has named a Mr. Recreation of Kentucky based on outstanding unselfish services of various

1966 State Basketball Tournament Statistics

Kentuckians to the promotion of wholesome recreation. Max Sanders, Valley Station, was the first Mr. Recreation of Kentucky in the year of 1953. Other Mr. Recreations of Kentucky are: 1954, Don Campbell, Lebanon; 1955, Buss Kirchdorfer, Shively; 1956, Lawrence Wetherby, Anchorage; 1957, Dr. James T. Fuller, Mayfield; 1958, C. W. Lampkin, Bowling Green; 1959, B. C. Van Arsdale, Lyndon; 1960, Joe Mitchell, Paducah; 1961, Henry Ward, Frankfort; 1962, Ted Sanford,

Lexington; 1963, Willie Dawahare, Hazard; 1964, Marlow W. Cook, St. Mathews; 1965, Ernie Chattin, Ashland.

Raymond H. Wimberg has been named by the Youth Association as Mr. Recreation of Kentucky of 1966. Everybody in attendance at the State Tournament saw this gentleman in action along press row, doing

(Continued on Page Twelve)

TRACK QUESTIONS

(Continued from Page Five)

finish is not decided by the position of the head, neck, arms, feet or hands. The runner can best protect himself by cultivating a finish form that calls for an extended chest when he breathes the tape.

11. Situation: Vaulters A1 clears a given height while vaulting and wearing gloves. Coach of opponent requests referee to rule whether gloves are permissible.

Ruling: This question often is raised and there are a few who believe that gloves might be classified as an artificial aid. The wearing of gloves is not interpreted to be an advantage. The Rules Committee has traditionally ruled that the use of gloves is permitted in the pole vault.

12. Situation: Runner A1 is passed by B1 who accidentally cut in too close and causes A1 to break his stride. May B1 be eliminated for his accidental act?

Ruling: Yes. An interfering runner shall be disqualified unless it is obvious that his foul was due to a foul by a third runner. Runners should learn to run with their arms and shoulders to the side and ahead of their bodies instead of swinging them wildly back and forth laterally, where they may strike a competitor. Runners should always remember that the lead runner has the right-of-way and that they can take it from him only by passing in compliance with the provisions of Rule 7 which provide that a passing runner must be one full running stride (approximately seven feet) in advance of the runner whose path he crosses.

13. Situation: During the run preceding the throwing of the javelin, the thrower approaches the scratch line from an angle. His throw is from behind the scratch line.

Ruling: Legal. There is no provision requiring the thrower to approach perpendicularly to the scratch line.

14. Situation: A1 takes a position on his mark when instructed to do so by the starter. A1 does not alter his position when the starter commands "set." Starter, in conformance with the rule, fires the pistol and A1 is left in his blocks.

Ruling: Legal start. A1 may or may not take a position at the start customarily used by a competitor in a dash race. The situation does not indicate nor imply that A1 was in motion or over the line when the pistol was fired and, therefore, there was no violation.

Comment: It is considered an excellent procedure for the starter to explain the commands and mechanics of starting to the competitors before a heat of any race is run. However, the starter is not obligated to do this, and under no condition may he coach the competitors.

15. Situation: In a relay, runner A1 passes the baton to runner A2 and only one-half of the baton is within the exchange zone when the pass is completed.

Ruling: This is a violation. The exchange rule requires that only the baton must be within the zone when the exchange is made. This is interpreted to be the entire baton.

16. Situation: Does an inspector have the authority to disqualify a runner for committing a rules infraction?

Ruling: No. Inspectors are required to report directly and immediately to the head inspector and the referee following any race during which they observe an infraction or irregularity. An inspector who observes such irregularity or infraction, such as illegal crowding or running on or over the left line of a runner's lane, or committing infractions of the

hurdle or relay rules, is required immediately signal by the waving of a red flag over his head. After receiving the report of the inspector, the referee will make whatever decision is deemed necessary.

17. Situation: In a meet, five or more teams are entered but one or more teams withdraw from the relay race, or there are only three entries in the race. Should the race be scored as for a triangular meet (if only three compete) or as for a quadrangular meet (if only four compete)?

Ruling: Regardless of the number of teams which might be entered in any one event, this meet is neither a triangular meet nor a quadrangular meet. Consequently, places should be scored in accordance with the official scoring table for a multiple meet. If five teams were entered in the meet and only three competed in the relay event, scoring for the relay would be 6-4-3.

1966 Baseball Questions

EDITOR'S NOTE: These interpretations of the 1966 National Alliance Baseball Rules do not set aside nor modify any rule. The rulings are made and published by the National Federation of State High School Athletic Associations in response to situations presented.

1. Play: Following a charged time-out granted to the defensive team, F1 assumes a position, without the ball, on or near the pitching plate. All bases are occupied. R1 steps off 3rd and is immediately tagged with the ball by F5 who has concealed it since the player conference.

Ruling: R1 is not out. The ball has not become alive following the charged conference. The only way it may become alive is for the pitcher to have it in his possession, and take a position on the pitcher's plate. The umpire then beckons and calls "play ball." Neither is it possible for the pitcher to commit a balk while the ball is dead. It is recommended that the umpire order F5 to throw the ball to F1 in the above situation, since no play can result when the ball is dead. By taking this action, he prevents a delay of game.

2. Play: R1, R2 and R3 are on 3rd, 2nd and 1st bases, respectively, with a count of ball 3, strike 2 on B6. B6 swings at next pitch, and misses the ball which gets by the catcher and lodges in mask of the umpire.

Ruling: Ball becomes immediately dead. B6 and all base runners are advanced one base each.

3. Play: The situation is the same as Play 2 except ball lodges in the mask of F2 rather than umpire's.

Ruling: Ball remains alive. It would be permissible for F2 to remove his mask to prove his possession of the ball and step on home base for a force-out of R1.

4. Play: With 2 out and R1 on 1st, B4 hits next pitch for an inside the park home run. In circling the bases, B4 misses 2nd. Defensive team returns the ball to infield and F4 calls for it, steps on 2nd base and appeals the infraction of B4 to base umpire.

Ruling: B4 is out and run of R1 counts. Had the infraction been the missing of 1st and the appeal was allowed, B4 would be out and run by R1 would be cancelled.

5. Play: R1 is on 3rd and R2 on 1st with none out. F1 assumes a set stance on the pitcher's plate. As he stretches, R2 advances toward 2nd base. F1 realizes the advance is occurring but he does not throw to 2nd, fearing that R1 would break for home and score. F1 completes his stretch, coming to a pause with the ball in both hands in front of his body. R2 reaches 2nd and rounds it, after which F1 delivers ball to B3 who fouls pitch into stands.

Ruling: R2 is ordered to remain on 2nd. He was there prior to the time of the pitch. The definition of

"time of the pitch" determines which base R1 is entitled to.

6. Play: With one out and R1 on 2nd and R2 on 1st, B4 hits fair line drive to right field. R1 breaks for 3rd but collides with the shortstop who is standing in the base line and R1 falls to the ground. He regains his feet and reaches 3rd. R2, who was on 1st, has not stopped and advances to 3rd. F5 receives ball and tags R2 while both R1 and R2 are on 3rd. B4 advances to 2nd.

Ruling: R1 and R2 are awarded home and 3rd bases, respectively, and B4 remains on 2nd.

7. Play: With no one on base, F1 assumes a set position on pitcher's plate. After taking a stretch, he brings arms down in front of his body with his hands on ball. Without pausing for one full second, he delivers and pitch is in the strike zone. B1 does not strike at it.

Ruling: This is an illegal pitch, the penalty for which is a ball.

Comment: This is necessary so that the pitcher does not take advantage of the batter. When the pitcher is in the windup position, he is facing the batter and the ball is in full view of the hitter. However, when a pitcher is using the set position, he is standing sideways or at right angles to the batter, and the ball is completely hidden from the batter. To be fair to both batter and base runner, the rules specifically require the pitcher, when in the set position, to pause for one full second with the ball in both hands in front of his body prior to delivery. If he does not, it is treated as an illegal pitch, which is called a ball when there are no runners, unless the batter should advance at least a minimum of one base on the result of the pitch. When there is a runner(s), it is a balk.

8. Play: With R1 on 2nd and two out, B4 hits triple and R1 advances to home on the play. B4, in advancing to 3rd, misses both 1st and 2nd. After F1 is on pitcher's plate, F6 at 2nd base, calls for ball. Befuddled F1 commits a balk in attempting to throw him the ball. Umpire orders B4 home from 3rd. After ball is properly made alive, F1 steps clearly backward with pivot foot from pitcher's plate and throws ball to F6 who tags 2nd base and appeals infraction to umpire.

Ruling: B4's run is cancelled. B4 is declared out. Run by R1 counts. Had the appeal been made at 1st base, no runs would have scored.

9. Play: With R1 on 3rd, F1 assumes the set position on pitcher's plate with ball resting in both hands in front of his body. R1 takes a big lead off 3rd and F1 steps toward 3rd, separates his hands and feints a throw in that direction. R1 breaks for home and F1, who has only feinted a throw to 3rd, draws his non-pivot foot back to its original position and steps toward home base and delivers pitch. At no time did he step off the pitcher's plate with his pivot foot until he delivered the ball.

Ruling: Balk. After feinting the throw to 3rd, F1 would have had to replace both hands on the ball in front of his body and come to a pause for a period of at least one full second before delivering the ball to the batter.

10. Play: B1 is at bat without a head protector. This is not discovered until: (a) he has hit ball over fence for a home run; or (b) he has hit a triple. The discovery is made while B1 is running the bases.

Ruling: In (a), B1 is not out and the run counts. In (b), after B1 has reached 3rd and the play is completed, if the failure to wear a head protector is noted by the umpire, or called to his attention by the official scorekeeper, or coach or player of the opposing team, B1 is then declared out.

11. Play: Coach of defensive team requests and is granted time by the umpire-in-chief. He then asks the

umpire to substitute his relief pitcher (S1) for his starting pitcher (F1). Coach then: (a) confers with S1 while the latter is walking to the mound; or (b) discusses the situation with S1 while S1 is taking his five warm-up throws; or (c) shouts directions from the bench to S1, who is on the mound warming up; or (d) has a conference with F4 and F6 on field while S1 is taking warm-up throws.

Ruling: Defensive team is charged with a conference in all situations above except (c) where coach is merely calling out instructions from players' bench, such as "pitch carefully to him." In (c), the coach is not on the field delaying the game.

12. Play: While B1 is in the batting circle, the umpire notices he is not wearing a head protector.

Ruling: B1 may not be called out until he has stepped into the batter's box and the ball has become alive. When this happens, the umpire will immediately declare time and call offender out. A player does not become a batter until he enters the batter's box and the ball is alive.

13. Play: B1: (a) starts a swing at a pitch but attempts to hold back on it; or (b) appears as though he is attempting to bunt the ball. In either case, B1 misses the ball. How does umpire determine what to call the pitch?

Ruling: The call requires good judgment on the part of the umpire. The call is based entirely upon judgment, and therefore, guidelines are necessary in making the decision. The principle frequently used with success is: If a batter swings halfway or more, it is a strike. In other words, if the bat is swung so it is in front of the batter's body or ahead of it, it is a strike. The breaking of the wrists has, in the past, sometimes been used as a guide but the above guide is more positive and, therefore, recommended. In bunting, any movement of the bat toward the ball when the ball is over or near the plate area is a strike.

14. Play: R1 is on 1st when B2 hits safely to right field. R1 misses 2nd and, as he starts for 3rd, F9 overthrows 3rd. The ball goes into dugout. B2 had crossed 1st before ball left the hand of F9. Can R1 be put out on appeal for missing 2nd?

Ruling: Yes. The procedure is as follows. Award home base to R1 and 3rd to B2. After the ball becomes alive, and prior to time of the next pitch, the team in the field should properly appeal to umpire that R1 missed 2nd. Umpire would then declare R1 out and cancel his run. R1 missed 2nd during a live ball and it was not one of his awarded bases. No appeal could have been allowed had 2nd been one of the awarded bases.

Comment: 8-2-1-Note has far-reaching application for base running and the awarding of bases. When a base runner passes a base without touching it, and the ball is alive, he is considered to have touched that base when awards are made due to the ball becoming dead. The runner still is subject to an appeal prior to the time of the 1st pitch after the ball becomes alive, provided the missed base is not one which he is awarded for the overthrown ball becoming dead. The only exception to this statement is in cases where awards are necessary when a batted or thrown ball, as indicated in 8-3-2-b and c, is touched by detached player equipment thrown, tossed, kicked or held by a fielder.

15. Play: R1 is on 1st with none out. B2 hits to centerfield where F8 throws glove at ball and hits it; (a) before R1 passes 2nd; or (b) after R1 passes 2nd but fails to touch it (base).

Ruling: If B2 reaches at least 3rd base, then in both (a) and (b), R1 scores. However, in (b), R1 still would be subject to appeal at 2nd base until the time of the next pitch. If B2 only reaches 2nd, then, in both (a) and (b), R1 and B2 would be awarded home and

3rd, respectively, and no appeal would be possible since the award was from home for B2 and from 1st for R1. In (a), B2 made three bases so the penalty is ignored and R1 is on his own. In (b), B2 did not make at least three bases, therefore, the umpire declares the ball dead and awards the bases to the runners. No appeal is allowed.

16. Play: With R1 on 3rd and two out, improper batter B5 appears at bat. During pitcher's windup, R1 breaks for home base and beats the pitch there. He is called safe by the umpire. Pitch is not strike three nor ball four. Team in the field then realizes that B5 is an improper batter and calls it to the attention of the umpire.

Ruling: The umpire shall call proper batter B4 out for B5's infraction. The run scored by R1 counts. The activity of improper batter B5 did not assist nor advance R1. The advance was made on his own merit. Of course, if the pitch to improper batter B5 had been strike three and the catcher either caught the ball or threw out B5 before he reached 1st base, then R1's run would not count.

17. Play: With R1 and R2 on 2nd and 1st, respectively, B3 bunts ball toward 1st. F3 fields it on fair ground near the base line and is prepare to tag B3, who stops and back pedals toward home.

Ruling: This is a legal act, unless B3 goes back to home and either touches or crosses it. Only then would B3 be ruled out for running bases in reverse order.

18. Play: With R1 on 1st, F1 stands astride the pitcher's plate with ball in his hand at his side while taking the signal from F2. He suddenly wheels and throws or feints throw to 2nd, which R1 is attempting to steal.

Ruling: Legal.

THE FLYING DUTCHMAN

(Continued from Page Nine)

everything he could to help in that area as well as working in the Hospitality Room, circulating in the stands, and in general living up to his name of Louisville's Ambassador of Goodwill. Ray Wimberg is the first Louisvillian ever to win this coveted award and he is richly deserving. Every big sports promotion which comes to the Falls City area will have this chap as a spark plug. Most wholesome sports or recreational events anywhere in Louisville or Indiana owe much to this energetic hard-working Ambassador of Goodwill. On the State Tournament Hospitality Committee it was Wimberg again, playing a major role. Sports writers in this area will tell you that they get telephone calls from Mr. Recreation of Kentucky in the wee hours of the morning when Ray gets an idea and wants them to publicize it. A fellow like Ray Wimberg comes "down the pike" once in a lifetime and Louisville and Jefferson County are fortunate that the road brought him to Derbytown.

The events and accomplishments the Dutchman has recorded in this column and others belong to history, and the record of high school sports in Kentucky is indeed enviable. We must remember that we can't live forever on what we did yesterday so here's the Dutchman's closing thought:

"Yesterday belongs to history,
Tomorrow belongs to God,
Today, and only today, is yours."

MINUTES OF THE ANNUAL MEETING

The forty-ninth annual meeting of the Kentucky High School Athletic Association was held at the Kentucky Hotel, Louisville, on Thursday afternoon, April 14, 1966.

President Foster J. Sanders called the meeting to order at 3:00, and asked the Commissioner to call the roll. Fifty-eight regularly elected delegates or alternates answered the roll call.

W. P. Wheeler moved, seconded by James Pursifull, that the minutes of the 1965 meeting of the Assembly, which had been sent previously to all member schools, be approved without being read. The motion was carried unanimously.

Commissioner Sanford then gave a report on the activities of the Association during the 1965-66 school year (The report of the Commissioner appears elsewhere in this issue of the magazine).

The Commissioner, at the request of President Sanders, then explained the Board of Control proposals to the Delegate Assembly.

President Sanders stated that consideration of the proposals was the next order of business.

Orville B. Hayes moved, seconded by Lee Mills, that Proposal I, providing that registration with the K.H.S.A.A. be required of baseball officials calling Association games, be adopted. The motion carried by a vote of 31-25, but President Sanders stated that the proposal had not carried by the necessary two-thirds vote in order for it to become a part of Association regulations.

Lawrence Burdon moved, seconded by W. P. Wheeler, that Proposal II, providing that no more than eight teams may be entered in a county, conference, or invitational basketball tournament, be tabled. The motion to table carried by a vote of 35-14.

Robert B. Turner moved, seconded by James T. Dotson, that Proposal III, providing that a team may enter only one county, conference, or invitational tournament during a regular season be tabled. The motion motion to table carried by a vote of 35-14.

Roy Reynolds moved, seconded by Arthur J. Walsh, that Proposal IV, providing that By-Law 6, Section 3, be amended by substituting "for thirty-six school weeks" for "during the first semester," be adopted. The motion carried by a vote of 40-16, which was more than the necessary two-thirds majority.

Roy T. Reasor moved, seconded by Denzil Halbert, that Proposal V, providing that the Board of Control have authority to set the fees for officials in both district and regional basketball tournaments, be tabled. The motion to table carried by a vote of 36-16.

James Pursifull moved, seconded by Fred Murray, that Proposal VI, relating to attendance of players at football or basketball camps be adopted. The motion failed to carry by a vote of 24-33.

Roy T. Reasor moved, seconded by Aaron Turner, that Proposal VII, providing that, prior to the opening of regular season play, a basketball team may have only two practice games with players other than members of the squad, be adopted. The motion carried by

a vote of 43-12, which was more than the necessary two-thirds majority.

The Commissioner introduced to the Delegate Assembly Ralph C. Dorsey and Foster J. Sanders, recently re-elected to Board of Control membership for a period of four years.

There being no further business, President Sanders declared the meeting adjourned.

The dinner meeting of the Association was held in the Crystal Ballroom of the Brown Hotel at 6:00 P.M., with 630 delegates and other school officials present.

Presentation of the Cavana Swimming Award to Prin. Harold Miller of the Highlands High School, which had won the 1965-66 award, was made by the Commissioner.

Recipient of the Game Guy Award was Jim McKnight of the Raceland High School. The presentation of the award was made by K.H.S.A.A. Director Oran C. Teater.

The address of the evening was given by Dr. Irvin E. Lunger, President of Transylvania College, Lexington, Kentucky. The subject of Dr. Lunger's address was "The Play Maker." Dr. Lunger's talk was both inspiring and challenging.

1965-66 ANNUAL REPORT

(Presented to Delegate Assembly)

Three hundred eighty-two schools joined the Association during 1965-66. This is thirteen less than the number of schools enrolled in 1964-65.

Financial reports filed by the sixteen regional basketball tournaments amounted to \$131,799.43. Receipts from the sixty-two district basketball tournaments amounted to \$225,698.62. Receipts from ticket sales at the State Basketball Tournament, including state tax, will approximate \$168,000.00. Profit to the Association on the tournament will be close to \$127,000.00. A complete record of all receipts and disbursements will appear in a subsequent issue of the Association magazine.

Thirteen hundred sixty-seven basketball officials and 565 football officials registered with the Association in 1965-66. Ten football rules clinics were held under the direction of Edgar McNabb and one hundred forty-one football officials took the National Federation examination for the higher ratings. Of this number, nine were added to the Certified list, and there were seventy-nine officials on the Approved list. Charlie Vettner, conducted fifteen basketball clinics, and held the School for Basketball Officials. Harry Stephenson conducted a school for baseball officials, who are being registered for the first time during the current season. Regional representatives in the three sports mentioned continue to render a fine service to the officials and schools in their respective areas. One hundred sixty-three officials took the National Federation basketball examination with twenty-four being added to the Certified list and sixty-nine receiving the Approved rating.

Two member schools have been suspended from

REPORTS PAST DUE

1. 1965-66 Basketball Participation List (Eligibility)
2. School's Report on basketball Officials
3. Official's Report on Schools (Basketball)

Fines for Late Reports

Principals of more than 100 schools had not filed their reports on basketball officials and/or their basketball participation (eligibility) lists for the 1965-66 season when this issue of the ATHLETE went to press. Some 400 basketball officials have not filed their reports on member schools. The Board of Control has established a fine of \$5.00 for both schools and officials delinquent with their reports. A deadline of June 15 has been set for the filing of all reports required under association rules. Officials who have not worked any games should notify the K.H.S.A.A. office accordingly. Such notification is considered a report.

Attention, Principals!

Approximately 100 principals of K.H.S.A.A. member schools have not as yet filed requests this school year for their insurance subsidies. If the school is underwriting all or part of insurance protection for its athletes, the Board of Control will allow a maximum credit or refund of \$40.00 to each school for "all sports except football," and an additional credit or refund of \$60.00 to each school maintaining a football team. Principals of schools which qualify for the credit or refund should write for reimbursement forms at once.

Tournament Receipts

The receipts from the district, regional and state basketball tournaments for 1966 were less than those of the preceding year, according to the reports of the tournament managers. In 1965 the gross receipts of the district tournaments were \$244,711.02 as compared to \$225,698.62 for 1966. The decrease in regional tournament receipts was from \$185,104.01 to \$131,799.43, for an average of approximately \$3,300 for each of the sixteen tournaments. Proceeds from the State Tournament were down approximately \$20,000.

The decrease in gross regional tournament receipts would affect greatly the amount schools involved would receive as their shares of the profit. Since the expenses of conducting the tournaments were approximately the same as 1965 expenses, any decrease in receipts would be most noticeable in the amount each school received this year. It is possible that the tele-

vising of other basketball games at the same time was largely responsible for the decreased tournament receipts.

Summer Camps

One of the proposals presented to the 1966 Delegate Assembly of the K.H.S.A.A. by the Board of Control failed to pass. The proposal provided that attendance by a first team or reserve team player at a football or basketball camp or instructional clinic conducted away from the school's regular practice or playing field is prohibited. However, the attention of principals and athletic directors is called to the fact that present regulations, Board of Control policy, and rules interpretations by the Commissioner make attendance at specialized clinics and football camps (conducted jointly by two or more member schools) somewhat dangerous on the part of the individual athlete who attends such clinics and camps. The danger refers to possible loss of eligibility.

No specialized clinic has the sanction of the K.H.S.A.A. If two players from the same school attending the clinic found themselves in a scrimmage or practice game at the clinic on the same team, the Commissioner would rule, as he has done on similar cases in the past, that these players have taken part in non-sanctioned post-season athletic contest, and that they have therefore lost their eligibility for the forthcoming season.

School administrators and coaches sending their football squads to camps conducted jointly with one or more schools being involved run the risk of violating K.H.S.A.A. By-Law 28-5, which provides that prior to the football season a team may have only two scrimmages or practice games with players other than members of the squad. The Commissioner has ruled that the conducting of drills on football fundamentals between two or more members of each of two different squads is to be considered a scrimmage, with respect to the provisions of By-Law 28-5. Because of the possible loss of player eligibility and the school's violation of the rule mentioned, the Board of Control and the Commissioner will not give their sanction to jointly conducted football camps.

MINUTES OF BOARD MEETING

The Board of Control of the Kentucky High School Athletic Association met at the Kentucky Hotel, Louisville, on Friday morning, April 15, 1966. The meeting was called to order by President Foster J. Sanders, with all Board members, Commissioner Theo. A. Sanford, and Assistant Commissioner J. B. Mansfield present. The invocation was given by Preston Holland.

Don Davis moved, seconded by Oran C. Teater, that the reading of the minutes of the March 18th meeting be waived since members of the Board had received copies of these minutes. The motion was carried unanimously.

The Commissioner gave a brief report on the state basketball tournament receipts and expenses. He stated that total ticket sales, as reported to the Delegate Assembly, would approximate \$168,000.00, with anticipated profits to the Association of \$127,000.00.

There was a discussion of possible re-districting effecting basketball Regions 3 and 5. The Commissioner presented letters from eight principals of the two districts involved in the proposed re-districting. Five principals were in favor of the change, two were not opposed, and one was not in favor of the change. After a general discussion of the requests for re-districting, Sherman Gish moved, seconded by Oran C. Teater, that Meade County schools be moved from Basketball

5. Ken Grimm, Highlands1:12.8

6. Adrian Holey, Ft. Knox1:15.8

In a preliminary heat Bezold set a new state record in this event with his time of :55.8.

7. 100 Yard Freestyle—

1. Jim Ramsey, Good Shepherd:54.2

2. Tom LeVasseur, Ft. Knox:57.5

3. Marshall Hardy, Louisville Cty. Day:57.9

4. Dan Jervis, Foundation:58.3

5. Jake Thornbury, Bourbon Co.:59.6

6. T. Bowne, Breckinridge Trg.1:03.3

Ramsey set a new state record in this event with his time of :54.2.

8. 100 Yard Backstroke—

1. Jim Ware, Dixie Heights1:00.8

2. Pat Quinn, Lexington Cath.1:02.5

3. Mark Blaske, Lou. Cty. Day1:04.2

4. Tim Racke, Highlands1:10.9

5. Tommy Dorth, Hopkinsville1:15.5

6. Todd Hume, Model1:17.9

Ware set a new state record in this event with his time of 1:00.8.

9. 400 Yard Freestyle—

1. Mike Page, Ft. Knox4:34.7

2. Steve Ramsey, Good Shepherd4:38.2

3. Ken Battle, Murray4:45.5

4. Russell Page, Ft. Knox5:01.9

5. Bill Smith, Shelbyville5:09.5

6. Bob Cuzick, Ft. Knox5:10.5

Page set a new state record in this event with his time of 4:34.7.

10. 100 Yard Breaststroke—

- Claude Wilson, Highlands -----1:07.6
- Hank Thompson, Frankfort -----1:12.3
- Butch Pfister, Highlands -----1:14.8
- Larry Schafke, Ft. Knox -----1:16.8
- Mac Kennel, Highlands -----1:17.3
- Tom Grimm, Highlands -----1:18.1

Wilson set a new state record in this event with his time of 1:07.6.

11. 400 Yard Freestyle Relay—

- Highlands (Reik, Jones, Fosdick, Bezold) -----3:55.0
- Fort Knox (Cechet, Dalusky, Page, LeVasseur) -----4:05.7
- Louisville Cty. Day (Hardy, Blythin, Bloch, Leatherman) -----4:15.7

- Hopkinsville (Higgins, Dalton, B. Cayce, G. Cayce) -----4:16.2
- Good Shepherd (S. Ramsey, Hanley, Snelling, J. Ramsey) -----4:23.3
- Dixie Heights (Newman, Beckett, Blaine, Ware) -----4:24.6

Highlands set a new state record in this event with the time of 3:55.0.

- Highlands set a new state record in this event with the time of 4:19.3.

ANNUAL REPORT

(Continued from Page One)

the Association during the current school year. The two schools were considered guilty of violating K.H.S.A.A. By-Law 17, the Association's Sportsmanship Rule.

The number of schools maintaining football in 1965-66 increased from 161 to 173. The numbers of schools maintaining the other sports sponsored by the K.H.S.A.A. show no appreciable change from the preceding year with the exception of baseball which increased from 306 to 317, boys' track from 216 to 225, boys' golf from 119 to 126, and boys' tennis from 69 to 79. There are 89 schools this year which have teams in girls' track. The Association is sponsoring this sport officially for the first time. The numbers of teams in other sports are: cross country, 94; wrestling, 18; boys' swimming, 28; girls' swimming, 24; girls' golf, 22; girls' tennis, 49; and rifle marksmanship, 14.

Fifty-three member schools of the Kentucky High School Athletic Association have made contributions to the Naismith Memorial Basketball Hall of Fame. Thirty-eight of this number have made contributions of \$100.00 each, or have made pledges for this amount. The National Hall of Fame Committee has asked the K.H.S.A.A. to set a goal of \$100.00 for each of its member schools, and this goal has been accepted. The Board of Control has directed the Commissioner to solicit Association member schools in an effort to meet the goal mentioned. Anything that members of this Delegate Assembly can do in their respective districts to assist the administrators and coaches in meeting the goal will be appreciated very much.

Your continued cooperation, assistance, and constructive criticism are solicited.

K. H. S. C. A.

MINUTES OF ANNUAL MEETING

Room 104, Convention Center, Louisville, Kentucky
April 14, 1966

The regular annual meeting of the Kentucky High School Coaches Association was called to order by Coach Tommy Long of Allen County.

Special guests recognized were Don Shelton, Murray College; James Feix, Western Kentucky; and sports writer, Bob White, of the Louisville Courier-Journal.

Special attention was given to the clinics for high school coaches, which are to be held August 5 and 6 in Lexington. These clinics are held in conjunction with the All-Star football and basketball games sponsored by the Association. The basketball session is to be held on Friday afternoon with the following three coaches participating: Jack Sutherland, Harrison County; Bill Harrell, coach of the State Tournament Champions, Shelby County Rockets; and Jim Richards of Glasgow.

The football clinic is to be held on Saturday morning August 6 with three coaches heading the program. They are: Ron Cain of Seneca, Fleming Thornton of Hopkinsville, and Walt Green of Middlesboro.

A financial report of the accounts of the All-Star, Kentucky High School Coaches Association, and the Building and Loan Account was presented to the members by treasurer Joe Ohr. On motion by John

Snowden, Woodford County, and seconded by Estill Branham, Warren County, the treasurer's report was accepted.

As the minutes of the Executive Board and the regular meetings are published in the Athlete, official publication of the Kentucky High School Athletic Association, it was moved that the reading of the minutes to the assembly be omitted.

The feature speaker of the meeting was John Oldham, basketball coach of Western Kentucky University "Hilltoppers". Oldham told several amusing stories concerning his experiences in recruiting and several concerning Mr. Ed Diddle, basketball coach emeritus of the Western Hilltoppers.

Coach Oldham gave a short review of the Michigan games, which was lost in the final seconds on a "bad call" — as Oldham said. He also discussed the prospects for 1967. After a couple of remarks regarding the misquotes used by some newspaper writers he praised the University of Kentucky Wildcats for their record.

Coach Oldham listed ten values a participant can receive from athletics. He said that athletics develops physical power, develops himself to group discipline, develops self confidence, develops life long friendships, develops travel opportunities, develops perseverance, develops proper conduct, develops team work, develops obedience to authority, develops sportsmanship.

Coach Charlie Kuhn (Male), coach of the year in football for 1964 and the retiring president of the Kentucky High School Coaches Association, recognized Fleming Thornton (Hopkinsville) as the "Coach of the Year" for 1965 and presented him a full sized inscribed football trophy in recognition of his being elected to this honor.

President James Bazzell presented Bill Harrell (Shelby County) a full sized basketball trophy in recognition of his being elected "Coach of the Year" for 1966. This marks the first time that a coach has been so recognized, in that Harrell received the same honor for 1965. Harrell's Shelby County team won the State Basketball Tourney and was ranked as number one team in the State of Kentucky.

In the election of officers for the year 1967-68, on motion by Snowden (Woodford County) and seconded by Branham (Warren County) the secretary-treasurer position was given to Joe Ohr for the eleventh time.

Fleming Thornton, Charlie Bentley and "Butch" Gilbert were nominated for Sgt.-at-Arms. A committee of Doc Adams, Jim Kennedy, Denzil Holbert and Jarvis Parsley was appointed by President Bazzell to count the votes cast for the position. Coach "Butch" Gilbert of Glasgow was elected.

While the votes were being counted Mr. Arnold Levitz explained to the members the conditions of the insurance policy available to all Kentucky coaches.

The representative of the Coaches Association was instructed how to vote on the proposals to be presented at the delegate assembly. Ohr was also presented two proposals to offer from the floor. Denzil Holbert proposed that the Board of Control membership be increased from eight to sixteen — the association approved the proposal. The second proposal, offered by Corky Cox and passed by the coaches, stated that a coach's membership card shall be honored at all athletic contests played under Kentucky High School Athletic Association sanction, with the exception of the State Basketball Tournament.

(Continued on Page Eleven)

The Flying Dutchman

As the Dutchman pens his last column of the 1965-1966 sports season, he joins other Kentuckians in their acclaim of the dedicated K.H.S.A.A. Board of Control, the professional staff and the hundreds of volunteers whose combined efforts brought an adequate and wholesome program of sports to boys and girls all over Kentucky. It takes leadership to inspire sports lovers, the length and breadth of the Commonwealth, to be eager to cooperate with the Commissioner's office, give many free services, time and effort to make each year's K.H.S.A.A. program surpass the preceding one. The Dutchman applauds that leadership.

Among those Kentuckians, whose strong support of wholesome athletic activities for young men and women has meant much to this Board of Control and those preceding it, is Murray's Eli Alexander. Eli is this month's choice for the Corn Cob Pipe of Honor award. Now principal of Murray High School, Eli Alexander's philosophy was influenced early in life by the K.H.S.A.A. sports program as he developed into one of Murray High's finest athletes, starring in football, basketball and track. Eli's Christian leadership of young people won this recognition for him.

It would be interesting to make a study to determine how many men in high positions are there today because of the lessons learned on the gridiron, hardwood, diamond, or in other sports when just boys. After all, life is just a game and is different only from football and other sports in that it is a more serious competition with the ability to make decisions more important because the end results are success and failure, happiness and unhappiness. The ability to make decisions under pressure can best be gained in sports — and it appears that our really big decisions of the future must be made under pressure. That's why every boy or girl should associate himself or herself with competition.

What will your community do to provide wholesome competition during the summer months when schools are not in session? The energies of youth will not take a vacation, and you can't expect your boys and girls to be content to wait for the K.H.S.A.A. program to open again in the fall. They need activity in June, July and August.

One community's answer to wholesome sports activities for kids came today when my telephone rang and Colonel Bill Durham of Bardstown was on the wire. "Dutchman," said Colonel Durham, "Bardstown is now

The Dutchman

ready for a full program of recreation and we need a qualified director of recreation. Do you know one whom you will recommend?" Here's an opportunity for majors in the field of recreation graduating from Kentucky's universities this spring. It's a cinch that many other communities in Kentucky will launch similar programs. In case your community wants to start a summer recreation program and doesn't know how, just contact the department head of recreation in the college or university nearest you and you'll get help. A famous Judge once told me that many boys join gangs because they don't have opportunities to join teams.

Assistant Commissioner Joe Billy Mansfield must exercise long range planning to do the tough job he does so well. In early April a letter from the far-sighted one said, "Dutchman, let's have your itinerary now for your October basketball clinics." This means Edgar McNabb got the same directive for his football clinics. This is long range planning by the Commissioner's office, and it's A-O-K.

Memo to Owensboro's Bob Daniels with copies to John Bunn, Cliff Faegan, Doc Runyon, Les Ansorge and Lyle Quinn from the Dutchman..... That 1957 Pontiac which made nine clinic trips and transported you gentlemen who produced "This is Basketball" over the Indiana highways is no more. "The Tiger of the Highways" came to a fiery end when it burned in downtown Louisville and on the morning of the K.H.S.A.A. sports dinner. At each clinic "The Tiger" was a conversation piece. What'll you guys talk about now?

Each year as this last column is written I wonder if any were successes. Maybe you're wondering if you succeeded this year! Ralph Waldo Emerson set up a standard for

HIGHLANDS HIGH SCHOOL BOYS' SWIMMING TEAM KENTUCKY CLASS AA CHAMPION—1966

(Left to Right) Front Row: Lukens, Houp, Crooks, Gravit, King, Smith, Klausing. Second Row: Messmer, Voige, Miller, Grover, Wright, Mackey, Redd, Koenig, Phister, Ass't. Coach Tom Jones. Third Row: Coach Lawson, Ader, Jones, Grimm, Sarring, Haulick, Whiting, Arbogast, Wilson, Hogel, Kratz. Fourth Row: Downtree, Scharstein, Bezold, Fosdick, Rice, Reik, Wolf, Ross, Hunter, Kennedy.

success and the Dutchman passes it on to you:

"To laugh often and much; to win the respect of intelligent people and the affection of children; to earn the appreciation of honest critics and endure the betrayal of false friends; to appreciate beauty, to find the best in others; to leave the world a bit better, whether by a healthy child, a garden patch, or a redeemed social condition; to know even one life has breathed easier because you lived. This is to have succeeded."

National Collegiate Championships

The NCAA Track and Field Championships are scheduled to be held on Indiana University's new Track facility June 16-18, 1966. The Championships have not been held in the Midwest for several years, with the result that many Track enthusiasts living in the central section of the United States have not had the opportunity to see in action the world's greatest track stars.

Ticket prices are as follows:

June 16 (2:30 P.M.), June 17 (3:30 P.M.)—General Admission, \$1.50; Knothole Club (high school students or under), \$1.00.

June 18 (11:30 A.M.)—Reserved Seats, \$3.00; General Admission, \$2.00; Knothole Club, \$1.00.

Tickets can be secured by communicating with the Indiana University Ticket Office, Bloomington, Indiana.

1966 TRACK QUESTIONS

(Continued from April ATHLETE)

18. Situation: In the 880-yard relay, A2 falls while negotiating a curve. In the confusion that follows, B2, who is running in a line outside that occupied by A2, is spiked on his right leg. There are several minor officials at the turn and the chief inspector's view is blocked, so that he has no way of knowing who is responsible for the contact. Officials in the immediate area agree that the contact was not intentional. In the absence of any facts to warrant the disqualification of any contestant, the referee orders the race re-run. All teams which competed in the first race are to participate in the substitute race. One or more of the teams refuse to take part in the substitute race.

Ruling: The referee has authority to make the decision indicated. This is covered in Rule 7-2. If the referee orders a substitute race, all teams are obligated to participate if they desire a chance to earn points for the event. Obviously, in such situations, the referee must exercise good judgment.

19. Situation: A competitor in the running long jump is not wearing shoes. He takes off from behind the scratch line at one side of the board.

Ruling: Legal. There is nothing in the rules prohibiting this. They specify only that the contestant shall take-off from behind the scratch line, or the scratch-line extended.

20. Situation: The first runner of a relay team commits two false starts.

Ruling: The relay team is disqualified.

21. Situation: A1, in taking his position at the start of a relay race, allows the baton in his hand to be touching the ground on or in front of the starting line.

Ruling: Illegal. When the starter notices the irregularity, he shall instruct the contestant to assume a legal starting position.

22. Situation: In the running long jump, A1 takes off legally from the take-off board, but he lands outside the landing pit.

Ruling: Legal. The attempt shall be measured perpendicularly to the scratch line extended from the point on the ground touched by the person or his apparel, which is nearest the scratch line extended.

23. Situation: Vaulters A1, at the end of his run-up, places his pole in the box to vault, but does not leave the ground nor does any part of his body pass under the crossbar or beyond the stop-board.

Ruling: This is not a trial and shall not be charged against the competitor.

MINUTES OF BOARD MEETING

(Continued from Page Two)

District 11 to Basketball District 17. The motion was carried unanimously.

Upon recommendation of the Commissioner, Oran C. Teater moved, seconded by Morton Combs, that the insurance subsidy for each member school for 1966-67 be a basic amount of \$40.00, with an additional subsidy of \$60.00 for each school maintaining football. The motion was carried unanimously.

Sherman Gish moved, seconded by Preston Holland, that the Commissioner be directed to sign a two-year contract with the Kentucky State Fair Board for the rental of Freedom Hall in 1967 and 1968 as the site of the State High School Basketball Tournament. The motion was carried unanimously.

The Commissioner stated that he had received several inquiries recently concerning the possibility of Gymnastics being sponsored as an official K.H.S.A.A. interscholastic sport. He stated that several member schools of the Association currently have teams in gymnastics. Ralph C. Dorsey moved, seconded by Oran C. Teater, that the Commissioner be directed to send out a questionnaire to the principals of K.H.S.A.A. member schools in an effort to determine whether or not there is now enough interest in Gymnastics to warrant the Association including this sport in its interscholastic program. The motion was carried unanimously.

The Commissioner presented a request from Prin. Fred Murray of the Madisonville High School concerning the moving of Madisonville to another football district in which most of the teams involved are currently on the Madisonville schedule. Sherman Gish moved, seconded by Don R. Rawlings, that the Madisonville High School be moved from Region 1, District 2, to Region 1, District 1, in Class AA football. The motion was carried unanimously.

Sherman Gish moved, seconded by Don Davis, that Ralph C. Dorsey and Morton Combs be named delegate and alternate respectively to the forthcoming summer meeting of the National Federation of State High School Athletic Associations. The motion was carried unanimously.

Sherman Gish moved, seconded by Preston Holland, that all bills of the Association for the period beginning March 1, 1966, and ending March 31, 1966, be allowed. The motion was carried unanimously.

The Commissioner stated that he had asked representatives of the Central High School (Louisville) to meet with him at 2:00 P.M. for a hearing in connection with a possible violation of K.H.S.A.A. By-Law 17 on March 12, 1966, by representatives of the school; and that he wished to conduct the hearing with members of the Board present. He further stated that, in the event an appeal from his decision should be taken, the Board would have heard the evidence presented, and would be in a position to make its decision. The Board acceded to his request.

The Central High School hearing convened at 2:15. Present at the hearing were the Commissioner, the

New Publications

Athletic Institute and AAHPER Book

The new edition of the PLANNING FACILITIES GUIDE, the result of a National Workshop on Areas and Facilities in Health, Physical Education and Recreation, held at the Indiana Memorial Union, Indiana University, Bloomington, Indiana, January 15-24, 1965, and co-sponsored by The Athletic Institute and the American Association for Health, Physical Education and Recreation has just come off the press.

This guide, the composite thinking of over 60 participants at the national workshop from the fields of health, physical education and recreation as well as architects, engineers and city planners, will contain the most up-to-date and comprehensive information on planning facilities in the above areas. The 300-page guide will contain much more information, more figures, pictures and tables than the previous editions of the FACILITIES GUIDE.

A list of the chapters and their contents includes: Objectives and Needs, Planning Principles and Units, Outdoor Areas and Facilities, Outdoor Education (Recreation Areas and Facilities), General Features (Outdoor Facilities), Indoor Facilities for Elementary and Secondary School, Indoor Facilities for Colleges and Universities, Recreation Buildings, General Building Features, Design Characteristics of Swimming Pools, The Indoor Pool, Outdoor Pools, Water Treatment and Filtration, Swimming Pool Equipment and Accessories, Waterfronts and Beaches, Health Education, Safety Education, Checklist for Facilities Planners.

The paperback edition of the new guide will sell for \$5.00 per copy and the hard-cover edition is priced at \$6.00. Check or money order with your institutional purchase order should be sent to the Athletic Institute, 805 Merchandise Mart, Chicago, Illinois 60654.

Teamwork

A new book, TEAMWORK BETWEEN THE COACH AND THE SCHOOL ADMINISTRATOR, written by J. H. Griffin, has recently come from the School Aid Company, Danville, Illinois. It is well written, and should be a fine addition to the library of the coach. The chapter headings are as follows:

1. Considerations before entering the coaching field
2. Securing a position
3. Getting off to a good start with your administrator

Assistant Commissioner, and all members of the Board of Control; Prin. J. W. Hackett and Mr. Perry, a teacher, of the Central High School; Assistant Superintendent Robert L. Sanders of the Louisville City Board of Education; and Mr. Harry S. McAlpin.

The Commissioner asked Assistant Commissioner J. B. Mansfield to present certain signed statements which he had accumulated in connection with the case, including statements made by Tournament Manager Arthur Moody and the principals of the four schools which had teams in the regional tournament final session held at Freedom Hall, Louisville, on the evening of March 12, 1966. After the statements were read by Mr. Mansfield, the Commissioner explained the implications of K.H.S.A.A. By-Law 17, Practice of Sportsmanship, and the four Central High School representatives mentioned previously made statements concerning their knowledge of certain incidents which happened on March 12. After a general discussion period, the Commissioner ruled that the Central High School, in his opinion, was guilty of violating K.H.S.A.A. By-Law 17 on the evening of March 12, 1966; and that the following penalty should be imposed: 1) The Central High School shall be placed on probation for a period of two years from date, and 2) The Central High School shall be suspended from the Kentucky High School Athletic Association for the forthcoming month of December.

The Commissioner asked Mr. Hackett if he wished to appeal the decision. The Central representatives retired from the room for a short period of time. After they returned, Mr. Hackett stated that he did wish to make an appeal from the decision of the Commissioner.

President Sanders asked Vice-President Preston Holland to conduct the appeal hearing. Mr. Holland complied with this request, asking individual members of the Board of Control to ask any questions and make any statements which had a bearing on the case. He also asked Mr. Hackett and members of the Central group to give any reason for their belief that the penalty imposed by the Commissioner was too severe. All members of the two groups complied with this request.

At the conclusion of the appeal hearing, the Central representatives retired. The Commissioner stated that, in the light of some of the statements made during the appeal hearing, he would recommend that the Board consider reducing the penalty.

Don Davis moved, seconded by Oran C. Teater, that the Board of Control sustain the position of the Commissioner in declaring that the Central High School had been guilty of violating K.H.S.A.A. By-Law 17, Practice of Sportsmanship, on the evening of March 12, 1966; and that the school be placed on probation for a period of two years from date. The motion was carried unanimously.

There being no further business, the meeting adjourned.

K.H.S.C.A.

(Continued from Page Seven)

Coach Estill Branham (Warren County) games director of the All-Star games presented Charlie Kuhn (Male) the retiring president of the Coaches Association a plaque in recognition of the valuable leadership provided by Kuhn over a three year period.

There being no further business, the meeting adjourned at 2:45 p.m.

Members of the Executive Committee present were: President, James Bazzell, Allen County; Vice President, Fred Clayton, Caldwell County; Sec.-Treas., Joe Ohr, Irvine; Sgt.-at-Arms, Don Morris, Breckinridge County; Retiring President, Charlie Kuhn, Male; Games Director, Estill Branham, Warren County.

HARRISON COUNTY WINNERS

Cheerleaders of the Harrison County High School won first place in the K.A.P.O.S. contest during the 1966 State High School Basketball Tournament. Members of the group in the picture above are: (Left to Right) Front Row — Nancy Juett, Anne Haviland; Second Row — Mrs. Juliann Tesar, Beverly Midden, Mary Lowdenback, Karen Williams, Bonnie Urfer, Mrs. Macky Bell.

Reports of Audit

Irvine, Kentucky
April 12, 1966

Executive Committee
Kentucky High School Coaches Association
Louisville, Kentucky
Gentlemen:

At the request of Mr. Joe Ohr, your Secretary, I have made an examination of the records of the Kentucky High School Coaches Association as furnished to me by Mr. Ohr. The period involved is March 8, 1965 thru February 26, 1966.

All transactions during this period are shown on the attached schedule of receipts and disbursements. All receipts have been traced in to the Bank Account and all disbursements have been verified by cancelled checks.

The balance of \$10,894.65 has been confirmed as being on deposit in the Union Bank & Trust Company, Irvine, Kentucky, on February 26, 1966.

Yours very truly,

William Sexton, Jr., Auditor

Irvine, Kentucky
April 12, 1966

Executive Committee
East-West All Star Football & Basketball Games
of Kentucky High School Coaches Association
Louisville, Kentucky
Gentlemen:

Per Mr. Joe Ohr's request, I have made an examination of the records of the All Star account as furnished to me by Mr. Ohr, and covering the period March 18, 1965 to February 14, 1966.

Consolidated and classified receipts and disbursements are shown on the attached schedule of receipts and disbursements. The bank balance of \$83,690.38 has been confirmed as being on deposit in the First Security National Bank and Trust Company, Lexington, Kentucky.

Total cash receipts of \$8,774.70 have been traced into the bank and the total disbursements of \$8,312.97 have been properly substantiated by canceled checks.

In our report of April 6, 1965, we reported your balance in Account No. 9315 in the Columbia Federal Savings & Loan Association, Covington, Kentucky, as \$4,548.93 as of March 31, 1965. We did not make any verification of this account in this report.

We believe the attached schedule properly reflects all transactions for the period covered.

Respectfully submitted,
Wm. Sexton, Jr., Auditor

USTFF CHAMPIONSHIPS

The fourth Annual USTFF Championships will be held at Terre Haute, Indiana, on June 10-11, 1966. Eligible for this meet are all athletes certified to be amateurs by school authorities or by USTFF registration card. Also recognized as amateurs are holders of AAU registration cards. The entry deadline is June 4. All high school athletes who have finished their eligibility should enter this meet "unattached" or represent a club. For further details, Meet Director Bob Meyne should be contacted. His address is: Indiana State University, Terre Haute, Indiana — Phone C-6311, Area Code 812.
